

STAFF REPORT
City of Lancaster

CC 10
04/24/12
MVB

Date: April 24, 2012

To: Mayor Parris and City Council Members

From: Robert C. Neal, Public Works Director

Subject: **Reimbursement Agreement with Lancaster School District for Construction of Street Improvements on 17th Street East**

Recommendation:

Approve the reimbursement agreement with Lancaster School District for construction of street improvements on 17th Street East between Lancaster Boulevard and the Discovery Elementary School site.

Fiscal Impact:

\$109,627.50; sufficient funds are available in Capital Improvements Budget Account No. 232-15ST033-924.

Background:

Lancaster School District has completed construction of Discovery Elementary School on 17th Street East and Kettering Street. A portion of 17th Street East, between Lancaster Boulevard and the school's southerly boundary was unimproved. City and District staff worked together to acquire the necessary rights-of-way and coordinate the completion of the street improvements by the District's contractor.

The completion of this portion of 17th Street East greatly improves the vehicular circulation to the new school, improves pedestrian student safety, and provides better drainage near the school. Expanding the District's scope of work to include the completion of 17th Street East was a timely and efficient way to complete the work before school was back in session.
