08/12/14
MVB

Date: August 12, 2014

To: Mayor Parris and City Council Members

From: Robert C. Neal, Public Works Director

Subject: **Reimbursement Agreement with Eastside Union School District for Construction of Street Improvements on 37th Street East**

Recommendation:

Approve the reimbursement agreement with Eastside Union School District for construction of street improvements on 37th Street East between Avenue J-8 and the southerly boundary of the Enterprise Elementary School site.

Fiscal Impact:

\$131,390.52; sufficient funds are available in Capital Improvements Budget Account No. 232-15ST045-924.

Background:

Eastside Union School District has completed construction of Enterprise Elementary School on 37th Street East and Avenue J-4. A portion of 37th Street East, between Avenue J-8 and the school's southerly boundary was unimproved. City and District staff worked together on the completion of the street improvements by the District's contractor.

The completion of this portion of 37th Street East greatly improves the vehicular circulation to the new school, and improves pedestrian student safety. Expanding the District's scope of work to include the completion of 37th Street East was a timely and efficient way to complete the work before the opening of the school.
