

RESOLUTION NO. 15-01

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LANCASTER, CALIFORNIA, ADOPTING THE NOVEMBER 2014 CAPITAL IMPROVEMENT PLAN OF THE CONSOLIDATED FIRE PROTECTION DISTRICT AND THE ANNUAL ADJUSTMENT OF DEVELOPER FEES

WHEREAS, the City Council of the City of Lancaster ("City Council") finds that new development in the City of Lancaster ("City") will generate increased concentration of residents, commuters, businesses, and visitors to the City, thereby imposing increased demand for fire station and emergency medical facilities; and

WHEREAS, the City Council has adopted Ordinance No. 612, reaffirming the City's authority to impose development impact fees consistent with the requirements of Assembly Bill 1600 (Statutes 1987, Chapter 927) as set forth in the California Government Code Section 66000 et seq.; and

WHEREAS, the District has prepared a Capital Improvement Plan entitled Developer Fee Detailed Fire Station Plan dated May 1991, and the update dated September 2014 attached to this resolution (collectively the "Plan"), as adopted by the Los Angeles County Board of Supervisors on November 18, 2014, pursuant to the provisions of California Government Code Section 66002 and Ordinance No. 612; and,

WHEREAS, the City desires to ensure an appropriate level of revenue from new development projects to provide fire station facilities and apparatus commensurate with the demand for fire protection and emergency medical services generated by new development to protect the public health, safety and welfare; and,

WHEREAS, the Plan identifies specific capital improvement projects in general priority order necessary to accommodate such increased development, and mitigate the impacts on fire protection and emergency medical services imposed, thereby estimates project costs and sets forth the proportionate fair share of funding from Fire Protection Fees; and,

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LANCASTER, DOES HEREBY RESOLVE, DETERMINE AND ORDER, AS FOLLOWS:

Section 1. The Report, the Update and the Plan of the City are hereby approved, adopted and incorporated herein by reference.

Section 2. The purpose and use of the Fire Protection Fee is to provide financing for land acquisition, construction, equipping and related capital costs for fire station facilities necessary to mitigate the demand for additional fire protection and emergency medical services created by new development.

Section 3. All new development contributes to an increased demand for expanded fire protection, emergency medical services and fire station facilities within the City, therefore, all new development will be subject to the Fire Protection Fee.

Section 4. Development of new fire station facilities will increase the ability of the City and the District to accommodate the increased demand for fire protection and emergency medical services generated by new development.

Section 5. The Fire Protection Fee is based upon gross square-footage for all development.

Section 6. The amount of the Fire Protection Fee identified in Ordinance No. 612 hereby remains at its rate of \$.8426 per gross square-foot of new floor area. The amount of the Fire Protection Fee shall be adjusted annually by determination of the District.

Section 7. The Fire Protection Fee established herein is in effect in the amount described, and shall continue to apply to the issuance of any building permit, for any residential or non-residential development issued by the City of Lancaster.

Mark V. Bozigian, City Manager
City of Lancaster
44933 N. Fern Avenue
Lancaster, CA 93534-2461

Dear Mr. Bozigian:

On November 18, 2014, the Board of Supervisors of the County of Los Angeles (Board) adopted the updated Consolidated Fire Protection District (District) Developer Fee Program. No change was made to the current developer fee rate of \$.8426 per square foot of new development in the Antelope Valley Developer Fee Area of Benefit (Area of Benefit 3). Enclosed is a copy of the Board-approved Resolution adopting the updated Developer Fee Program.

Pursuant to the Developer Fee Agreement between the District and the City of Lancaster (City), the City must adopt the updated Fire Station Plan within 60 days of Board adoption. Please have a copy of your City resolution approving the update sent to my office for our records.

Thank you for your City's continued participation in this vital program that provides essential funding for fire protection facilities and equipment for your community.

Very truly yours,

LORRAINE BUCK, ACTING CHIEF

**RESOLUTION OF THE BOARD OF SUPERVISORS OF THE
COUNTY OF LOS ANGELES TO UPDATE THE COUNTY OF LOS ANGELES
DEVELOPER FEE PROGRAM FOR THE BENEFIT OF
THE CONSOLIDATED FIRE PROTECTION DISTRICT AND TO CONSIDER
THE DEVELOPER FEE FUNDS 2013-14 FISCAL YEAR END REPORT**

WHEREAS, on July 12, 1990, the Board of Supervisors of the County of Los Angeles approved and adopted a County of Los Angeles Developer Fee Program for the benefit of the Consolidated Fire Protection District of Los Angeles County (Developer Fee Program) in Area of Benefit 1, Malibu/Santa Monica Mountains, Area of Benefit 2, Santa Clarita Valley, and Area of Benefit 3, Antelope Valley (collectively, "Areas of Benefit") effective August 1, 1990, which Developer Fee Program is to be updated annually thereafter; and

