Subject: **Affirm Letter of Agreement for Pavement Rehabilitation on Avenue M,  
between 4<sup>th</sup> Street East and Challenger Way**

---

**Recommendation:**

Affirm letter of agreement to City of Palmdale that upon completion of the scope of work described in the letter of agreement, the City of Lancaster will pay their jurisdictional share of the pavement rehabilitation activities on Avenue M, between 4<sup>th</sup> Street East and Challenger Way.

**Fiscal Impact:**

\$148,452.00; sufficient funds are available in the Capital Improvement Budget Account No. 203-12ST034-924.

**Background:**

The City of Palmdale is proceeding with pavement rehabilitation efforts associated with their Columbia Way (Avenue M) Sewer Mainline Project (Project No 14-09). Their original scope of work included the paving improvements south of centerline along Avenue M, which is where the sewer line was constructed, and restriping the full width of Avenue M within the project boundaries. Subsequent to the sewer construction, the City of Palmdale offered to extend the scope of work to include the City of Lancaster's portion of Avenue M within the project boundaries. The City's portion of Avenue M lies north of centerline between 4<sup>th</sup> Street East and Challenger Way.

After review of the proposed scope of work and associated costs, the City of Lancaster has agreed to pay their jurisdictional share of the pavement rehabilitation. The work shall include 1.5" pavement grinding, 1.5" asphalt concrete overlay, shoulder backing and associated traffic control. Partnership opportunities with adjacent jurisdictions help us continue to provide improved service to our citizens.
