STAFF REPORT

Lancaster Successor Agency Oversight Board

NB 1 10/20/15 MVB

DATE: October 20, 2015

TO: Chair Brubaker and Board Members

FROM: Vern Lawson, Economic Development Director of the City of Lancaster

SUBJECT: Amendment to the Long Range Property Management Plan of the Lancaster

Successor Agency and direct staff to submit to the California Department of

Finance

Recommendation:

Adopt **Resolution No. OB 16-15** approving an Amendment to the Long Range Property Management Plan as detailed in Attachment A and directing staff to submit to the California Department of Finance.

Fiscal Impact:

There is minimal fiscal impact to the Successor Agency ("SA") associated with the adoption of the Amendment to the Long Range Property Management Plan ("Amended LRPMP"). Once the Amended LRPMP is approved by the California Department of Finance ("DOF"), any property designated as For Sale will result in the sale proceeds being distributed to the affected taxing entities, net of the related costs associated with the sales transaction.

Background:

As the proposed Amendment to the Long Range Property Management Plan encompasses two components, it will accomplish two goals. First, it will empower the Successor Agency to reclassify properties previously designated as Retention for Future Development to a designation of For Sale. The Successor Agency may then have the ability to engage prospective buyers of former redevelopment agency properties and fulfill the intent of AB 1484. Second, it will employ the recently enacted SB 107 to reclassify public parking lots, currently designated as Retention for Future Development, to the designation of Governmental Use, thus preserving these parking lots for public use in accordance with their original and ongoing purpose.

Within six months after receiving a Finding of Completion from the DOF, all successor agencies of former redevelopment agencies owning property as of the time of redevelopment dissolution in 2011 are required to prepare a Long Range Property Management Plan ("LRPMP"). The LRPMP governs the disposition and use of property held by the former redevelopment agency. The Successor Agency received approval from DOF of its PMP on February 21, 2014.

Since receiving approval of the LRPMP, the SA has exercised due diligence in implementing the Plan. As a part of that due diligence, the Successor Agency's efforts have been met with challenges in the disposition of properties designated as Retention for Future Development. In order to move forward with disposition of the properties in this classification, compensation agreements with all the affected taxing entities are required prior to a sale. In many project areas, there are up to 20 taxing entities.

While the compensation agreement requirement is excellent in theory, in practice, it has proven impossible. At this time, SA staff believes the best course of action going forward is to fulfill the intent of AB 1484 and ABx1 26, and dispose of the property in an "expeditious" manner and "in a manner aimed at maximizing value." To that end, the SA is recommending approval of an Amendment to the LRPMP to change the permissible use category for all properties currently under the Retention for Future Development category. The Amended LRPMP would a) reclassify public parking lots as Governmental Use to preserve their use by the public, and b) change all remaining properties currently classified as Retention for Future Development to the For Sale category. These actions are in accordance with SB 107 and AB 1484.

The sale and ultimate disposition of the assets identified For Sale within the Amended LRPMP will be initiated after approval by DOF has been obtained. Properties reclassified as For Sale may be individually marketed and/or assembled for development opportunities, which will provide the maximum benefits including job creation, increased economic activity, as well as public services to the City and community.

The Lancaster Successor Agency approved the Amendment to the Long Range Property Management Plan on October 13, 2015. If approved by the Oversight Board, this Amendment will then be transmitted to the Department of Finance for final approval.

STAFF REPORT

Lancaster Successor Agency Oversight Board

NB 2 10/20/15 MVB

DATE: October 20, 2015

TO: Chair Brubaker and Board Members

FROM: Vern Lawson, Economic Development Director of the City of Lancaster

SUBJECT: Sale of Property to Viper Enterprises

Recommendation:

Adopt **Resolution No. OB 17-15** approving the sale of property to Viper Enterprises.

Fiscal Impact:

Minimal; the property would be sold for approximately \$4.00 per square foot, yielding \$932,000 for the parcel. As the property in question belongs to the Successor Agency to the former Lancaster Redevelopment Agency, these funds would be forwarded to Los Angeles County for disbursement to the affected taxing agencies.

Background:

The Lancaster Auto Mall has become a retail epicenter for the entire Antelope Valley economic region. The quality of the vehicles, availability of selection, and reputation of the dealerships have never been better. As this locally-owned group of family-operated dealerships generates a substantial amount of sales tax revenue to fund essential City services, the City regularly seeks opportunities to cooperate with auto dealers who are looking to expand in an effort to capture a still greater share of the market.

To this end, we are proposing that the Oversight Board take action to accept an offer from Viper Enterprises, owners of Lancaster Auto Mall's existing Hunter Dodge Chrysler Jeep Ram and Hunter Fiat dealerships, for the purchase of vacant land proximate to the Auto Mall. This sale will allow Viper Enterprises the opportunity to expand their operations, thus creating new jobs while also continuing to expand Lancaster's tax base.

This transaction was approved by the Lancaster Successor Agency to the former Redevelopment Agency on October 13, 2015. The purchase offer is all cash at \$4.00 per square foot, bringing the total consideration to \$932,000 for the approximately 5.38-acre parcel. As the property in question belongs to the Successor Agency to the former Lancaster Redevelopment Agency, these funds will be forwarded to Los Angeles County for disbursement to the affected taxing agencies.

A RESOLUTION OF THE LANCASTER SUCCESSOR AGENCY OVERSIGHT BOARD APPROVING THE SALE OF PROPERTY TO VIPER ENTERPRISES

WHEREAS, the Lancaster Successor Agency Oversight Board (Oversight Board) has been established to direct the Successor Agency to take certain actions to wind down the affairs of the Lancaster Redevelopment Agency in accordance with the California Health and Safety Code; and
