Date: April 10, 2007

To: Mayor Hearn and City Council Members

From: James R. Williams, Public Works Director

Subject: **Award of Bid - Public Works Construction Project No. 05-012**
3rd Street East Realignment

Recommendation:

Award Public Works Construction Project No. 05-012, 3rd Street East Realignment, to Granite Construction Company in the amount of \$838,240.00 plus a 10% contingency. The project is designed to realign the section of 3rd Street East north of Avenue I to properly align with the intersection of 3rd Street East south of Avenue I. Authorize the City Manager, or his designee, to sign all documents.

Fiscal Impact:

\$922,064.00 (including 10% contingency); sufficient funds are available in Capital Improvements Budget Account No. 232-15ST008-924 and 206-15ST008-924.

Background:

As part of the City's ongoing efforts to improve public safety, this project is designed to realign the section of 3rd Street East north of Avenue I to properly align with the section of 3rd Street East south of Avenue I, thereby eliminating an off-set intersection on a major arterial. The project includes relocation of various existing utilities and the traffic signal system. The project is crucial to future development of the Lancaster Youth Baseball/Softball Center, as the project involves the removal of existing overhead utilities that currently traverse some of the future baseball/softball fields.

On February 28, 2007, at 11:00 a.m., the City conducted a bid opening for Public Works Construction Project No. 05-012. Three sealed bid envelopes were received, opened, and read aloud. The bids were as follows:
