**Recommendations:**

Adopt **Resolution No. 15-54**, amending Resolution 15-31 establishing a compensation schedule for temporary employees of the City.

**Fiscal Impact:**

None.

**Background:**

In order to continue to provide a high level of service delivery within the Parks, Recreation & Arts Department, we recommend establishing the temporary classification of Restaurant Server in the event it becomes necessary. This classification has an hourly salary range of \$10.00 - \$10.83. Staff recommends that the City Council approve this action.
