Date: November 12, 2014

To: Mayor Parris and City Council Members

From: Robert C. Neal, Director of Public Works

Subject: **Sewer Collection System Annual Performance Report for Fiscal Year 2013-2014**

Recommendation:

Accept the Sanitary Sewer Collection System Annual Performance Report for Fiscal Year 2013-2014.

Fiscal Impact:

\$100.00 for printing pamphlets; sufficient funds are available in Account No. 480-4755-253.

Background:

The City of Lancaster assumed responsibility for the operation and maintenance of its sanitary sewer system from the County of Los Angeles Consolidated Sewer Maintenance District (CSMD) on July 1, 2008, believing that local control of the system was in the best interest of its residents. The production of an annual report is one of the performance measures approved by City Council in the Fiscal Year 2011-2012 Program and Financial Plan.

The attached Sewer Collection System Annual Report provides information regarding the growth and characteristic of the system over the past year. The Sewer System Report for Fiscal Year 2013-2014 handout, which will be placed on public counters to communicate the report results to the public, is also attached.

The Sewer Collection System Annual Report outlines the Fiscal Year 2013-2014 accomplishments of the Utilities/Maintenance Services Division regarding operations and maintenance of the City's sewer system. The handout, once approved, will be published and made available at the Maintenance Yard and Community Development counters for interested residents.