WHEREAS, the City of Calabasas is located in the Malibu/Santa Monica Mountains Area of Benefit and the City Council of the City of Calabasas has entered into a Joint Powers Agreement with the County of Los Angeles in which the City and County jointly agreed to exercise the power to levy the Developer Fee in the City and to authorize the Board of Supervisors to conduct all proceedings in connection with the levy of fees and modifications of the fee amount within the City; and

WHEREAS, the County of Los Angeles desires to update the Developer Fee Program, which includes the amount of the fee and the Developer Fee Detailed Fire Station Plan, in accordance with Government Code Section 66002; and

WHEREAS, the need for increased fire service resources to maintain services is generated by new development; and

WHEREAS, proposed developments in areas which are designated in the Los Angeles County General Plan as urban expansion areas and areas identified as emerging expansion areas require additional fire protection resources to maintain services; and

WHEREAS, without additional fire stations and equipment, there will be insufficient resources to maintain an adequate level of fire protection services in areas of emerging urban expansion in Los Angeles County; and

WHEREAS, the Areas of Benefit of the Malibu/Santa Monica Mountains, the Santa Clarita Valley, and the Antelope Valley are emerging urban expansion areas; and

WHEREAS, the Consolidated Fire Protection District of Los Angeles County has prepared the 2014 Developer Fee Update Fee Calculation Summary and the updated Developer Fee Detailed Fire Station Plan dated September 2014 which identifies planned fire station facilities to be developed in the Areas of Benefit to accommodate emerging urban expansion and for which funding is to be provided through Developer Fee revenues generated within the Areas of Benefit; and

WHEREAS, the Consolidated Fire Protection District has prepared the Developer Fee Funds 2013-14 Fiscal Year-End Report in accordance with Government Code Section 66006.

NOW, THEREFORE, the Board of Supervisors resolves, finds, and determines that:

1. The foregoing recitals are true and correct.
2. The Developer Fee Program is for the purpose of generating funds for capital projects necessary to maintain fire protection services within the existing service areas of the Consolidated Fire Protection District of Los Angeles County, and is statutorily exempt per Section 15273(a)(4) of the California Environmental Quality Act Guidelines developed by the State Office of Planning and Research.
3. On November 18, 2014, a public hearing was held to update and consider: 1) the updated Developer Fee Detailed Fire Station Plan dated September 2014 (Attachment A) attached hereto and incorporated herein, which serves as the Developer Fee capital improvement plan and describes the acquisition, construction, installation, and equipping of fire stations to be funded with developer fee revenue; 2) the Developer Fee Update Fee Calculation Summary (Attachment B) attached hereto and incorporated herein, which imposes a separate fee calculation for each Area of Benefit based upon actual fire station development costs experienced in each of the three areas; and 3) the Developer Fee Funds 2013-14 Fiscal Year-End Report (Attachment C).
4. Based on the foregoing recitals, the updated Developer Fee Detailed Fire Station Plan dated September 2014, and the 2014 Developer Fee Update Fee Calculation Summary, there are reasonable relationships between: 1) the Developer Fee's use and the type of development projects on which the Developer Fee is imposed; 2) the need for fire station facilities and the type of development project on which the Developer Fee is imposed; and 3) the amount of the Developer Fee and the cost of all or a portion of the fire station facilities attributable to the development on which the Developer Fee is imposed.
5. The Board of Supervisors approves and adopts the updated Developer Fee Program in the Areas of Benefit of the Consolidated Fire Protection District of Los Angeles County as follows:
 - a) The updated Detailed Fire Station Plan dated September 2014 is approved and adopted;
 - b) The 2014 Developer Fee Update Fee Calculation Summary is approved and adopted;

- c) The updated Developer Fee amount per square foot of the new floor areas of buildings of \$1.0574 in Area of Benefit 2 is approved and shall become effective in the unincorporated areas within Area of Benefit 2 on February 1, 2015;
- d) The Developer Fee Funds 2013-14 Fiscal Year-End Report is approved and adopted; and
- e) All other terms and provisions of the Developer Fee Program as previously adopted by the Board of Supervisors of the County of Los Angeles shall remain unchanged and in full force and effect.

The foregoing resolution was adopted on the 18th day of November, 2014, by the BOARD OF SUPERVISORS OF THE COUNTY OF LOS ANGELES.

SACHI A. HAMAI, Executive Officer
Clerk of the Board of Supervisors

DEVELOPER FEE DETAILED FIRE STATION PLAN

FOR THE

**COUNTY OF LOS ANGELES DEVELOPER FEE PROGRAM
FOR THE BENEFIT OF THE
CONSOLIDATED FIRE PROTECTION DISTRICT
OF LOS ANGELES COUNTY**

SEPTEMBER 2014

DEVELOPER FEE DETAILED FIRE STATION PLAN

PREFACE

This Developer Fee Detailed Fire Station Plan (Plan) reflects the Consolidated Fire Protection District's (Fire District) fire service requirements as of September 2014 based upon growth projections and contacts with cities and developers who have shared their development plans with the Fire District.

The Plan identifies 20 additional fire stations, one temporary fire station, a replacement station, two helispots, and the necessary capital equipment that will be required in the Areas of Benefit as well as the anticipated costs and time frames provided that development occurs as expected. The anticipated costs identified in the Plan will be funded by Developer Fee revenues or funds which the Fire District has advanced from other sources. These advances will be repaid to the Fire District when sufficient Developer Fee revenue is generated.

Terms Used in Plan

Explanation

Fire Station/Location	In most cases a site has not yet been acquired; the locations are therefore approximate.
Anticipated Capital Project cost	<ul style="list-style-type: none">• Where actual costs are not yet available, the anticipated capital projects costs are based upon the Fire District's current cost experienced for construction, land and equipment.• Apparatus cost includes the full cost of the apparatus as well as outfitting and equipment costs.• No Fire District overhead costs nor an inflation factor are applied; all figures are based on current costs.• Developer Fee credit may be granted for the conveyance of a site, apparatus, or construction of a fire station to help offset the impact of development on the Fire District.
Project Cost Estimate	Based on average costs for fire stations recently completed and stations under development; includes plans, specifications, consultant services, plan check, permit and inspection fees, construction, project management, furnishings, and equipment.
Amount Budgeted	The amount budgeted could be from Developer Fee funds collected or advanced from Fire District general revenues or certificates or participation. All advances made and/or interest incurred by the Fire District to finance station development are to be repaid when Developer Fee revenues are sufficient. If no amount is budgeted, the development of the fire station may be delayed until Developer Fee revenues are sufficient to fund the site acquisition and/or construction of the fire station.
Equipment and Staffing	This plan reflects the proposed staffing and equipment to be implemented when each station and the development served by each station are built out in the respective areas of benefit. In many instances, a transitional staffing configuration will be utilized until build out occurs.
Fiscal Year	The Fiscal Year period begins July 1 and ends June 30.
Initiating Priority Year/ Target Occupancy	Refers to the fiscal year that the land acquisition or construction of the fire station is anticipated to begin. Target occupancy is approximately one to two years from the actual start of construction.

DEVELOPER FEE DETAILED FIRE STATION PLAN
UPDATE - SEPTEMBER 2014

STATION OPERATIONAL: REIMBURSEMENT PENDING

Fire Station	Capital Project Costs	Funding Source	Size, Equipment and Staffing	Comments
Fire Station 156 24505 Copper Hill Drive Rye Canyon Area Santa Clarita Valley	Land \$ - Project cost 7,512,226 Apparatus - Total \$7,512,226	Commercial Paper Proceeds*	11,152 sq. ft. Engine	Land was acquired from Newhall Land for a fire station site in 2008-09 in exchange for developer fee credit. Apparatus for this permanent Fire Station 156 was transferred from Temporary Fire Station 156. The fire station was completed and operational in 2011.
Fire Station 128 28450 Whites Canyon Rd. Santa Clarita Valley	Land \$ - Project cost 8,498,287 Apparatus 568,685 Total \$9,066,972	Commercial Paper Proceeds*	9,976 sq. ft. Engine	The site was conveyed to the Fire District by the developer, Shappell Industries (VTTM 46018) for developer fee credit in 2006-07. Partial funding of the station in the amount of \$3.6 million was provided by the American Recovery and Reimbursement Act. The fire station was completed and operational 3/1/12.
Fire Station 132 Wes Thompson Ranch 29310 Sand Canyon Rd. Santa Clarita Valley	Land \$ - Project cost 8,127,838 Apparatus - Total \$8,127,838	Commercial Paper Proceeds*	9,746 sq. ft. Engine	Ownership of the fire station site was conveyed by K Hovnanian (VTTM 49621) to the Fire District in 2008-09. Apparatus for this permanent Fire Station 132 was transferred from temporary Fire Station 132. The station was completed and operational 3/12/12.
Fire Station 150 19190 Golden Valley Rd. Santa Clarita Valley	Land \$ - Project cost 10,762,098 Apparatus 568,685 Total \$11,330,783	Commercial Paper Proceeds*	19,935 sq. ft. Haz. Mat. Task Force (Engine and Squad) BC HQ AC HQ	Land was conveyed to the Fire District by the developer, Pardee Homes, in 2009-10. A Haz. Mat. Task Force assigned to Fire Station 76 was reassigned to staff this station. The apparatus cost is for the engine placed in service at Fire Station 76 to replace the Haz Mat. Task Force. The fire station was completed and operational 2/1/2013.

*The District is financing costs that exceed the developer fee funds available within Area 2 - Santa Clarita Area of Benefit. The District will be reimbursed the costs it advances, including any interest and administrative charges, from Area 2 as revenues are collected, and from the City of Santa Clarita for the City's proportionate share of fire station facilities financing.
