TO: Mayor Parris and City Council Members

FROM: Councilmember Ken Mann

DATE: April 14, 2015

SUBJECT: **Report on the Activities of the Board of Directors for District No. 14 of the County Sanitation Districts of Los Angeles County**

Recommendation:

Receive a report of the proceedings and issues discussed at the March 26, 2015 District No. 14 Board of Directors meeting of the County Sanitation Districts of Los Angeles County.

Background:

District No. 14 of the County Sanitation Districts of Los Angeles County is organized to receive through their trunk sewers the wastewater from all of the City of Lancaster, a small region of the westerly portion of the City of Palmdale, and a smaller region of the unincorporated County of Los Angeles. A Board of Directors comprised of a representative from each city and the County generally meets monthly to review and decide upon the business of the District.

The Board of Directors considered the following agenda items at the March 26, 2015 meeting:

- Approved minutes of meeting held February 12, 2015.
- Approved warrants in the amount of \$250,387.03. The warrants issued by the District are for costs incurred for operation and maintenance, such as electricity, water, telephone, and chemicals, and for relatively small capital projects. Expenditures are made in accordance with the guidelines established by the budget procedure and the purchasing policy that has been adopted by the Board.
- Approved departmental invoices in the total amount of \$1,730,334.32 for the months of January and February, 2015. The invoices are an internal document that transfers each District's proportionate share of expenditures made by District No. 2, the administrative District, on behalf of the participating Districts in accordance with the authority granted through the approved annual budget and applicable joint powers agreement.
- Received a briefing on the Proposed Budget for Fiscal Year 2015-2016.
