Date: July 8, 2014

To: Mayor Parris and City Council Members

From: Robert C. Neal, Director of Public Works

Subject: **Extension of Bid No. 570-13, Emulsified Asphalt Materials**

Recommendation:

Approve the extension of Bid No. 570-13, Emulsified Asphalt Materials, as outlined in the original contract, for a period of twelve (12) months, to VSS Emultech in the amount of \$500,000.00. In addition, authorize the City Manager, or his designee, to enact any subsequent extensions as eligible within the specifications of Bid No. 570-13.

Fiscal Impact:

\$500,000.00; sufficient funds are available in Capital Improvement Budget Account No. 210-12ST030-924. There are no additional maintenance costs associated with this Bid.

Background:

The City of Lancaster released a competitive bid for Emulsified Asphalt Materials and awarded it to VSS Emultech on July 9, 2013, for an initial term of one year with an option for two (2) 1-year extensions. The City is entering the second year of an extensive Pavement Preservation effort, having completed forty-five (45) lane miles the inaugural year. Utilizing existing staff, the Utilities/Maintenance Services Division is performing Chip Seal operations under the Pavement Management Program. The Bid documents are on file in the Purchasing office.
