

PUBLIC NOTICE

DISABILITY NON-DISCRIMINATION POLICY

This notice is published pursuant to the requirements of Title II of The Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973.

The Americans with Disabilities Act (ADA) was signed into law by President George Bush on July 26, 1990 and became effective July 26, 1992. The purpose of the Act is to ensure that persons with disabilities are afforded the same rights and privileges as non-disabled persons. Title II states “no qualified individual with a disability shall, on the basis of such disability, be excluded from participation in or be denied the benefits of the services, programs or activities of a public entity, or be subjected to discrimination by any public entity, or be subjected to discrimination by any such entity.”

Section 504 of the Rehabilitation Act of 1978 prohibits discrimination on the bases of disability in programs and activities in federally funded state and local government services, public accommodations, employment, and commercial facilities, including programs and activities of The Department of Housing and Urban Development (HUD).

The City of Lancaster, California advises the public, employees, and job applicants that it does not discriminate on the basis of disability in admission or access to its programs and activities, or in the treatment of employment in such programs and activities.

The City of Lancaster, California has designated a Section 504 Coordinator to coordinate its efforts to comply with and carry out its responsibilities with these requirements. Inquiries shall be directed to the following office:
