Nothing in this Indenture shall prevent the Successor Agency from making advances of its own funds, however derived, to any of the uses and purposes mentioned in this Indenture.

The Successor Agency shall have the right to defease the Bonds and be discharged from the lien of this Indenture in accordance with the provision of Section 9.3 hereof. If the Successor Agency shall cause to be paid, or shall have made provision to pay upon maturity or upon redemption prior to maturity, to the Bondowners the principal of, premium, if any, and interest to become due on the Bonds, through setting aside trust funds or setting apart in a reserve fund or special trust account created pursuant to this Indenture or otherwise, or through the irrevocable segregation for that purpose in some sinking fund or other fund or trust account with a fiscal agent or otherwise, moneys sufficient therefor, including, but not limited to, interest earned or to be earned on the investment of such funds, then the lien of this Indenture, including, without limitation, the pledge of the Pledged Tax Revenues, and all other rights granted hereby, shall cease, terminate and become void and be discharged and satisfied, and the principal of, premium, if any, and interest on the Bonds shall no longer be deemed to be outstanding and unpaid; provided, however, that nothing in this Indenture shall require the deposit of more than such amount as may be sufficient, taking into account both the principal amount of such funds and the interest to become due on the investment thereof, to implement any refunding of the Bonds.

Section 2.2 Term of Bonds.

(a) The Bonds shall be issued in fully registered form without coupons in denominations of \$5,000 or any integral multiple thereof and the Bonds shall mature on February 1, in the years and in the amounts and shall bear interest at the rate per annum as follows:

Both the principal of and interest and premium (if any) on the Bonds shall be payable in lawful money of the United States of America Interest shall be calculated based upon a 360-day year of twelve thirty-day months.

Each Bond shall be initially dated as of the Delivery Date and shall bear interest from the Interest Payment Date next preceding the date of authentication thereof, unless (a) it is authenticated after a Regular Record Date and on or before the following Interest Payment Date, in which event it shall bear interest from such Interest Payment Date; or (b) a Bond is authenticated on or before July 15, 2016, in which event it shall bear interest from the Delivery Date; provided, however, that if, as of the date of authentication of any Bond, interest thereon is in default, such Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment thereon.

Section 2.3 Redemption of Bonds.

(a) Optional Redemption. The Bonds are subject to redemption prior to maturity in whole, or in part in the manner determined by the Successor Agency, on any date on or after February 1, [2025], from any available source of funds, at a redemption price (expressed as a percentage of the principal amount of the Bonds to be redeemed) as follows, together with accrued interest thereon to the redemption date, without premium.

The Successor Agency shall be required to give the Trustee written notice of its intention to redeem Bonds under this subsection (a) at least 40 days prior to the date fixed for such redemption, and shall transfer to the Trustee for deposit in the Redemption Account all amounts required for such redemption at least five (5) Business Days prior to the date fixed for such redemption; provided, the Trustee may waive such requirements in its sole discretion upon written request of the Successor Agency.

(b) Sinking Account Redemption. The Term Bonds maturing on February 1, 20__ and February 1, 20__ are subject to redemption in part by lot on February 1 in each year shown in the respective tables below until maturity, from sinking account payments made by the Successor Agency, at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest thereon to the redemption date, without premium, in the aggregate respective principal amounts and on the respective dates as set forth in the following tables; provided, however, that if some but not all of the Bonds have been redeemed the total amount of all future sinking account payments will be reduced by an amount corresponding to the aggregate principal amount of Bonds so redeemed, to be allocated among such sinking account payments on a pro rata basis in integral multiples of \$5,000 as determined by the Successor Agency (notice of which determination will be given by the Successor Agency to the Trustee):

---	---

(maturity)

Term Bonds Maturing in 20__

<i>Redemption Date</i> <i>(February 1)</i>	<i>Principal Amount to be</i> <i>Redeemed or Purchased</i>
---	---

(maturity)

(c) Partial Redemption of Bonds. In the event only a portion of any Bond is called for redemption, then upon surrender of such Bond the Successor Agency shall execute and the Trustee shall authenticate and deliver to the Owner thereof, at the expense of the Successor Agency, a new Bond or Bonds of the same interest rate and maturity, of authorized denominations in an aggregate principal amount equal to the unredeemed portion of the Bond to be redeemed.

(d) Effect of Redemption. From and after the date fixed for redemption, if funds available for the payment of the redemption price of and interest on the Bonds so called for redemption shall have been duly deposited with the Trustee, such Bonds so called such cease to be entitled to any benefit under this Indenture other than the right to receive payment of the redemption price and accrued interest to the redemption date, and no interest shall accrue thereon from and after the redemption date specified in such notice.

(e) Manner of Redemption. Whenever any Bonds or portions thereof are to be selected for redemption by lot, the Trustee shall make such selection, in such manner as the Trustee shall deem appropriate, and shall assign to each Bond then Outstanding a distinctive number for each \$5,000 of the principal amount of each such Bond. The Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected, but only so much of the principal amount of each such Bond so selected. All Bonds redeemed or purchased pursuant to this Section 2.3 shall be canceled and destroyed by the Trustee.

(f) Purchase in Lieu of Redemption. In lieu of sinking account redemption of Bonds, amounts on deposit in the Redevelopment Obligation Retirement Fund (to the extent not required to be transferred to the Trustee during the current Bond Year) may also be used and withdrawn by the Successor Agency at any time for the purchase of the Bonds at public or private sale as and when and at such prices (including brokerage and other charges and including accrued interest) as the Successor Agency may in its discretion determine. The par amount of any of the Bonds so purchased by the Successor Agency and surrendered to the Trustee for cancellation in any twelve-month period ending on July 15 in any year will be credited towards and will reduce the principal amount of the Bonds otherwise required to be redeemed on the following February 1 pursuant to this Indenture.

(g) Notice of Redemption. The Trustee on behalf of and at the expense of the Successor Agency will mail (by first class mail, postage prepaid) notice of any redemption at least thirty (30) but not more than sixty (60) days prior to the redemption date, to (i) the Owners of any Bonds designated for redemption at their respective addresses appearing on the Registration Books, and (ii) to the Securities Depositories designated in a Written Request of the Successor Agency filed with the Trustee at the time the Successor Agency notifies the Trustee of its intention to redeem Bonds; but such mailing will not be a condition precedent to such redemption and neither failure to receive any such notice nor any defect therein will affect the validity of the proceedings for the

redemption of such Bonds or the cessation of the accrual of interest thereon. Such notice will state the redemption date and the redemption price, will designate the CUSIP number of the Bonds to be redeemed, state the individual number of each Bond to be redeemed or state that all Bonds between two stated numbers (both inclusive) or all of the Bonds Outstanding (or all Bonds of a maturity) are to be redeemed, and will require that such Bonds be then surrendered at the Trust Office of the Trustee for redemption at the said redemption price, giving notice also that further interest on such Bonds will not accrue from and after the redemption date.

The Successor Agency shall have the right to rescind any optional redemption by written notice to the Trustee on or prior to the date fixed for redemption. Any such notice of optional redemption shall be canceled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under this Indenture. The Successor Agency and the Trustee shall have no liability to the Owners or any other party related to or arising from such rescission of redemption. The Trustee shall mail notice of such rescission of redemption in the same manner and to the same recipients as the original notice of redemption was sent.

(h) Purchase In Open Market. Amounts on deposit in the Redevelopment Obligation Retirement Fund (to the extent not required to be transferred to the Trustee during the current Bond Year and to the extent permitted by the Dissolution Act) may also be used and withdrawn by the Successor Agency at any time for the purchase of the Bonds at public or private sale as and when and at such prices (including brokerage and other charges and including accrued interest) as the Successor Agency may in its discretion determine. The Bonds so purchased by the Successor Agency shall be surrendered to the Trustee for cancellation and shall no longer be Outstanding.

(i) The Trustee on behalf of and at the expense of the Successor Agency will mail (by first class mail, postage prepaid) notice of any redemption at least thirty (30) but not more than sixty (60) days prior to the redemption date, to (i) the Owners of any Bonds designated for redemption at their respective addresses appearing on the Registration Books, and (ii) to the Securities Depositories and to the Information Services designated in a Written Request of the Successor Agency filed with the Trustee at the time the Successor Agency notifies the Trustee of its intention to redeem Bonds; but such mailing will not be a condition precedent to such redemption and neither failure to receive any such notice nor any defect therein will affect the validity of the proceedings for the redemption of such Bonds or the cessation of the accrual of interest thereon. Such notice will state the redemption date and the redemption price, will designate the CUSIP number of the Bonds to be redeemed, state the individual number of each Bond to be redeemed or state that all Bonds between two stated numbers (both inclusive) or all of the Bonds Outstanding (or all Bonds of a maturity) are to be redeemed, and will require that such Bonds be then surrendered at the Trust Office of the Trustee for redemption at the said redemption price, giving notice also that further interest on such Bonds will not accrue from and after the redemption date.

The Successor Agency shall have the right to rescind any optional redemption by written notice to the Trustee at least fifteen (15) days prior to the date fixed for redemption. Any notice of optional redemption shall be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under this Indenture. The Successor Agency and the Trustee shall have no liability to the Owners or any other party related to

or arising from such rescission of redemption. The Trustee shall mail notice of such rescission of redemption in the same manner as the original notice of redemption was sent.

Section 2.4 Form of Bonds. The Bonds, the form of Trustee's certificate of authentication, and the form of assignment to appear thereon, shall be substantially in the form set forth in Exhibit A attached hereto and by this reference incorporated herein, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Indenture.

Section 2.5 Execution of Bonds. The Bonds shall be executed on behalf of the Successor Agency by the signature of its Chair and the signature of its Secretary who are in office on the date of execution and delivery of this Indenture or at any time thereafter. Either or both of such signatures may be made manually or may be affixed by facsimile thereof. If any officer whose signature appears on any Bond ceases to be such officer before delivery of the Bonds to the purchaser, such signature shall nevertheless be as effective as if the officer had remained in office until the delivery of the Bonds to the purchaser. Any Bond may be signed and attested on behalf of the Successor Agency by such persons as at the actual date of the execution of such Bond shall be the proper officers of the Successor Agency although on the date of such Bond any such person shall not have been such officer of the Successor Agency.

Only such of the Bonds as shall bear thereon a certificate of authentication in the form set forth in Exhibit A hereto, manually executed and dated by and in the name of the Trustee by the Trustee, shall be valid or obligatory for any purpose or entitled to the benefits of this Indenture, and such certificate of the Trustee shall be conclusive evidence that such Bonds have been duly authenticated and delivered hereunder and are entitled to the benefits of this Indenture. In the event temporary Bonds are issued pursuant to Section 2.9 hereof, the temporary Bonds shall bear thereon a certificate of authentication manually executed and dated by the Trustee, shall be initially registered by the Trustee, and, until so exchanged as provided under Section 2.9 hereof, the temporary Bonds shall be entitled to the same benefits pursuant to this Indenture as definitive Bonds authenticated and delivered hereunder.

Section 2.6 Transfer of Bonds. Any Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the person in whose name it is registered, in person or by a duly authorized attorney of such person, upon surrender of such Bond to the Trustee at its Trust Office for cancellation, accompanied by delivery of a written instrument of transfer in a form acceptable to the Trustee, duly executed. Whenever any Bond or Bonds shall be surrendered for registration of transfer, the Successor Agency shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds, of like series, interest rate, maturity and principal amount of authorized denominations. The Trustee shall collect any tax or other governmental charge on the transfer of any Bonds pursuant to this Section 2.6. The cost of printing any Bonds and any services rendered or any expenses incurred by the Trustee in connection with any exchange or transfer shall be paid by the Successor Agency.

The Trustee may refuse to transfer, under the provisions of this Section 2.6, either (a) any Bonds during the period established by the Trustee for the selection of Bonds for redemption, or (b) any Bonds selected by the Trustee for redemption pursuant to the provisions of Section 2.3.

Section 2.7 Exchange of Bonds. Bonds may be exchanged at the Trust Office of the Trustee for a like aggregate principal amount of Bonds of other authorized denominations of the same series, interest rate and maturity. The Trustee shall collect any tax or other governmental

charge on the exchange of any Bonds pursuant to this Section 2.7. The cost of printing any Bonds and any services rendered or any expenses incurred by the Trustee in connection with any exchange or transfer shall be paid by the Successor Agency.

The Trustee may refuse to exchange, under the provisions of this Section 2.7, either (a) any Bonds during the period established by the Trustee for the selection of Bonds for redemption or (b) any Bonds selected by the Trustee for redemption pursuant to the provisions of Section 2.3.

Section 2.8 Registration Books. The Trustee will keep or cause to be kept, at its Trust Office, sufficient records for the registration and registration of transfer of the Bonds, which shall at all times during normal business hours be open to inspection by the Successor Agency with reasonable prior notice; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on the Registration Books, Bonds as hereinbefore provided.

Section 2.9 Temporary Bonds. The Bonds may be initially issued in temporary form exchangeable for definitive Bonds when ready for delivery. The temporary Bonds may be printed, lithographed or typewritten, shall be of such denominations as may be determined by the Successor Agency, and may contain such reference to any of the provisions of this Indenture as may be appropriate. Every temporary Bond shall be executed by the Successor Agency upon the same conditions and in substantially the same manner as the definitive Bonds. If the Successor Agency issues temporary Bonds it will execute and furnish definitive Bonds without delay, and thereupon the temporary Bonds shall be surrendered, for cancellation, in exchange therefor at the Trust Office of the Trustee, and the Trustee shall deliver in exchange for such temporary Bonds an equal aggregate principal amount of definitive Bonds of authorized denominations. Until so exchanged, the temporary Bonds shall be entitled to the same benefits pursuant to this Indenture as definitive Bonds authenticated and delivered hereunder.

Section 2.10 Bonds Mutilated, Lost, Destroyed or Stolen. If any Bond shall become mutilated, the Successor Agency, at the expense of the Owner of such Bond, shall execute, and the Trustee shall thereupon deliver, a new Bond of like amount and maturity in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of the Bond so mutilated. Every mutilated Bond so surrendered to the Trustee shall be canceled by it. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Successor Agency and the Trustee and, if such evidence is satisfactory to both and indemnity satisfactory to them shall be given, the Successor Agency, at the expense of the Owner, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like amount and maturity in lieu of and in substitution for the Bond so lost, destroyed or stolen. The Successor Agency may require payment of a sum not exceeding the actual cost of preparing each new Bond issued under this Section 2.10 and of the expenses which may be incurred by the Successor Agency and the Trustee in the premises. Any Bond issued under the provisions of this Section in lieu of any Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the Successor Agency whether or not the Bond so alleged to be lost, destroyed or stolen shall be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Indenture with all other Bonds issued pursuant to this Indenture.

Section 2.11 Book-Entry Only System. It is intended that the Bonds, be registered so as to participate in a securities depository system with DTC (the "DTC System"), as set forth herein. The Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the

maturities of the Bonds in the name of Hilltop Securities, Inc. and shall thereafter be assigned to and registered in the name of Cede & Co., as nominee of DTC. The Successor Agency and the Trustee are authorized to execute and deliver such letters to or agreements with DTC as shall be necessary to effectuate the DTC System, including a representation letter in the form required by DTC (the "Representation Letter"). In the event of any conflict between the terms of any such letter or agreement, including the Representation Letter, and the terms of this Indenture, the terms of this Indenture shall control. DTC may exercise the rights of a Bondowner only in accordance with the terms hereof applicable to the exercise of such rights.

With respect to the Bonds registered in the books of the Trustee in the name of Cede & Co., as nominee of DTC, the Successor Agency and the Trustee, shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which DTC holds Bonds from time to time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein as a "DTC Participant") or to any person on behalf of whom such a DTC Participant directly or indirectly holds an interest in the Bonds (each such person being herein referred to as an "Indirect Participant"). Without limiting the immediately preceding sentence, Successor Agency and the Trustee shall have no responsibility or obligation with respect to (a) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (b) the delivery to any DTC Participant or any Indirect Participant or any other person, other than a Bondowner, as shown in the Register, of any notice with respect to the Bonds, including any notice of redemption, (c) the payment to any DTC Participant or Indirect Participant or any other Person, other than a Bondowner, as shown in the Register, of any amount with respect to principal of, premium, if any, or interest on, the Bonds or (d) any consent given by DTC as registered owner. So long as certificates for the Bonds are not issued pursuant to Section 2.12 and the Bonds are registered to DTC, the Successor Agency, and the Trustee shall treat DTC or any successor securities depository as, and deem DTC or any successor securities depository to be, the absolute owner of the Bonds for all purposes whatsoever, including without limitation (i) the payment of principal and interest on the Bonds, (ii) giving notice of redemption and other matters with respect to the Bonds, (iii) registering transfers with respect to the Bonds and (iv) the selection of Bonds for redemption. While in the DTC System, no person other than Cede & Co., or any successor thereto, as nominee for DTC, shall receive a Bond certificate with respect to any Bond. Notwithstanding any other provision of this Indenture to the contrary, so long as any of the Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bonds and all notices with respect to such Bonds shall be made and given, respectively, in the manner provided in the Representation Letter.

Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Indenture with respect to interest checks being mailed to the registered owner at the close of business on the Record Date applicable to any Interest Payment Date, the name "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

Section 2.12 Successor Securities Depository; Transfers Outside Book-Entry Only System. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving written notice to the Successor Agency and the Trustee and discharging its responsibilities with respect thereto under applicable law. The Successor Agency, without the consent of any other person, but following written notice to the Successor Agency and the Trustee, may terminate the services of DTC with respect to the Bonds. Upon the discontinuance or termination of the services of DTC with respect to the Bonds pursuant to the foregoing provisions, unless a substitute securities

depository is appointed to undertake the functions of DTC hereunder, the Successor Agency, at the expense of the Successor Agency, is obligated to deliver Bond certificates to the beneficial owners of the Bonds, as described in this Indenture, and the Bonds shall no longer be restricted to being registered in the books of the Trustee in the name of Cede & Co. as nominee of DTC, but may be registered in whatever name or name Bondowner transferring or exchanging Bonds shall designate to the Trustee in writing, in accordance with the provisions of this Indenture. The Successor Agency may determine that the Bonds shall be registered in the name of and deposited with a successor depository operating a securities depository system, qualified to act as such under Section 17(a) of the Securities Exchange Act of 1934, as amended, as may be acceptable to the Successor Agency, or such depository's agent or designee.

(iv) That for the then current Fiscal Year, the Pledged Tax Revenues referred to in item (ii) and for each future Fiscal Year the Pledged Tax Revenues referred to in item (iii) are at least equal to the sum of 125% of the Maximum Annual Debt Service with respect to amounts referred to in item (i) above (excluding debt service with respect to any portion of the Parity Bonds deposited in an escrowed proceeds account to the extent such debt service is paid from earnings on the investment of such funds), and, for the then current Fiscal Year, 100% of Annual Debt Service with respect to any subordinate debt and that the Successor Agency is entitled under the Dissolution Act, the Law and the Redevelopment Plan to receive taxes under Section 33670 of the Law in an amount sufficient to meet expected debt service with respect to all Bonds and Parity Bonds.

(e) The Parity Bonds will mature on and interest will be payable on the same dates as the Bonds (except the first interest payment may be from the date of the Parity Bonds until the next succeeding February 1 or August 1) provided, however, nothing herein shall preclude the Successor Agency from issuing and selling Parity Bonds which do not pay current interest.

(f) The Successor Agency shall not issue or incur any bonds, debt or other obligations that are payable from or secured by any property tax or tax increment revenues pledged to the Insured Obligations on a basis senior or superior to the Bonds. Unless [Insurer] provides its prior written consent, the Successor Agency shall not issue or incur any senior bonds or parity bonds, debt or other obligation except for refunding bonds. Any additional subordinate debt shall be payable on the same dates as the Bonds and shall be in all respects, including security and payment, subordinate and junior to the Bonds and the replenishment of the debt service reserve fund for the Bonds, including the reimbursement of all amounts due and payable to [Insurer] relating to the Reserve Policy.

Section 3.5 Validity of Bonds. The validity of the authorization and issuance of the Bonds shall not be dependent upon the completion of the Redevelopment Project or upon the performance by any person of his obligation with respect to the Redevelopment Project.

ARTICLE IV

SECURITY OF BONDS; FLOW OF FUNDS

Section 4.1 Security of Bonds; Equal Security. Except as provided in Sections 4.2 and 6.6, the Bonds and any Parity Bonds shall be equally secured by a pledge and lien on all of the Pledged Tax Revenues and on all of the moneys in the Redevelopment Obligation Retirement Fund and by a first and exclusive pledge and lien upon all of the moneys in the Debt Service Fund (including the Interest Account, the Principal Account, the Reserve Account and the Redemption Account therein) without preference or priority for series, issue, number, dated date, sale date, date of execution or date of delivery. Except for the Pledged Tax Revenues and such moneys, no funds or properties of the Successor Agency shall be pledged to, or otherwise liable for, the payment of principal of or interest or redemption premium (if any) on the Bonds.

It is the intent of the Successor Agency that, in accordance with paragraph (a)(1) of Section 34177.5 of the Dissolution Act, the foregoing pledge and lien of the Bonds on the Pledged Tax Revenues shall have the same lien priority thereon as the pledge thereon of the Refunded Obligations. The Bonds shall be payable from and secured by a pledge of the same portion of monies (20% of gross tax revenues) that would have comprised the Housing Set-Aside Amount for the bonds being refunded, which payment and pledge shall be senior and prior to the payment of any other bonds or obligations of the Successor Agency secured by or payable from Tax Revenues.

In consideration of the acceptance of the Bonds by those who shall own the same from time to time, this Indenture shall be deemed to be and shall constitute a contract between the Successor Agency and the Trustee for the benefit of the Owners from time to time of the Bonds, and the covenants and agreements herein set forth to be performed on behalf of the Successor Agency shall be for the equal and proportionate benefit, security and protection of all Owners of the Bonds without preference, priority or distinction as to security or otherwise of any of the Bonds over any of the others by reason of the number or date thereof or the time of sale, execution and delivery thereof, or otherwise for any cause whatsoever, except as expressly provided therein or herein.

Section 4.2 Redevelopment Obligation Retirement Fund, Debt Service Fund, Deposit of Pledged Tax Revenues. There has been established a special trust fund known as the "Redevelopment Obligation Retirement Fund," which shall be held by the Successor Agency pursuant to Section 34170.5 of the Dissolution Act. There is hereby established a special trust fund known as the "Debt Service Fund" and the accounts therein referred to below which shall be held by the Trustee. The Successor Agency shall deposit all of the Pledged Tax Revenues received in any Bond Year in the Redevelopment Obligation Retirement Fund promptly upon receipt thereof by the Successor Agency, and promptly thereafter shall transfer amounts received therein first, to the Debt Service Fund established and held under the under this Indenture until such time during such Bond Year as the amounts so transferred to the Debt Service Fund hereunder equal the aggregate amounts required to be deposited by the Trustee into the Interest Account, the Principal Account, the Reserve Account and the Redemption Account of the Debt Service Fund in such Bond Year pursuant to Section 4.3 of this Indenture and for deposit in such Bond Year in the funds and accounts established with respect to Parity Bonds, as provided in any Supplemental Indenture. The Successor Agency shall segregate all amounts distributed from the Redevelopment Property Tax Trust Fund by the County Auditor-Controller to the Successor Agency's Redevelopment Obligation Retirement Fund in a separate Successor Agency account in the name of the Successor Agency to be used solely to pay debt service on the Bonds and all other parity obligations. In the event the rating on general fund

obligations of the City falls below A- from Standard & Poor's, the Successor Agency will maintain, or cause the City to maintain, the Redevelopment Obligation Retirement Fund as a separate account with a bank or with the Trustee.

Section 4.3 Transfer of Amounts by the Trustee. There are hereby created accounts within the Debt Service Fund as set forth below, to be known respectively as the Interest Account, the Principal Account, the Reserve Account and the Redemption Account. Moneys in the Debt Service Fund will be transferred by the Trustee in the following amounts at the following times, for deposit in the following respective accounts within the Debt Service Fund, which are hereby established with the Trustee, in the following order of priority:

(a) Interest Account. On or before the 5th Business Day preceding each Interest Payment Date, to the extent there are moneys available, the Trustee shall transfer funds from the Debt Service Fund for deposit in the Interest Account an amount which, when added to the amount contained in the Interest Account on that date, will be equal to the aggregate amount of the interest becoming due and payable on the Outstanding Bonds on such Interest Payment Date. No such transfer and deposit need be made to the Interest Account if the amount contained therein is at least equal to the interest to become due on the next succeeding Interest Payment Date upon all of the Outstanding Bonds and Parity Bonds. Subject to this Indenture, all moneys in the Interest Account will be used and withdrawn by the Trustee solely for the purpose of paying the interest on the Bonds as it becomes due and payable (including accrued interest on any Bonds redeemed prior to maturity pursuant to this Indenture).

(b) Principal Account. On or before the 5th Business Day preceding each Principal Payment in each calendar year beginning [February 1, 2016], to the extent there are moneys available, the Trustee shall transfer funds from the Debt Service Fund for deposit in the Principal Account an amount equal to the principal or sinking account payments becoming due and payable on Outstanding Bonds and Parity Bonds on such February 1, to the extent monies on deposit in the Debt Service Fund are available therefor. No such transfer and deposit need be made to the Principal Account if the amount contained therein is at least equal to the principal and sinking account payments to become due on such February 1 on all Outstanding Bonds and Parity Bonds. Subject to this Indenture, all moneys in the Principal Account will be used and withdrawn by the Trustee solely for the purpose of paying the principal and sinking account payments of the Bonds as it becomes due and payable.

(c) Reserve Account. In the event moneys on deposit in the Debt Service Fund five (5) Business Days before any Interest Payment Date are less than the full amount of the interest and principal and sinking account payments required to be deposited by the Trustee pursuant to this Section, the Trustee will, five (5) Business Days before such Interest Payment Date, withdraw from the Reserve Account pro rata between the Reserve Account subaccounts an amount equal to any such deficiency and will notify the Successor Agency of any such withdrawal. Promptly upon receipt of any such notice, the Successor Agency will withdraw from the Redevelopment Obligation Retirement Fund and transfer to the Trustee for deposit in the Reserve Account an amount sufficient to maintain the Reserve Requirement on deposit in the Reserve Account and the subaccounts therein. If there is not sufficient moneys in the Redevelopment Obligation Retirement Fund to transfer an amount sufficient to maintain the Reserve Requirement on deposit in the Reserve Account and the subaccounts therein, the Successor Agency will have an obligation to continue making transfers of Pledged Tax Revenues into the Debt Service Fund, as such revenues become available, and thereafter, as moneys become available in the Debt Service Fund, the Trustee will make transfers to

the Reserve Account and the subaccounts therein until there is an amount sufficient to maintain the Reserve Requirement on deposit in the Reserve Account. No such transfer and deposit need be made to the Reserve Account (or any subaccount therein) so long as there is on deposit therein a sum at least equal to the Reserve Requirement. Subject to this Indenture all money in the Reserve Account will be used and withdrawn by the Trustee solely for the purpose of making transfers to the Interest Account and the Principal Account (and subaccounts therein, as the case may be), in such order of priority, in the event of any deficiency at any time in any of such accounts or for the retirement of all the Bonds then Outstanding, except that so long as the Successor Agency is not in default hereunder, any amount in the Reserve Account in excess of the Reserve Requirement will be withdrawn from the Reserve Account semiannually on or before the 5th Business Day preceding February 1 and August 1 by the Trustee and deposited in the Interest Account. All amounts in the Reserve Account on the 5th Business Day preceding the final Interest Payment Date will be withdrawn from the Reserve Account and will be transferred either (i) to the Interest Account and the Principal Account, in such order, to the extent required to make the deposits then required to be made or, (ii) if the Successor Agency shall have caused to be deposited with the Trustee an amount sufficient to make the deposits required by this Indenture, then at the Written Request of the Successor Agency such amount shall be transferred as directed by the Successor Agency. The prior written consent of the Insurer shall be a condition precedent to the deposit of any credit instrument provided in lieu of a cash deposit into the Reserve Account, if any. Notwithstanding anything to the contrary set forth in the Indenture, amounts on deposit in the Reserve Account shall be applied solely to the payment of debt service due on the Bonds.

Any recomputation of the Reserve Requirement required at any time pursuant to this Indenture will be made by the Agency and transmitted promptly to the Trustee. All amounts on deposit in the Reserve Account will be available, as needed, to pay principal of, and interest on, the Bonds from and after the final Interest Payment Date for the Bonds, and will not be transferred to the Agency until after the final Interest Payment Date for the Bonds. Notwithstanding the foregoing, the Agency may withdraw all amounts on deposit in the Reserve Account on any date from and after the final Interest Payment Date for the Bonds so long as, prior to such withdrawal, the Agency delivers to the Trustee, a certificate of an Independent Financial Consultant to the effect that for the then current Fiscal Year, the Pledged Revenues to be received by the Agency based upon the most recently certified assessed valuation of taxable property in the Project area provided by the appropriate officer of the County, are at least equal to the sum of 125% of the Maximum Annual Debt Service on the Outstanding Bonds and any Outstanding Parity Bonds (excluding debt service with respect to any portion of the Parity Bonds deposited in an escrowed proceeds account to the extent such debt service is paid from earnings on the investment of such funds).

The Reserve Requirement may be satisfied by crediting to the Reserve Account moneys or a Qualified Reserve Account Credit Instrument, or any combination thereof, which in the aggregate make funds available in the Reserve Account in an amount equal to the Reserve Requirement.

(d) Redemption Account. On or before the 5th Business Day preceding any date on which Bonds are to be redeemed, the Trustee shall transfer from the Debt Service Fund for deposit in the Redemption Account an amount required to pay the principal of, interest and premium, if any, on the Bonds (other than Bonds redeemed from sinking account payments) to be redeemed on such date. Subject to this Indenture, all moneys in the Redemption Account will be used and withdrawn by the Trustee solely for the purpose of paying the principal of, interest and premium, if any, on the Bonds to be redeemed on the date set for such redemption.

Section 4.4 Rebate Fund. The Trustee shall establish a separate fund for the Bonds designated the “Rebate Fund.” Absent an opinion of Bond Counsel that the exclusion from gross income for federal income tax purposes of interest on the Bonds will not be adversely affected, the Agency shall cause to be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to this Section and the Tax Certificate. All money at any time deposited in the Rebate Fund shall be held by the Trustee in trust, for payment to the United States Treasury. All amounts on deposit in the Rebate Fund for the Bonds shall be governed by this Section and the Tax Certificate, unless the Successor Agency obtains and delivers to the Trustee an opinion of Bond Counsel that the exclusion from gross income of interest on the Bonds will not be adversely affected for federal income tax purposes if such requirements are not satisfied. Notwithstanding anything to the contrary contained herein or in the Tax Certificate, the Trustee shall be deemed conclusively to have complied with the provisions of this Section and the Tax Certificate if the Trustee follows the directions of the Agency, and the Trustee shall have no independent responsibility to or liability resulting from failure of the Trustee to enforce compliance by the Agency with the Tax Certificate or the provisions of this Section.

(a) Excess Investment Earnings.

(i) Computation. Within 55 days of the end of each fifth Computation Year with respect to the Bonds, the Successor Agency shall calculate or cause to be calculated the amount of rebatable arbitrage, in accordance with Section 148(f)(2) of the Code and Section 1.148-3 of the Rebate Regulations (taking into account any applicable exceptions with respect to the computation of the rebatable arbitrage, described, if applicable, in the Tax Certificate (e.g. the temporary investments exception of Section 148(f)(4)(B) and the construction expenditure exception of Section 148(f)(4)(C) of the Code), for this purpose treating the last day of the applicable Computation Year as a computation date, within the meaning of Section 1.148-1(b) of the Rebate Regulations (the “Rebatable Arbitrage”). The Successor Agency shall obtain expert advice as to the amount of the Rebatable Arbitrage to comply with this Section.

(ii) Transfer. Within 55 days of the end of each fifth Computation Year with respect to the Bonds, upon the Finance Director’s written direction, an amount shall be deposited to the Rebate Fund by the Trustee from any legally available funds, including the other funds and accounts established herein, so that the balance in the Rebate Fund shall equal the amount of Rebatable Arbitrage so calculated in accordance with clause (i) of this Section 4.4(a). In the event that immediately following the transfer required by the previous sentence, the amount then on deposit to the credit of the Rebate Fund exceeds the amount required to be on deposit therein, upon written instructions from the Finance Director, the Trustee shall withdraw the excess from the Rebate Fund and then credit the excess to the Debt Service Fund.

(iii) Payment to the Treasury. The Successor Agency shall direct the Trustee in writing to pay to the United States Treasury, out of amounts in the Rebate Fund.

(X) Not later than 60 days after the end of (A) the fifth Computation Year with respect to the Bonds, and (B) each applicable fifth Computation Year thereafter, an amount equal to at least 90% of the Rebatable Arbitrage calculated as of the end of such Computation Year; and

(Y) Not later than 60 days after the payment of all the Bonds, an amount equal to 100% of the Rebatable Arbitrage calculated as of the end of such applicable

Computation Year, and any income attributable to the Rebateable Arbitrage, computed in accordance with Section 148(f) of the Code.

In the event that, prior to the time of any payment required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the Successor Agency shall calculate or cause to be calculated the amount of such deficiency and deposit an amount received from any legally available source, including the other funds and accounts established herein, equal to such deficiency in the Rebate Fund prior to the time such payment is due. Each payment required to be made pursuant to this Subsection 4.4(a)(iii) shall be made to the Internal Revenue Service Center, Ogden, Utah 84201 on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T prepared by the Successor Agency, or shall be made in such other manner as provided under the Code.

(b) Disposition of Unexpended Funds. Any funds remaining in the Rebate Fund after redemption and payment of the Bonds and the payments described in Section 4.4(a)(iii), shall be transferred by the Trustee to the Successor Agency at the written direction of the Successor Agency and utilized in any manner by the Successor Agency.

(c) Survival of Defeasance. Notwithstanding anything in this Section 4.4 or this Indenture to the contrary, the obligation to comply with the requirements of this Section shall survive the defeasance of the Bonds and any Parity Bonds.

(d) Trustee Responsible. The Trustee shall have no obligations or responsibilities under this Section other than to follow the written directions of the Successor Agency. The Trustee shall have no responsibility to make any calculations of rebate or to independently review or verify such calculations.

ARTICLE V

OTHER COVENANTS OF THE SUCCESSOR AGENCY

Section 5.1 Covenants of the Successor Agency. As long as the Bonds are outstanding and unpaid, the Successor Agency shall (through its proper members, officers, agents or employees) faithfully perform and abide by all of the covenants, undertakings and provisions contained in this Indenture or in any Bond issued hereunder, including the following covenants and agreements for the benefit of the Bondowners which are necessary, convenient and desirable to secure the Bonds and any Parity Bonds and will tend to make them more marketable; provided, however, that the covenants do not require the Successor Agency to expend any funds other than the Pledged Tax Revenues:

Covenant 1. Use of Proceeds; Management and Operation of Properties. The Successor Agency covenants and agrees that the proceeds of the sale of the Bonds will be deposited and used as provided in this Indenture and that it will manage and operate all properties owned by it comprising any part of the Project Area in a sound and businesslike manner.

Covenant 2. No Priority. The Successor Agency covenants and agrees that it will not issue any obligations payable, either as to principal or interest, from the Pledged Tax Revenues which have any lien upon the Pledged Tax Revenues prior or superior to the lien of the Bonds. Except as permitted by Section 3.4 hereof, it will not issue any obligations, payable as to principal or interest,

from the Pledged Tax Revenues, which have any lien upon the Pledged Tax Revenues on a parity with the Bonds authorized herein. Notwithstanding the foregoing, nothing in this Indenture shall prevent the Successor Agency (i) from issuing and selling pursuant to law, refunding obligations payable from and having any lawful lien upon the Pledged Tax Revenues, if such refunding obligations are issued for the purpose of, and are sufficient for the purpose of, refunding all of the Outstanding Bonds and Parity Bonds, (ii) from issuing and selling obligations which have, or purport to have, any lien upon the Pledged Tax Revenues which is junior to the Bonds or (iii) from issuing and selling bonds or other obligations which are payable in whole or in part from sources other than the Pledged Tax Revenues. As used herein “obligations” includes, without limitation, bonds, notes, interim certificates, debentures or other obligations.

Covenant 3. Punctual Payment. The Successor Agency shall punctually pay or cause to be paid the principal and interest to become due in respect of all the Bonds and Existing Bonds together with the premium thereon, if any, in strict conformity with the terms of the Bonds and the Existing Bonds and of this Indenture and the Existing Bonds Indentures. The Successor Agency shall faithfully observe and perform all of the conditions, covenants and requirements of this Indenture, the Existing Bonds Indentures, all Supplemental Indentures, the Bonds and the Existing Bonds. Nothing herein contained shall prevent the Successor Agency from making advances of its own moneys howsoever derived to any of the uses or purposes referred to herein.

