At its September 27, 2012 meeting, the Los Angeles County Metropolitan Transportation Authority (LACMTA) approved the project list and funding allocation for the Measure R State Route (SR) 138 Capacity Enhancements. Included in the project list are five interchanges through the City of Lancaster, of which SR-138 (SR-14) - Avenue M Interchange is one. The proposed Measure R Funding Agreement is for design, project development, right-of-way, and construction of SR-138 (SR-14) - Avenue M Interchange. The total designated for this project is \$20,000,000.00. Project Funds are programmed over Fiscal Years (FY) FY 2011-12, FY 2012-13, FY 2014-15, FY 2015-16, FY 2016-17, and FY 2018-19.

The SR-138 (SR-14) - Avenue M Interchange is a joint jurisdiction project between the City of Lancaster, City of Palmdale, and Los Angeles County. The City of Lancaster will take the lead role in project management since it has 50% of the jurisdictional share.

The City will also develop this project in partnership with Caltrans.
