PUBLIC MEETING

Help Lancaster Adopt its ADA Self-Evaluation and Transition Plan

May 4, 2015

1 – 2 p.m.

Lancaster Senior Center

777 W. Jackman Street

In order to provide accessible services for all residents and visitors, the City of Lancaster has developed an Americans with Disabilities Act (ADA) Self-Evaluation and Transition Plan. The City would like feedback and comments on the Draft ADA Transition Plan; and we would like to hear from **you**.

During this public meeting, you will learn about the ADA Transition Plan process and what the plan entails. You will have the opportunity to express your concerns and have your questions answered regarding the accessibility of City services and facilities. The City will include your input in the final ADA Transition Plan. The Draft Plan will be available on the City's website prior to the meeting on April 29, 2015. Please visit www.cityoflanasterca.org to download a copy.