Covenant 4. Payment of Taxes and Other Charges. The Successor Agency covenants and agrees that it will from time to time pay and discharge, or cause to be paid and discharged, all payments in lieu of taxes, service charges, assessments or other governmental charges which may lawfully be imposed upon the Successor Agency or any of the properties then owned by it in the Project Area, or upon the revenues and income therefrom, and will pay all lawful claims for labor, materials and supplies which if unpaid might become a lien or charge upon any of the properties, revenues or income or which might impair the security of the Bonds or the use of Pledged Tax Revenues or other legally available funds to pay the principal of and interest on the Bonds, all to the end that the priority and security of the Bonds shall be preserved; provided, however, that nothing in this covenant shall require the Successor Agency to make any such payment so long as the Successor Agency in good faith shall contest the validity of the payment.

Covenant 5. Books and Accounts; Financial Statements. The Successor Agency covenants and agrees that it will at all times keep, or cause to be kept, proper and current books and accounts (separate from all other records and accounts) in which complete and accurate entries shall be made of all transactions relating to the Redevelopment Project and the Pledged Tax Revenues and other funds relating to the Project Areas or the Bonds. Such records shall at all times during normal business hours and upon reasonable notice be subject to inspection by [Insurer] or its agents or representatives who have been duly authorized in writing. The Successor Agency will prepare within one hundred eighty (180) days after the close of each of its Fiscal Years a postaudit of the financial transactions and records of the Successor Agency for the Fiscal Year to be made by an Independent Certified Public Accountant appointed by the Successor Agency, and will furnish a copy of the postaudit to the Trustee and any rating agency which maintains a rating on the Bonds, and, upon written request, to any Bondowner. The Trustee shall have no duty to review such postaudits. The Successor Agency agrees, consents and will cooperate in good faith to provide information reasonably requested by [Insurer] and will further provide appropriately designated individuals and officers to discuss the affairs, finances and accounts of the Successor Agency or any other matter as [Insurer] may reasonably request.

Covenant 6. Eminent Domain Proceeds. The Successor Agency covenants and agrees that if all or any part of the Redevelopment Project Area should be taken from it without its consent, by eminent domain proceedings or other proceedings authorized by law, for any public or other use under which the property will be tax exempt, it shall take all steps necessary to adjust accordingly the base year property tax roll of the Project Area.

Covenant 7. Disposition of Property. The Successor Agency covenants and agrees that it will not dispose of more than ten percent (10%) of the land area in the Project Area (except property shown in the Redevelopment Plan in effect on the date this Indenture is adopted as planned for public use, or property to be used for public streets, public offstreet parking, sewage facilities, parks, easements or right-of-way for public utilities, or other similar uses) to public bodies or other persons or entities whose property is tax exempt, unless such disposition will not result in Pledged Tax Revenues to be less than the amount required for the issuance of Parity Bonds as provided in Section 3.4, based upon the certificate or opinion of an Independent Financial Consultant appointed by the Successor Agency.

Covenant 8. Protection of Security and Rights of Bondowners. The Successor Agency covenants and agrees to preserve and protect the security of the Bonds and the rights of the Bondowners and to contest by court action or otherwise (a) the assertion by any officer of any government unit or any other person whatsoever against the Successor Agency that (i) the Law is unconstitutional or (ii) that the Pledged Tax Revenues pledged under this Indenture cannot be paid to the Successor Agency for the debt service on the Bonds or (b) any other action affecting the validity of the Bonds or diluting the security therefor.

Covenant 9. Tax Covenants. In connection with the Bonds, the Successor Agency covenants and agrees to contest by court action or otherwise any assertion by the United States of America or any departments or agency thereof that the interest received by the Bondowners is includable in gross income of the recipient under federal income tax laws on the date of issuance of the Bonds. Notwithstanding any other provision of this Indenture, absent an opinion of Bond Counsel that the exclusion from gross income of interest with respect to the Bonds and Parity Bonds will not be adversely affected for federal income tax purposes, the Successor Agency covenants to comply with all applicable requirements of the Code necessary to preserve such exclusion from gross income and specifically covenants, without limiting the generality of the foregoing, as follows:

(i) Private Activity. The Successor Agency will take no action or refrain from taking any action or make any use of the proceeds of the Bonds or Parity Bonds or of any other monies or property which would cause the Bonds or Parity Bonds to be “private activity bonds” within the meaning of Section 141 of the Code;

(ii) Arbitrage. The Successor Agency will make no use of the proceeds of the Bonds or Parity Bonds or of any other amounts or property, regardless of the source, or take any action or refrain from taking any action which will cause the Bonds or Parity Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code;

(iii) Federal Guaranty. The Successor Agency will make no use of the proceeds of the Bonds or Parity Bonds or take or omit to take any action that would cause the Bonds or the Parity Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code;

(iv) Information Reporting. The Successor Agency will take or cause to be taken all necessary action to comply with the informational reporting requirement of Section 149(e) of the Code;

(v) Hedge Bonds. The Successor Agency will make no use of the proceeds of the Bonds or any Parity Bonds or any other amounts or property, regardless of the source, or take any action or refrain from taking any action that would cause either any Bonds or the Parity Bonds to be considered “hedge bonds” within the meaning of Section 149(g) of the Code unless the Successor Agency takes all necessary action to assure compliance with the requirements of Section 149(g) of the Code to maintain the exclusion from gross income of interest on the Bonds and any Parity Bonds for federal income tax purposes; and

(vi) Miscellaneous. The Successor Agency will take no action or refrain from taking any action inconsistent with its expectations stated in that certain Tax Certificate executed by the Successor Agency in connection with each issuance of Bonds and Parity Bonds and will comply with the covenants and requirements stated therein and incorporated by reference herein.

Covenant 10. Compliance with Dissolution Act. The Successor Agency shall comply with all of the requirements of the Law and the Dissolution Act. Without limiting the generality of the foregoing, the Successor Agency covenants and agrees to file all required statements and hold all public hearings required under the Dissolution Act to assure compliance by the Successor Agency with its covenants hereunder.

Further, it will take all actions required under the Dissolution Act to include:

(i) scheduled debt service on the Bonds and the Existing Bonds and any amount required under this Indenture or the Existing Bonds Indentures to replenish the Reserve Account established hereunder or thereunder, and

(ii) amounts due to any bond insurer under an insurance or surety bond agreement,

in Recognized Obligation Payment Schedules for each annual period beginning on July 1 of any calendar year and ending on June 30 of the next calendar year, or such other period as provided in the Dissolution Act (a “ROPS Period”), so as to enable the Auditor-Controller of the County of Los Angeles to distribute from the Redevelopment Property Tax Trust Fund to the Successor Agency’s Redevelopment Obligation Retirement Fund on each January 2 and June 1 amounts required for the Successor Agency to pay principal of, and interest on, the Bonds and Existing Bonds coming due in the respective ROPS Period and to pay amounts owed to any bond insurer, as well as the other amounts set forth above.

In order to accomplish the foregoing, on or before each February 1 (or at such earlier time as may be required by the Dissolution Act), for so long as any Bonds or Existing Bonds are outstanding, the Successor Agency shall submit an Oversight Board-approved Recognized Obligation Payment Schedule to the State Department of Finance and to the Auditor-Controller of the County of Los Angeles that shall include (i) all debt service due on the Bonds and the Existing Bonds coming due during the applicable ROPS Period as well as all amounts due and owing to any bond insurer, and (ii) any amount required to cure any deficiency in the Reserve Account pursuant to this Indenture or

the Existing Bonds Indentures (including any amounts required due to a draw on the Qualified Reserve Account Credit Instrument as well as all amounts due and owing to the [Insurer] hereunder).

In the event the provisions set forth in the Dissolution Act as of the Closing Date of the Bonds that relate to the filing of Recognized Obligation Payment Schedules are amended or modified in any manner, the Successor Agency agrees to take all such actions as are necessary to comply with such amended or modified provisions so as to ensure the timely payment of debt service on the Bonds and the Existing Bonds and, if the timing of distributions of the Redevelopment Property Tax Trust Fund is changed, the receipt of all debt service due during each calendar year on all Outstanding Bonds and Existing Bonds prior to June 1 of such calendar year.

Covenant 11. Further Assurances. The Successor Agency covenants and agrees to adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Indenture, and for the better assuring and confirming unto the Owners of the rights and benefits provided in this Indenture.

Covenant 12. Continuing Disclosure. The Successor Agency hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Agreement. Notwithstanding any other provision of this Indenture, failure of the Successor Agency to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default; however, any participating underwriter, owner or beneficial owner of the Bonds may take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

ARTICLE VI

THE TRUSTEE

Section 6.1 Duties, Immunities and Liabilities of Trustee.

(a) The Trustee shall, prior to the occurrence of an Event of Default, and after the curing or waiver of all Events of Default which may have occurred, perform such duties and only such duties as are specifically set forth in this Indenture and no implied duties or covenants shall be read into this Indenture against the Trustee. The Trustee shall, during the existence of any Event of Default (which has not been cured or waived), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(b) The Successor Agency may remove the Trustee at any time, unless an Event of Default shall have occurred and then be continuing, and shall remove the Trustee (i) if at any time requested to do so by an instrument or concurrent instruments in writing signed by the Owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding (or their attorneys duly authorized in writing) or (ii) if at any time the Successor Agency has knowledge that the Trustee has ceased to be eligible in accordance with subsection (e) of this Section, or has become incapable of acting, or has been adjudged as bankrupt or insolvent, or a receiver of the Trustee or its property has been appointed, or any public officer shall have taken control or charge of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation. In each case such removal shall be accomplished by the giving of written notice of such removal by the Successor

Agency to the Trustee, whereupon the Successor Agency shall appoint a successor Trustee by an instrument in writing.

(c) The Trustee may at any time resign by giving prior written notice of such resignation to the Successor Agency, and by giving the Owners notice of such resignation by first class mail, postage prepaid, at their respective addresses shown on the Registration Books. Upon receiving such notice of resignation, the Successor Agency shall promptly appoint a successor Trustee by an instrument in writing.

(d) Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective upon acceptance of appointment by the successor Trustee. If no successor Trustee shall have been appointed and have accepted appointment within 45 days of giving notice of removal or notice of resignation as aforesaid, the resigning Trustee or any Owner (on behalf of such Owner and all other Owners) may petition any court of competent jurisdiction for the appointment of a successor Trustee, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under this Indenture shall signify its acceptance of such appointment by executing and delivering to the Successor Agency and to its predecessor Trustee a written acceptance thereof, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee herein; but, nevertheless at the Written Request of the Successor Agency or the request of the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance or further assurance and do such other things as may reasonably be required for more fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to any property held by it under this Indenture and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Upon request of the successor Trustee, the Successor Agency shall execute and deliver any and all instruments as may be reasonably required for more fully and certainly vesting in and confirming to such successor Trustee all such moneys, estates, properties, rights, powers, trusts, duties and obligations. Upon acceptance of appointment by a successor Trustee as provided in this subsection, the Successor Agency shall mail, with a copy to the Successor Trustee, a notice of the succession of such Trustee to the trusts hereunder to each rating agency which then has a current rating on the Bonds and to the Owners at their respective addresses shown on the Registration Books. If the Successor Agency fails to mail such notice within 15 days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be mailed at the expense of the Successor Agency. Notwithstanding any other provisions of this Indenture, no removal, resignation or termination of the Trustee shall take effect until a successor shall be appointed.

(e) Every successor Trustee appointed under the provisions of this Indenture shall be a trust company or bank in good standing authorized to exercise trust powers or having the powers of a trust company and duly authorized to exercise trust powers within the State having a combined capital and surplus of at least \$75,000,000, and subject to supervision or examination by federal or state authority. If such bank or trust company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purpose of this subsection the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in

accordance with the provisions of this subsection (e), the Trustee shall resign immediately in the manner and with the effect specified in this Section.

(f) The Trustee shall have no responsibility or liability with respect to any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the issuance of these Bonds.

(g) Before taking any action under Article VIII or this Section 6.1 at the request or direction of the Owners, the Trustee may require that an indemnity bond satisfactory to the Trustee be furnished by the Owners for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its negligence or its willful misconduct in connection with any action so taken.

Section 6.2 Merger or Consolidation. Any bank or trust company into which the Trustee may be merged or converted or with which either of them may be consolidated or any bank or trust company resulting from any merger, conversion or consolidation to which it shall be a party or any bank or trust company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such bank or trust company shall be eligible under subsection (e) of Section 6.1, shall be the successor to such Trustee without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

Section 6.3 Liability of Trustee.

