Subject: **Sanitary Sewer Collections System Annual Performance Report
Fiscal Year 2010-2011**

Recommendation: Accept the Sanitary Sewer Collections System Annual Performance Report for Fiscal Year 2010 – 2011.

Fiscal Impact:

\$100.00 for printing supplies; sufficient funds are available in Account No. 480-4755-259.

Background: The City assumed responsibility for the operation and maintenance of its sanitary sewer system from the County of Los Angeles Consolidated Sewer Maintenance District on July 1, 2008, believing that local control of the system was in the best interest of its residents. The production of an annual report is one of the performance measures approved by City Council in the Fiscal Year 2010 – 2011 Program and Financial Plan.

The Annual Performance Report outlines the Fiscal Year 2010-2011 accomplishments of the Utility Services Division regarding operations and maintenance of the City's sewer system. The handout, once approved, will be published and available at the Maintenance Yard and City Engineering counters for interested citizens.
