Date: August 9, 2011

To: Mayor Parris and City Council Members

From: Robert C. Neal, Director of Public Works

Subject: **Award of Bid - Public Works Construction Project No. 11-013
BLVD Special Event Control, Phase 2**

Recommendation:

Award Public Works Construction Project No. 11-013, BLVD Special Event Control, Phase 2, to Hondo Engineering, Inc. of Lancaster, California, in the amount of \$109,125.00, plus a 20% contingency, for bollard and receiver installation along the BLVD and on side streets to provide for protected areas during downtown events. Authorize the City Manager, or his designee, to sign all documents.

This contract is awarded to the lowest responsible bidder per California Public Contract Code Section 22038 (b).

Fiscal Impact:

\$130,950.00 (including 20% contingency) to be awarded; sufficient funds are available in Capital Improvements Budget Account Numbers 206-16ST004-924. Associated annual maintenance costs are considered negligible.

Background:

The project involves the construction and installation of 111 protective security bollards along the BLVD and on adjacent side streets, immediately north and south of the BLVD. The project shall include the construction and installation of 22 thematic/decorative bollards and 89 standard bollards. Receivers will be constructed at bollard storage locations and deployment locations, for a total of 304 receivers.