(a) The recitals of facts herein and in the Bonds contained shall be taken as statements of the Successor Agency, and the Trustee shall not assume responsibility for the correctness of the same, nor make any representations as to the validity or sufficiency of this Indenture or of the Bonds nor shall incur any responsibility in respect thereof, other than as expressly stated herein. The Trustee shall, however, be responsible for its representations contained in its certificate of authentication on the Bonds. The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful misconduct. The Trustee may become the Owner of any Bonds with the same rights it would have if they were not Trustee and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of the Owners, whether or not such committee shall represent the Owners of a majority in principal amount of the Bonds then Outstanding.

(b) The Trustee shall not be liable for any error of judgment made in good faith by a responsible officer, unless the Trustee shall have been negligent in ascertaining the pertinent facts.

(c) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Owners of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture.

(d) The Trustee shall not be liable for any action taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture, except for actions arising from the negligence or willful misconduct of the Trustee. The

permissive right of the Trustee to do things enumerated hereunder shall not be construed as a mandatory duty.

(e) The Trustee shall not be deemed to have knowledge of any Event of Default hereunder unless and until it shall have actual knowledge thereof, or shall have received written notice thereof at its Trust Office. Except as otherwise expressly provided herein, the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions, covenants or agreements herein or of any of the documents executed in connection with the Bonds, or as to the existence of an Event of Default thereunder. The Trustee shall not be responsible for the validity or effectiveness of any collateral given to or held by it. Without limiting the generality of the foregoing, the Trustee shall not be responsible for reviewing the contents of any financial statements furnished to the Trustee pursuant to Section 5.1 and may rely conclusively on the certificates accompanying such financial statements to establish the Successor Agency's compliance with its financial covenants hereunder, including, without limitation, its covenants regarding the deposit of Pledged Tax Revenues into the Redevelopment Obligation Retirement Fund and the investment and application of moneys on deposit in the Redevelopment Obligation Retirement Fund (other than its covenants to transfer such moneys to the Trustee when due hereunder).

(f) No provision in this Indenture shall require the Trustee to risk or expend its own funds or otherwise incur any financial liability hereunder.

(g) The Trustee may execute any of the trust or powers hereof and perform any of its duties through attorneys, agents and receivers and shall not be answerable for the conduct of the same if appointed by it with reasonable care.

(h) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty.

(i) The immunities extended to the Trustee also extend to its directors, officers, employees and agents.

(j) The Trustee will not be considered in breach of or in default in its obligations hereunder or progress in respect thereto in the event of delay in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not limited to, Acts of God or of the public enemy or terrorists, acts of a government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, earthquakes, explosion, mob violence, riot, inability to procure or general sabotage or rationing of labor, equipment, facilities, sources of energy, material or supplies in the open market, litigation or arbitration involving a party or others relating to zoning or other governmental action or inaction pertaining to any project refinanced with the proceeds of the Bonds, malicious mischief, condemnation, and unusually severe weather or delays of suppliers or subcontractors due to such causes or any similar event and/or occurrences beyond the control of the Trustee.

Section 6.4 Right to Rely on Documents. The Trustee shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties, in the absence of negligence or willful misconduct by the Trustee. The Trustee may consult with counsel, including, without limitation, counsel of or to the Successor Agency, with regard to legal

questions, and, in the absence of negligence or willful misconduct by the Trustee, the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Trustee hereunder in accordance therewith.

The Trustee shall not be bound to recognize any person as the Owner of a Bond unless and until such Bond is submitted for inspection, if required, and his title thereto is established to the satisfaction of the Trustee.

Whenever in the administration of the trusts imposed upon it by this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Written Certificate of the Successor Agency, which shall be full warrant to the Trustee for any action taken or suffered in good faith under the provisions of this Indenture in reliance upon such Written Certificate, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may deem reasonable. The Trustee may conclusively rely on any certificate of report of any Independent Accountant or Independent Redevelopment Consultant appointed by the Successor Agency.

Section 6.5 Preservation and Inspection of Documents. All documents received by the Trustee under the provisions of this Indenture shall be retained in its possession and shall be subject at all reasonable times during regular business hours upon reasonable notice to the inspection of the Successor Agency and any Owner, and their agents and representatives duly authorized in writing, at reasonable hours and under reasonable conditions.

Section 6.6 Compensation and Indemnification. The Successor Agency shall pay to the Trustee from time to time reasonable compensation for all services rendered under this Indenture and also all reasonable expenses, charges, legal and consulting fees and other disbursements and those of its attorneys, agents and employees, incurred in and about the performance of its powers and duties under this Indenture. Upon the occurrence of an Event of Default, the Trustee shall have a first lien on the Pledged Tax Revenues and all funds and accounts held by the Trustee hereunder to secure the payment to the Trustee of all fees, costs and expenses, including reasonable compensation to its experts, attorneys and counsel incurred in declaring such Event of Default and in exercising the rights and remedies set forth in Article VIII hereof.

The Successor Agency further covenants and agrees to indemnify and save the Trustee and its officers, directors, agents and employees, harmless from and against any loss, expense, and liabilities which it may incur arising out of or in the exercise and performance of its powers and duties hereunder, including the costs and expenses and those of its attorneys and advisors of defending against any claim of liability, but excluding any and all losses, expenses and liabilities which are due to the negligence or willful misconduct of the Trustee, its officers, directors, agents or employees. The obligations of the Successor Agency under this section shall survive resignation or removal of the Trustee under this Indenture and payment of the Bonds and discharge of this Indenture.

Section 6.7 Investment of Moneys in Funds and Accounts. Subject to the provisions of Article V hereof, all moneys held by the Trustee in the Debt Service Fund, Costs of Issuance Fund, the Redemption Account or the Rebate Fund, shall, at the written direction of the Successor Agency, be invested only in Permitted Investments. If the Trustee receives no written directions from the

Successor Agency as to the investment of moneys held in any Fund or Account, the Trustee shall request such written direction from the Successor Agency and, pending receipt of instructions, shall invest such moneys solely in Permitted Investments described in subsection (b)(5) of the definition thereof.

(a) Moneys in the Redevelopment Obligation Retirement Fund shall be invested by the Successor Agency only in obligations permitted by the Law which will by their terms mature not later than the date the Successor Agency estimates the moneys represented by the particular investment will be needed for withdrawal from the Redevelopment Obligation Retirement Fund.

(b) Moneys in the Interest Account, the Principal Account and the Redemption Account of the Debt Service Fund shall be invested only in obligations which will by their terms mature on such dates as to ensure that before each interest and principal payment date, there will be in such account, from matured obligations and other moneys already in such account, cash equal to the interest and principal payable on such payment date.

(c) Moneys in the Reserve Account shall be invested in (i) obligations which will by their terms mature on or before the date of the final maturity of the Bonds or five (5) years from the date of investment, whichever is earlier or (ii) an investment agreement which permits withdrawals or deposits without penalty at such time as such moneys will be needed or in order to replenish the Reserve Account.

(d) Moneys in the Rebate Fund shall be invested in Defeasance Securities which mature on or before the date such amounts are required to be paid to the United States.

Obligations purchased as an investment of moneys in any of the Funds or Accounts shall be deemed at all times to be a part of such respective Fund or Account and the interest accruing thereon and any gain realized from an investment shall be credited to such Fund or Account and any loss resulting from any authorized investment shall be charged to such Fund or Account without liability to the Trustee. The Successor Agency or the Trustee, as the case may be, shall sell or present for redemption any obligation purchased whenever it shall be necessary to do so in order to provide moneys to meet any payment or transfer from such Fund or Account as required by this Indenture and shall incur no liability for any loss realized upon such a sale. All interest earnings received on any monies invested in the Interest Account, Principal Account, Redemption Account or Reserve Account, to the extent they exceed the amount required to be in such Account, shall be transferred on each Interest Payment Date to the Debt Service Fund. All interest earnings on monies invested in the Rebate Fund shall be retained in such Fund and applied as set forth in Section 4.4. The Trustee may purchase or sell to itself or any affiliate, as principal or agent, investments authorized by this Section 6.7. The Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with Section 6.7 hereof. The Successor Agency acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Successor Agency the right to receive brokerage confirmations of security transactions as they occur, the Successor Agency specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the Successor Agency periodic cash transaction statements which shall include detail for all investment transactions made by the Trustee hereunder.

The Trustee or any of its affiliates may act as sponsor, advisor or manager in connection with any investments made by the Trustee hereunder.

The value of Permitted Investments shall be determined as follows: (i) as to investments the bid and asked prices of which are published on a regular basis in The Wall Street Journal (or, if not there, then in The New York Times): the average of the bid and asked prices for such investments so published on or most recently prior to such time of determination; (ii) as to investments the bid and asked prices of which are not published on a regular basis in The Wall Street Journal or The New York Times: the average bid price at such time of determination for such investments by any two nationally recognized government securities dealers (selected by the Trustee in its absolute discretion) at the time making a market in such investments or the bid price published by a nationally recognized pricing service; (iii) as to certificates of deposit and bankers acceptances: the face amount thereof, plus accrued interest; and (iv) as to any investment not specified above: the value thereof established by prior agreement between the Successor Agency and the Trustee. If more than one provision of this definition of “value” shall apply at any time to any particular investment, the value thereof at such time shall be determined in accordance with the provision establishing the lowest value for such investment; provided, notwithstanding the foregoing, in making any valuations hereunder, the Trustee may utilize and conclusively rely upon such pricing services as may be regularly available to it, including, without limitation, those within its regular accounting system.

Section 6.8 Accounting Records and Financial Statements. The Trustee shall at all times keep, or cause to be kept, proper books of record and account, prepared in accordance with industry standards, in which complete and accurate entries shall be made of all transactions made by it relating to the proceeds of the Bonds and all funds and accounts held by it established pursuant to this Indenture. Such books of record and account shall be available for inspection by the Successor Agency and [Insurer] or its agents or representation during normal business hours with reasonable prior notice. The Trustee shall furnish to the Successor Agency, at least quarterly, an accounting of all transactions in the form of its regular account statements relating to the proceeds of the Bonds and all funds and accounts held by the Trustee pursuant to this Indenture.

Section 6.9 Appointment of Co-Trustee or Agent. It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the law of the State) denying or restricting the right of banking corporations or associations to transact business as Trustee in such jurisdiction. It is recognized that in the case of litigation under this Indenture, and in particular in case of the enforcement of the rights of the Trustee on default, or in the case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee or hold title to the properties, in trust, as herein granted, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee or Successor Agency appoint an additional individual or institution as a separate co-trustee. The following provisions of this Section 6.9 are adopted to these ends.

In the event that the Trustee or Successor Agency appoint an additional individual or institution as a separate or co-trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Indenture to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in such separate or co-trustee to exercise such powers, rights and remedies, and every covenant an obligation necessary to the exercise thereof by such separate or co-trustee shall run to and be enforceable by either of them.

Should any instrument in writing from the Successor Agency be required by the separate trustee or co-trustee so appointed by the Trustee or Successor Agency for more fully and certainly

vesting in and confirming to it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Successor Agency. In case any separate trustee or co-trustee, or a successor to either, shall become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate trustee or co-trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new trustee or successor to such separate trustee or co-trustee.

In addition to the appointment of a co-trustee hereunder, the Trustee may, at the expense and with the prior written consent of the Successor Agency, appoint any agent of the Trustee in St. Paul, Minnesota, for the purpose of administering the transfers or exchanges of Bonds or for the performance of any other responsibilities of the Trustee hereunder.

Section 6.10 Notice to and Consent of Insurer. [TO COME]

ARTICLE VII

MODIFICATION OR AMENDMENT OF THIS INDENTURE

Section 7.1 Amendment Without Consent of Owners. This Indenture and the rights and obligations of the Successor Agency and of the Owners may be modified or amended at any time by a Supplemental Indenture which shall become binding upon adoption, without consent of any Owners, to the extent permitted by law and any for any one or more of the following purposes:

(a) to add to the covenants and agreements of the Successor Agency in this Indenture contained, other covenants and agreements thereafter to be observed or to limit or surrender any rights or power herein reserved to or conferred upon the Successor Agency; or

(b) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in this Indenture, or in any other respect whatsoever as the Successor Agency may deem necessary or desirable, provided under any circumstances that such modifications or amendments shall not materially adversely affect the interests of the Owners; or

(c) to provide the issuance of Parity Bonds pursuant to Section 3.4, and to provide the terms and conditions under which such Parity Bonds may be issued, including but not limited to the establishment of Redevelopment Obligation Retirement Funds and accounts relating thereto and any other provisions relating solely thereto, subject to and in accordance with the provisions of Section 3.4; or

(d) to amend any provision hereof relating to the requirements of or compliance with the Code, to any extent whatsoever but only if and to the extent such amendment will not adversely affect the exclusion from gross income for purposes of federal income taxation of interest on any of the Bonds, in the opinion of nationally-recognized bond counsel.

