Date: July 8, 2014

To: Mayor Parris and City Council Members

From: Robert C. Neal, Director of Public Works

Subject: **Extension of Bid No. 568-13, Reclaimed Asphalt Pavement Screening Materials**

---

**Recommendation:**

Approve the extension of Bid No. 568-13, Reclaimed Asphalt Pavement (RAP) Screening Materials, as outlined in the original contract, for a period of twelve (12) months, to Reclaimed Aggregates, Inc. in the amount of \$120,000.00. In addition, authorize the City Manager, or his designee, to enact any subsequent extensions as eligible within the specifications of Bid No. 568-13.

**Fiscal Impact:**

\$120,000.00; sufficient funds are available in Capital Improvement Budget Account No. 205-12ST030-924. There are no additional maintenance costs associated with this Bid.

**Background:**

The City of Lancaster released a competitive bid for Reclaimed Asphalt Pavement Screening Materials and awarded it to Reclaimed Aggregates, Inc. on July 9, 2013, for an initial term of one year with an option for two (2) 1-year extensions. The City is entering the second year of an extensive Pavement Preservation effort, having completed forty-five (45) lane miles the inaugural year. Utilizing existing staff, the Utilities/Maintenance Services Division is performing Chip Seal operations under the Pavement Management Program. The bid documents are on file in the Purchasing office.
