**REGULATION OF REGISTERED SEX OFFENDERS**

<b>9.44.010</b>	<b>Purpose.</b>
<b>9.44.020</b>	<b>Definitions.</b>
<b>9.44.030</b>	<b>Registered sex offender regulations and prohibitions.</b>
<b>8.56.040</b>	<b>Penalty.</b>
<b>8.56.050</b>	<b>Severability.</b>

**9.44.010 Purpose.**

The city desires to impose safety precautions based upon its compelling interest in protecting children from registered sex offenders by restricting registered sex offenders' access to locations where children regularly gather. The city council finds that registered sex offenders pose a clear threat to children. It is the purpose and intent of this chapter to reduce that threat by limiting the ability of registered sex offenders to be in contact with children. Currently, state law regulates where registered sex offenders may reside, but does not regulate or limit the areas that registered sex offenders may frequent. This chapter is intended to supplement, not to conflict with, existing state law by imposing more stringent restrictions on the locations where registered sex offenders may reside and by imposing restrictions on the locations that registered sex offenders may frequent.

**9.44.020 Definitions.**

Except as otherwise expressly set forth herein, the following words and terms as used in this chapter shall have the following meanings:

“Arcade” means any establishment containing four (4) or more electronic games (such as video games, pinball machines, etc.) or coin operated amusements.

“Child” or “children” means any person under the age of 18 years of age.

“Crisis center or shelter” means the buildings and grounds of facilities for victims of any violent crimes and/or emergencies (natural or man-made).

“Day care center” means any licensed child day care facility, including, but not limited to, infant centers, preschools, extended day care facilities, and school age child care centers. The term “day care center” does not include a family day care home as defined in Section 1596.78 of the California Health and Safety Code.

“Incidental proximity” means a single trip by a registered sex offender when traveling past a specified prohibited location while en route to another bona fide destination, if such travel is undertaken at a reasonable rate of speed and for the sole purpose of reaching the bona fide destination.

“Park” or “playground” means the following: (i) any land, including improvements thereon and/or thereto, administered, operated or managed by the city or any private home owners group for use by the public as a recreational area (such as a recreational center, jogging trail, hiking trail, bicycle trail, water park, swimming pool, soccer field or baseball field); and/or (ii) any area or land owned, leased, controlled, maintained or managed by a public entity that is open to the public where children regularly gather and that provides recreational, cultural and/or community service activities (such as a public park, playground, playfield, athletic court/field or amusement center).

“Permanent residence” means any place where a person abides, lodges or resides for fourteen (14) or more consecutive days.

“Registered sex offender” means any person who is required to register under Section 290 of the California Penal Code, regardless of whether or not such person is on parole or probation. It shall be prima facie evidence that a person is a registered sex offender if such person’s record appears in/on the Department of Justice Sex Offender Tracking Program Database.

“School” means the buildings and grounds of any public or private school used for purpose of educating children in kindergarten or any grades one (1) to twelve (12), inclusive.