Section 7.2 Amendment With Consent of Owners. Except as set forth in Section 7.1, this Indenture and the rights and obligations of the Successor Agency and of the Owners may be modified or amended at any time by a Supplemental Indenture which shall become binding when the written consent of the Owners of a majority in aggregate principal amount of the Bonds then

Outstanding are filed with the Trustee. No such modification or amendment shall (a) extend the maturity of or reduce the interest rate on any Bond or otherwise alter or impair the obligation of the Successor Agency to pay the principal, interest or redemption premiums (if any) at the time and place and at the rate and in the currency provided therein of any Bond without the express written consent of the Owner of such Bond, (b) reduce the percentage of Bonds required for the written consent to any such amendment or modification, or (c) without its written consent thereto, modify any of the rights or obligations of the Trustee. Any amendment, supplement, modification to, or waiver of, the Indenture or any other transaction document, including any underlying security agreement (each a "Related Document"), that requires the consent of Bondowners or adversely affects the rights and interests of the Insurer shall be subject to the prior written consent of the Insurer.

Section 7.3 Effect of Supplemental Indenture. From and after the time any Supplemental Indenture becomes effective pursuant to this Article VII, this Indenture shall be deemed to be modified and amended in accordance therewith, the respective rights, duties and obligations of the parties hereto or thereto and all Owners, as the case may be, shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 7.4 Endorsement or Replacement of Bonds After Amendment. After the effective date of any amendment or modification hereof pursuant to this Article VII, the Successor Agency may determine that any or all of the Bonds shall bear a notation, by endorsement in form approved by the Successor Agency, as to such amendment or modification and in that case upon demand of the Successor Agency, the Owners of such Bonds shall present such Bonds for that purpose at the Trust Office of the Trustee, and thereupon a suitable notation as to such action shall be made on such Bonds. In lieu of such notation, the Successor Agency may determine that new Bonds shall be prepared and executed in exchange for any or all of the Bonds and, in that case upon demand of the Successor Agency, the Owners of the Bonds shall present such Bonds for exchange at the Trust Office of the Trustee, without cost to such Owners.

Section 7.5 Amendment by Mutual Consent. The provisions of this Article VII shall not prevent any Owner from accepting any amendment as to the particular Bond held by such Owner, provided that due notation thereof is made on such Bond.

Section 7.6 Opinion of Counsel. The Trustee shall be provided an opinion of counsel that any such Amendment or Supplemental Indenture entered into by the Successor Agency and the Trustee complies with the provisions of this Article VII and the Trustee may conclusively rely upon such opinion.

Section 7.7 Consent of Insurer. Anything in the [Security Documents] to the contrary notwithstanding: [TO COME]

ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES OF OWNERS

Section 8.1 Events of Default and Acceleration of Maturities. The following events shall constitute Events of Default hereunder:

(a) if default shall be made in the due and punctual payment of the principal of or interest or redemption premium (if any) on any Bond when and as the same shall become due and payable, whether at maturity as therein expressed, by declaration or otherwise;

(b) if default shall be made by the Successor Agency in the observance of any of the covenants, agreements or conditions on its part in this Indenture or in the Bonds contained, other than a default described in the preceding clause (a), and such default shall have continued for a period of 30 days following receipt by the Successor Agency of written notice from the Trustee or any Owner of the occurrence of such default; or

(c) if the Successor Agency shall commence a voluntary action under Title 11 of the United States Code or any substitute or successor statute.

If an Event of Default has occurred and is continuing, the Trustee may, or if requested in writing by the Owners of the majority in aggregate principal amount of the Bonds then Outstanding, the Trustee shall, by written notice to the Successor Agency, (a) declare the principal of the Bonds, together with the accrued interest thereon, to be due and payable immediately, and upon any such declaration the same shall become immediately due and payable, and (b) upon receipt of indemnity to its satisfaction exercise any other remedies available to the Trustee and the Owners in law or at equity.

Upon becoming aware of the occurrence of an Event of Default, the Trustee shall give notice of such Event of Default to the Successor Agency by telephone confirmed in writing. Such notice shall also state whether the principal of the Bonds shall have been declared to be or have immediately become due and payable. With respect to any Event of Default described in clauses (a) or (c) above the Trustee shall, and with respect to any Event of Default described in clause (b) above the Trustee in its sole discretion may, also give such notice to the Successor Agency, and the Owners in the same manner as provided herein for notices of redemption of the Bonds, which shall include the statement that interest on the Bonds shall cease to accrue from and after the date, if any, on which the Trustee shall have declared the Bonds to become due and payable pursuant to the preceding paragraph (but only to the extent that principal and any accrued, but unpaid interest on the Bonds is actually paid on such date.)

This provision, however, is subject to the condition that if, at any time after the principal of the Bonds shall have been so declared due and payable, and before any judgment or decree for the payment of the moneys due shall have been obtained or entered, the Successor Agency shall deposit with the Trustee a sum sufficient to pay all principal on the Bonds matured prior to such declaration and all matured installments of interest (if any) upon all the Bonds, with interest on such overdue installments of principal and interest (to the extent permitted by law) at the net effective rate then borne by the Outstanding Bonds, and the reasonable fees and expenses of the Trustee, including but not limited to attorneys fees, and any and all other defaults known to the Trustee (other than in the payment of principal of and interest on the Bonds due and payable solely by reason of such

declaration) shall have been made good or cured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall have been made therefor, then, and in every such case, the Owners of at least a majority in aggregate principal amount of the Bonds then Outstanding, by written notice to the Successor Agency and to the Trustee, may, on behalf of the Owners of all of the Bonds, rescind and annul such declaration and its consequences. However, no such rescission and annulment shall extend to or shall affect any subsequent default, or shall impair or exhaust any right or power consequent thereon.

Upon the occurrence of an event of default, the Trustee may, with the consent of a majority of the Owners, by written notice to the Successor Agency, declare the principal of the Bonds to be immediately due and payable, whereupon that portion of the principal of the Bonds thereby coming due and the interest thereon accrued to the date of payment shall, without further action, become and be immediately due and payable, anything in this Indenture in the Bonds to the contrary notwithstanding. Notwithstanding the foregoing, the maturity of Bonds insured by the Insurer shall not be accelerated without the consent of the Insurer and in the event the maturity of the Bonds is accelerated, the Insurer may elect, in its sole discretion, to pay accelerated principal and interest accrued, on such principal to the date of acceleration (to the extent unpaid by the Successor Agency) and the Trustee shall be required to accept such amounts. Upon payment of such accelerated principal and interest accrued to the acceleration date as provided above, the Insurer's obligations under the Insurance Policy with respect to such Bonds shall be fully discharged.

Section 8.2 Application of Funds Upon Acceleration. All of the Pledged Tax Revenues and all sums in the funds and accounts established and held by the Trustee hereunder upon the date of the declaration of acceleration as provided in Section 8.1, and all sums thereafter received by the Trustee hereunder, shall be applied by the Trustee in the order following, upon presentation of the several Bonds, and the stamping thereon of the payment if only partially paid, or upon the surrender thereof if fully paid:

First, to the payment of the fees, costs and expenses of the Trustee in declaring such Event of Default and in exercising the rights and remedies set forth in this Article VIII, including reasonable compensation to its agents, attorneys and counsel including all sums owed the Trustee pursuant to Section 6.6 herein; and

Second, to the payment of the whole amount then owing and unpaid upon the Bonds for principal and interest, with interest on the overdue principal and installments of interest at the net effective rate then borne by the Outstanding Bonds (to the extent that such interest on overdue installments of principal and interest shall have been collected), and in case such moneys shall be insufficient to pay in full the whole amount so owing and unpaid upon the Bonds, then to the payment of such principal and interest without preference or priority of principal over interest, or interest over principal, or of any installment of interest over any other installment of interest, ratably to the aggregate of such principal and interest or any Bond over any other Bond.

Section 8.3 Power of Trustee to Control Proceedings. In the event that the Trustee, upon the happening of an Event of Default, shall have taken any action, by judicial proceedings or otherwise, pursuant to its duties hereunder, whether upon its own discretion or upon the request of the Owners of a majority in principal amount of the Bonds then Outstanding, it shall have full power, in the exercise of its discretion for the best interests of the Owners of the Bonds, with respect to the continuance, discontinuance, withdrawal, compromise, settlement or other disposal of such action; provided, however, that the Trustee shall not, unless there no longer continues an Event of Default,

discontinue, withdraw, compromise or settle, or otherwise dispose of any litigation pending at law or in equity, if at the time there has been filed with it a written request signed by the Owners of a majority in principal amount of the Outstanding Obligations hereunder opposing such discontinuance, withdrawal, compromise, settlement or other disposal of such litigation. The Insurer shall be deemed to be the sole owner of the Insured Obligations for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action that the owners of the Bonds insured by it are entitled to take pursuant to the Indenture pertaining to (i) defaults and remedies and (ii) the duties and obligations of the Trustee. The rights granted to the Insurer under the Indenture or any other Related Document to request, consent to or direct any action are rights granted to the Insurer in consideration of its issuance of the Insurance Policy. Any exercise by the Insurer of such rights is merely an exercise of the Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit, or on behalf, of the Bondowners and such action does not evidence any position of the Insurer, affirmative or negative, as to whether the consent of the Bondowners or any other person is required in addition to the consent of the Insurer.

Section 8.4 Limitation on Owner's Right to Sue. No Owner of any Bond issued hereunder shall have the right to institute any suit, action or proceeding at law or in equity, for any remedy under or upon this Indenture, unless (a) such Owner shall have previously given to the Trustee written notice of the occurrence of an Event of Default; (b) the Owners of a majority in aggregate principal amount of all the Bonds then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such action, suit or proceeding, including a writ of mandamus in its own name; (c) said Owners shall have tendered to the Trustee indemnity reasonably acceptable to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request; and (d) the Trustee shall have refused or omitted to comply with such request for a period of 60 days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of any remedy hereunder; it being understood and intended that no one or more Owners shall have any right in any manner whatever by his or their action to enforce any right under this Indenture, except in the manner herein provided, and that all proceedings at law or in equity to enforce any provisions of this Indenture shall be instituted, had and maintained in the manner herein provided and for the equal benefit of all Owners of the Outstanding Bonds.

The right of any Owner of any Bond to receive payment of the principal of (and premium, if any) and interest on such Bond as herein provided, shall not be impaired or affected without the written consent of such Owner, notwithstanding the foregoing provisions of this Section or any other provision of this Indenture.

Section 8.5 Non-waiver. Nothing in this Article VIII or in any other provision of this Indenture or in the Bonds, shall affect or impair the obligation of the Successor Agency, which is absolute and unconditional, to pay from the Pledged Tax Revenues and other amounts pledged hereunder, the principal of and interest and redemption premium (if any) on the Bonds to the respective Owners on the respective Interest Payment Dates, as herein provided, or affect or impair the right of action, which is also absolute and unconditional, of the Owners to institute suit to enforce such payment by virtue of the contract embodied in the Bonds.

A waiver of any default by any Owner shall not affect any subsequent default or impair any rights or remedies on the subsequent default. No delay or omission of any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy conferred upon the Owners by the Dissolution Act or by this Article VIII may be enforced and exercised from time to time and as often as shall be deemed expedient by the Owners.

If a suit, action or proceeding to enforce any right or exercise any remedy shall be abandoned or determined adversely to the Owners, the Successor Agency and the Owners shall be restored to their former positions, rights and remedies as if such suit, action or proceeding had not been brought or taken.

Section 8.6 Actions by Trustee as Attorney-in-Fact. Any suit, action or proceeding which any Owner shall have the right to bring to enforce any right or remedy hereunder may be brought by the Trustee for the equal benefit and protection of all Owners similarly situated and the Trustee is hereby appointed (and the successive respective Owners by taking and holding the Bonds or Parity Bonds, as applicable, shall be conclusively deemed so to have appointed it) the true and lawful attorney-in-fact of the respective Owners for the purpose of bringing any such suit, action or proceeding and to do and perform any and all acts and things for and on behalf of the respective Owners as a class or classes, as may be necessary or advisable in the opinion of the Trustee as such attorney-in-fact, provided the Trustee shall have no duty or obligation to enforce any such right or remedy if it has not been indemnified to its satisfaction from loss, liability or any expense including, but not limited to reasonable fees and expenses of its attorneys.

Section 8.7 Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Owners is intended to be exclusive of any other remedy. Every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing, at law or in equity by statute or otherwise, and may be exercised without exhausting and without regard to any other remedy conferred by the Law or any other law.

ARTICLE IX

MISCELLANEOUS

Section 9.1 Benefits Limited to Parties. Nothing in this Indenture expressed or implied is intended or shall be construed to confer upon, or to give or grant to, any person or entity, other than the Successor Agency, the Trustee, and the registered Owners of the Bonds, any right, remedy or claim under or by reason of this Indenture or any covenant, condition or stipulation hereof, and all covenants, stipulations, promises and agreements in this Indenture contained by and on behalf of the Successor Agency shall be for the sole and exclusive benefit of the Successor Agency, the Trustee, and the registered Owners of the Bonds. Principal hereof and premium, if any, upon early redemption hereof are payable upon presentation and surrender of this Bond at the corporate trust office of U.S. Bank National Association, as trustee (the "Trustee"). Interest hereon (including the final interest payment upon maturity or earlier redemption) is payable by check of the Trustee mailed on the interest payment date by first class mail to the Registered

Owner hereof at the Registered Owner's address as it appears on the registration books maintained by the Trustee at the close of business on the Record Date next preceding such interest payment date; provided, however, that upon the written request of any Registered Owner of at least \$1,000,000 in principal amount of Bonds received by the Trustee at least fifteen (15) days prior to such Record Date, payment shall be made by wire transfer in immediately available funds to an account in the United States designated by such Owner.

This Bond is one of a duly authorized issue of Bonds of the Successor Agency designated as "Successor Agency to the Lancaster Redevelopment Agency, Combined Redevelopment Project Areas (Non-Housing Programs), Tax Allocation Refunding Bonds, Issue of 2016A" (the "Bonds"), in an aggregate principal amount of _____ Thousand Dollars (\$_____), all of like tenor and date (except for such variation, if any, as may be required to designate varying series, numbers, maturities, interest rates or redemption and other provisions) and all issued pursuant to the provisions of the Refunding Bond Act, being Article II (commencing with Section 53580) of Chapter 3 of Part 1 of Division 2 of Title 5 of the Government Code of the State of California (the "Act"), and pursuant to a resolution of the Successor Agency adopted _____, 2015, and a resolution adopted by the Oversight Board on _____, 2015, and an Indenture of Trust, dated as of _____ 1, 2016, entered into by and between the Successor Agency and the Trustee (the "Indenture"), authorizing the issuance of the Bonds. Additional bonds, notes or other obligations may be issued on a parity with the Bonds, but only subject to the terms of the Indenture. Reference is hereby made to the Indenture (copies of which are on file at the office of the Successor Agency) and all indentures supplemental thereto and to the Act for a description of the terms on which the Bonds are issued, the provisions with regard to the nature and extent of the Pledged Tax Revenues, as that term is defined in the Indenture, and the rights thereunder of the registered owners of the Bonds and the rights, duties and immunities of the Trustee and the rights and obligations of the Successor Agency thereunder, to all of the provisions of which Indenture the Registered Owner of this Bond, by acceptance hereof, assents and agrees.

The Bonds are special obligations of the Successor Agency and are payable from, and are secured by a pledge of and lien on the Pledged Tax Revenues derived by the Successor Agency from the Project Area (as that term is defined in the Indenture), on a parity with certain other obligations of the Successor Agency, as more fully set forth in the Indenture.

There has been created and will be maintained by the Successor Agency the Redevelopment Obligation Retirement Fund (as defined in the Indenture) into which Pledged Tax Revenues shall be deposited and transferred to the Trustee for deposit into the Debt Service Fund (as defined in the Indenture) from which the Trustee shall pay the principal of and the interest and redemption premium, if any, on the Bonds when due. As and to the extent set forth in the Indenture, all such Pledged Tax Revenues are exclusively and irrevocably pledged to and constitute a trust fund for, in accordance with the terms hereof and the provisions of the Indenture and the Act, the security and payment of, and for the security and payment of interest on, the Bonds, any additional bonds, notes or other obligations, authorized by the Indenture to be issued on a parity therewith. In addition, the Bonds (and, if the indenture authorizing any loans, advances or indebtedness issued on a parity with the Bonds shall so provide, any such loan, advance or indebtedness) shall be additionally secured at all times by a first and exclusive pledge of and lien upon all of the moneys in the Debt Service Fund, the Interest Account, the Principal Account and the Reserve Account (as such terms are defined in the Indenture). Except for the Pledged Tax Revenues, no funds or properties of the Successor Agency shall be pledged to, or otherwise liable for, the payment of principal of or interest or redemption premium, if any, on the Bonds.

The Bonds are subject to redemption prior to maturity. The Bonds are subject to redemption prior to maturity in whole, or in part in the manner determined by the Successor Agency, on any date on or after February 1, [2025], from any available source of funds, at a redemption price (expressed as a percentage of the principal amount of the Bonds to be redeemed) as follows, together with accrued interest thereon to the redemption date, without premium.

The Bonds maturing on February 1, 20__ and February 1, 20__ are subject to redemption in part by lot on February 1, 20__ and February 1, 20__, respectively, and on February 1 in each year shown below until maturity, from sinking account payments made by the Successor Agency, at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest thereon to the redemption date, without premium, in the aggregate respective principal amounts and on the respective dates as set forth in the following tables; provided, however, that if some but not all of the Bonds have been redeemed the total amount of all future sinking account payments will be reduced by an amount corresponding to the aggregate principal amount of Bonds so redeemed, to be allocated among such sinking account payments on a pro rata basis in integral multiples of \$5,000 as determined by the Successor Agency (notice of which determination will be given by the Successor Agency to the Trustee):

If an Event of Default, as defined in the Indenture, shall occur, the principal of all Bonds may be declared due and payable upon the conditions, in the manner and with the effect provided in the Indenture, but such declaration and its consequences may be rescinded and annulled as further provided in the Indenture.

The Bonds are issuable as fully registered Bonds without coupons in denominations of \$5,000 each and any integral multiple thereof. Subject to the limitations and conditions and upon payment of the charges, if any, as provided in the Indenture, Bonds may be exchanged for a like aggregate principal amount of Bonds of other authorized denominations and of the same maturity.

This Bond is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at the corporate trust office of the Trustee, but only in the manner and subject

to the limitations provided in the Indenture, and upon surrender and cancellation of this Bond. Upon registration of such transfer a new fully registered Bond or Bonds, of authorized denomination or denominations, for the same aggregate principal amount and of the same maturity will be issued to the transferee in exchange herefor.

The Trustee shall not be required to register the transfer or exchange of any Bond (i) during the period established by the Trustee for selection of Bonds for redemption or (ii) selected for redemption.

The Successor Agency and the Trustee may treat the Registered Owner hereof as the absolute owner hereof for all purposes, and the Successor Agency and the Trustee shall not be affected by any notice to the contrary.

The rights and obligations of the Successor Agency and the registered owners of the Bonds may be modified or amended at any time in the manner, to the extent and upon the terms provided in the Indenture, but no such modification or amendment shall extend the maturity of or reduce the interest rate on any Bond or otherwise alter or impair the obligation of the Successor Agency to pay the principal, interest or redemption premiums (if any) at the time and place and at the rate and in the currency provided herein of any Bond without the express written consent of the registered owner of such Bond, reduce the percentage of Bonds required for the written consent to any such amendment or modification or, without its written consent thereto, modify any of the rights or obligations of the Trustee.

This Bond is not a debt of the City of Lancaster, the State of California, or any of its political subdivisions (except the Successor Agency), and none of said City, said State, nor any of its political subdivisions (except the Successor Agency) is liable hereon, nor in any event shall this Bond be payable out of any funds or properties other than those of the Successor Agency as set forth in the Indenture. The Bonds do not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

It is hereby certified that all of the things, conditions and acts required to exist, to have happened or to have been performed precedent to and in the issuance of this Bond do exist, have happened or have been performed in due and regular time and manner as required by the Act and the laws of the State of California, and that the amount of this Bond, together with all other indebtedness of the Successor Agency, does not exceed any limit prescribed by the Act or any laws of the State of California, and is not in excess of the amount of Bonds permitted to be issued under the Indenture.

This Bond shall not be entitled to any benefit under the Indenture or become valid or obligatory for any purpose until the Trustee's Certificate of Authentication hereon shall have been manually signed by the Trustee.

IN WITNESS WHEREOF, the Successor Agency to the Lancaster Redevelopment Agency has caused this Bond to be executed in its name and on its behalf with the facsimile signatures of its Chair and its Secretary, all as of the Delivery Date.

Escrow Fund which together with other moneys on deposit therein will be transferred to the Escrow Bank for deposit in a separate segregated escrow account and applied to the payment of the 2006 School District Loan Agreements. Upon delivery of the Bonds hereunder, such sums are to be deposited and to be used as provided in this Indenture and the applicable Escrow Agreement.

(ii) The Successor Agency and the Escrow Bank, according to its duties under the Escrow Agreements, shall take all action necessary to pay and retire the Refunded Obligations, including, without limitation, all actions required by this Indenture.

(iii) The Successor Agency hereby directs the Trustee, in its capacity as the Escrow Bank, to transfer from amounts deposited under the Escrow Agreements an amount sufficient to pay the principal of, premium, if any, and interest through the call and defeasance of each of the Refunded Obligations in accordance with the Escrow Agreements.

(b) The Bonds shall be and are special obligations of the Successor Agency and are secured by an irrevocable pledge of, and are payable as to principal, interest and premium, if any, on a parity with the Existing Bonds from Pledged Tax Revenues and other funds as hereinafter provided. The Bonds, interest and premium, if any, thereon are not a debt of the City, the State or any of its political subdivisions (except the Successor Agency), and none of the City, the State nor any of its political subdivisions (except the Successor Agency) is liable on them. In no event shall the Bonds, interest thereon and premium, if any, be payable out of any funds or properties other than those of the Successor Agency as set forth in this Indenture. The Bonds do not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction. Neither the members of the Successor Agency nor any persons executing the Bonds are liable personally on the Bonds by reason of their issuance.

The Bonds shall be and are equally secured together with any Parity Bonds, by an irrevocable pledge of the Pledged Tax Revenues and other funds as hereinafter provided, without priority for number, maturity, date of sale, date of execution or date of delivery, except as expressly provided herein.

Nothing in this Indenture shall preclude: (a) the payment of the Bonds from the proceeds of refunding bonds issued pursuant to the Dissolution Act, or (b) the payment of the Bonds from any legally available funds. Nothing in this Indenture shall prevent the Successor Agency from making advances of its own funds, however derived, to any of the uses and purposes mentioned in this Indenture.

The Successor Agency shall have the right to defease the Bonds and be discharged from the lien of this Indenture in accordance with the provision of Section 9.3 hereof. If the Successor Agency shall cause to be paid, or shall have made provision to pay upon maturity or upon redemption prior to maturity, to the Bondowners the principal of, premium, if any, and interest to become due on the Bonds, through setting aside trust funds or setting apart in a reserve fund or special trust account created pursuant to this Indenture or otherwise, or through the irrevocable segregation for that purpose in some sinking fund or other fund or trust account with a fiscal agent or otherwise, moneys sufficient therefor, including, but not limited to, interest earned or to be earned on the investment of such funds, then the lien of this Indenture, including, without limitation, the pledge of the Pledged Tax Revenues, and all other rights granted hereby, shall cease, terminate and become void and be discharged and satisfied, and the principal of, premium, if any, and interest on the Bonds shall no longer be deemed to be outstanding and unpaid; provided, however, that nothing in this

Indenture shall require the deposit of more than such amount as may be sufficient, taking into account both the principal amount of such funds and the interest to become due on the investment thereof, to implement any refunding of the Bonds.

Section 2.2 Term of Bonds.

(a) The Bonds shall be issued in fully registered form without coupons in denominations of \$5,000 or any integral multiple thereof and the Bonds shall mature on February 1, in the years and in the amounts and shall bear interest at the rate per annum as follows:

<i>Maturity Date</i>	<i>Principal Amount</i>	<i>Interest Rate</i>

Both the principal of and interest and premium (if any) on the Bonds shall be payable in lawful money of the United States of America Interest shall be calculated based upon a 360-day year of twelve thirty-day months.

Each Bond shall be initially dated as of the Delivery Date and shall bear interest from the Interest Payment Date next preceding the date of authentication thereof, unless (a) it is authenticated after a Regular Record Date and on or before the following Interest Payment Date, in which event it shall bear interest from such Interest Payment Date; or (b) a Bond is authenticated on or before July 15, 2016, in which event it shall bear interest from the Delivery Date; provided, however, that if, as of the date of authentication of any Bond, interest thereon is in default, such Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment thereon.

Section 2.3 Redemption of Bonds.

(a) Optional Redemption. The Bonds are subject to redemption prior to maturity in whole, or in part in the manner determined by the Successor Agency, on any date on or after February 1, [2025], from any available source of funds, at a redemption price (expressed as a percentage of the principal amount of the Bonds to be redeemed) as follows, together with accrued interest thereon to the redemption date, without premium.

The Successor Agency shall be required to give the Trustee written notice of its intention to redeem Bonds under this subsection (a) at least 40 days prior to the date fixed for such redemption, and shall transfer to the Trustee for deposit in the Redemption Account all amounts required for such redemption at least five (5) Business Days prior to the date fixed for such redemption; provided, the Trustee may waive such requirements in its sole discretion upon written request of the Successor Agency.

(b) Sinking Account Redemption. The Term Bonds maturing on February 1, 20__ and February 1, 20__ are subject to redemption in part by lot on August 1 in each year shown in the respective tables below until maturity, from sinking account payments made by the Successor Agency, at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest thereon to the redemption date, without premium, in the aggregate respective principal amounts and on the respective dates as set forth in the following tables; provided, however, that if some but not all of the Bonds have been redeemed the total amount of all future sinking account payments will be reduced by an amount corresponding to the aggregate principal amount of Bonds so redeemed, to be allocated among such sinking account payments on a pro rata basis in integral multiples of \$5,000 as determined by the Successor Agency (notice of which determination will be given by the Successor Agency to the Trustee):

Term Bonds Maturing in 20__

<i>Redemption Date</i> <i>(February 1)</i>	<i>Principal Amount to be</i> <i>Redeemed or Purchased</i>
---	---

(maturity)

Term Bonds Maturing in 20__

<i>Redemption Date</i> <i>(February 1)</i>	<i>Principal Amount to be</i> <i>Redeemed or Purchased</i>
---	---

(maturity)

(c) Partial Redemption of Bonds. In the event only a portion of any Bond is called for redemption, then upon surrender of such Bond the Successor Agency shall execute and the Trustee shall authenticate and deliver to the Owner thereof, at the expense of the Successor Agency,

a new Bond or Bonds of the same interest rate and maturity, of authorized denominations in an aggregate principal amount equal to the unredeemed portion of the Bond to be redeemed.

(d) Effect of Redemption. From and after the date fixed for redemption, if funds available for the payment of the redemption price of and interest on the Bonds so called for redemption shall have been duly deposited with the Trustee, such Bonds so called such cease to be entitled to any benefit under this Indenture other than the right to receive payment of the redemption price and accrued interest to the redemption date, and no interest shall accrue thereon from and after the redemption date specified in such notice.

(e) Manner of Redemption. Whenever any Bonds or portions thereof are to be selected for redemption by lot, the Trustee shall make such selection, in such manner as the Trustee shall deem appropriate, and shall assign to each Bond then Outstanding a distinctive number for each \$5,000 of the principal amount of each such Bond. The Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected, but only so much of the principal amount of each such Bond so selected. All Bonds redeemed or purchased pursuant to this Section 2.3 shall be canceled and destroyed by the Trustee.

(f) Purchase in Lieu of Redemption. In lieu of sinking account redemption of Bonds, amounts on deposit in the Redevelopment Obligation Retirement Fund (to the extent not required to be transferred to the Trustee during the current Bond Year) may also be used and withdrawn by the Successor Agency at any time for the purchase of the Bonds at public or private sale as and when and at such prices (including brokerage and other charges and including accrued interest) as the Successor Agency may in its discretion determine. The par amount of any of the Bonds so purchased by the Successor Agency and surrendered to the Trustee for cancellation in any twelve-month period ending on July 15 in any year will be credited towards and will reduce the principal amount of the Bonds otherwise required to be redeemed on the following August 1 pursuant to this Indenture.

(g) Notice of Redemption. The Trustee on behalf of and at the expense of the Successor Agency will mail (by first class mail, postage prepaid) notice of any redemption at least thirty (30) but not more than sixty (60) days prior to the redemption date, to (i) the Owners of any Bonds designated for redemption at their respective addresses appearing on the Registration Books, and (ii) to the Securities Depositories designated in a Written Request of the Successor Agency filed with the Trustee at the time the Successor Agency notifies the Trustee of its intention to redeem Bonds; but such mailing will not be a condition precedent to such redemption and neither failure to receive any such notice nor any defect therein will affect the validity of the proceedings for the redemption of such Bonds or the cessation of the accrual of interest thereon. Such notice will state the redemption date and the redemption price, will designate the CUSIP number of the Bonds to be redeemed, state the individual number of each Bond to be redeemed or state that all Bonds between two stated numbers (both inclusive) or all of the Bonds Outstanding (or all Bonds of a maturity) are to be redeemed, and will require that such Bonds be then surrendered at the Trust Office of the Trustee for redemption at the said redemption price, giving notice also that further interest on such Bonds will not accrue from and after the redemption date.

The Successor Agency shall have the right to rescind any optional redemption by written notice to the Trustee on or prior to the date fixed for redemption. Any such notice of optional redemption shall be canceled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and

such cancellation shall not constitute an Event of Default under this Indenture. The Successor Agency and the Trustee shall have no liability to the Owners or any other party related to or arising from such rescission of redemption. The Trustee shall mail notice of such rescission of redemption in the same manner and to the same recipients as the original notice of redemption was sent.

(h) Purchase In Open Market. Amounts on deposit in the Redevelopment Obligation Retirement Fund (to the extent not required to be transferred to the Trustee during the current Bond Year and to the extent permitted by the Dissolution Act) may also be used and withdrawn by the Successor Agency at any time for the purchase of the Bonds at public or private sale as and when and at such prices (including brokerage and other charges and including accrued interest) as the Successor Agency may in its discretion determine. The Bonds so purchased by the Successor Agency shall be surrendered to the Trustee for cancellation and shall no longer be Outstanding.

(i) The Trustee on behalf of and at the expense of the Successor Agency will mail (by first class mail, postage prepaid) notice of any redemption at least thirty (30) but not more than sixty (60) days prior to the redemption date, to (i) the Owners of any Bonds designated for redemption at their respective addresses appearing on the Registration Books, and (ii) to the Securities Depositories and to the Information Services designated in a Written Request of the Successor Agency filed with the Trustee at the time the Successor Agency notifies the Trustee of its intention to redeem Bonds; but such mailing will not be a condition precedent to such redemption and neither failure to receive any such notice nor any defect therein will affect the validity of the proceedings for the redemption of such Bonds or the cessation of the accrual of interest thereon. Such notice will state the redemption date and the redemption price, will designate the CUSIP number of the Bonds to be redeemed, state the individual number of each Bond to be redeemed or state that all Bonds between two stated numbers (both inclusive) or all of the Bonds Outstanding (or all Bonds of a maturity) are to be redeemed, and will require that such Bonds be then surrendered at the Trust Office of the Trustee for redemption at the said redemption price, giving notice also that further interest on such Bonds will not accrue from and after the redemption date.

The Successor Agency shall have the right to rescind any optional redemption by written notice to the Trustee at least fifteen (15) days prior to the date fixed for redemption. Any notice of optional redemption shall be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under this Indenture. The Successor Agency and the Trustee shall have no liability to the Owners or any other party related to or arising from such rescission of redemption. The Trustee shall mail notice of such rescission of redemption in the same manner as the original notice of redemption was sent.

Section 2.4 Form of Bonds. The Bonds, the form of Trustee's certificate of authentication, and the form of assignment to appear thereon, shall be substantially in the form set forth in Exhibit A attached hereto and by this reference incorporated herein, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Indenture.

Section 2.5 Execution of Bonds. The Bonds shall be executed on behalf of the Successor Agency by the signature of its Chair and the signature of its Secretary who are in office on the date of execution and delivery of this Indenture or at any time thereafter. Either or both of such signatures may be made manually or may be affixed by facsimile thereof. If any officer whose signature appears on any Bond ceases to be such officer before delivery of the Bonds to the purchaser, such

signature shall nevertheless be as effective as if the officer had remained in office until the delivery of the Bonds to the purchaser. Any Bond may be signed and attested on behalf of the Successor Agency by such persons as at the actual date of the execution of such Bond shall be the proper officers of the Successor Agency although on the date of such Bond any such person shall not have been such officer of the Successor Agency.

Only such of the Bonds as shall bear thereon a certificate of authentication in the form set forth in Exhibit A hereto, manually executed and dated by and in the name of the Trustee by the Trustee, shall be valid or obligatory for any purpose or entitled to the benefits of this Indenture, and such certificate of the Trustee shall be conclusive evidence that such Bonds have been duly authenticated and delivered hereunder and are entitled to the benefits of this Indenture. In the event temporary Bonds are issued pursuant to Section 2.9 hereof, the temporary Bonds shall bear thereon a certificate of authentication manually executed and dated by the Trustee, shall be initially registered by the Trustee, and, until so exchanged as provided under Section 2.9 hereof, the temporary Bonds shall be entitled to the same benefits pursuant to this Indenture as definitive Bonds authenticated and delivered hereunder.

Section 2.6 Transfer of Bonds. Any Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the person in whose name it is registered, in person or by a duly authorized attorney of such person, upon surrender of such Bond to the Trustee at its Trust Office for cancellation, accompanied by delivery of a written instrument of transfer in a form acceptable to the Trustee, duly executed. Whenever any Bond or Bonds shall be surrendered for registration of transfer, the Successor Agency shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds, of like series, interest rate, maturity and principal amount of authorized denominations. The Trustee shall collect any tax or other governmental charge on the transfer of any Bonds pursuant to this Section 2.6. The cost of printing any Bonds and any services rendered or any expenses incurred by the Trustee in connection with any exchange or transfer shall be paid by the Successor Agency.

The Trustee may refuse to transfer, under the provisions of this Section 2.6, either (a) any Bonds during the period established by the Trustee for the selection of Bonds for redemption, or (b) any Bonds selected by the Trustee for redemption pursuant to the provisions of Section 2.3.

Section 2.7 Exchange of Bonds. Bonds may be exchanged at the Trust Office of the Trustee for a like aggregate principal amount of Bonds of other authorized denominations of the same series, interest rate and maturity. The Trustee shall collect any tax or other governmental charge on the exchange of any Bonds pursuant to this Section 2.7. The cost of printing any Bonds and any services rendered or any expenses incurred by the Trustee in connection with any exchange or transfer shall be paid by the Successor Agency.

The Trustee may refuse to exchange, under the provisions of this Section 2.7, either (a) any Bonds during the period established by the Trustee for the selection of Bonds for redemption or (b) any Bonds selected by the Trustee for redemption pursuant to the provisions of Section 2.3.

Section 2.8 Registration Books. The Trustee will keep or cause to be kept, at its Trust Office, sufficient records for the registration and registration of transfer of the Bonds, which shall at all times during normal business hours be open to inspection by the Successor Agency with reasonable prior notice; and, upon presentation for such purpose, the Trustee shall, under such

reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on the Registration Books, Bonds as hereinbefore provided.

Section 2.9 Temporary Bonds. The Bonds may be initially issued in temporary form exchangeable for definitive Bonds when ready for delivery. The temporary Bonds may be printed, lithographed or typewritten, shall be of such denominations as may be determined by the Successor Agency, and may contain such reference to any of the provisions of this Indenture as may be appropriate. Every temporary Bond shall be executed by the Successor Agency upon the same conditions and in substantially the same manner as the definitive Bonds. If the Successor Agency issues temporary Bonds it will execute and furnish definitive Bonds without delay, and thereupon the temporary Bonds shall be surrendered, for cancellation, in exchange therefor at the Trust Office of the Trustee, and the Trustee shall deliver in exchange for such temporary Bonds an equal aggregate principal amount of definitive Bonds of authorized denominations. Until so exchanged, the temporary Bonds shall be entitled to the same benefits pursuant to this Indenture as definitive Bonds authenticated and delivered hereunder.

Section 2.10 Bonds Mutilated, Lost, Destroyed or Stolen. If any Bond shall become mutilated, the Successor Agency, at the expense of the Owner of such Bond, shall execute, and the Trustee shall thereupon deliver, a new Bond of like amount and maturity in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of the Bond so mutilated. Every mutilated Bond so surrendered to the Trustee shall be canceled by it. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Successor Agency and the Trustee and, if such evidence is satisfactory to both and indemnity satisfactory to them shall be given, the Successor Agency, at the expense of the Owner, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like amount and maturity in lieu of and in substitution for the Bond so lost, destroyed or stolen. The Successor Agency may require payment of a sum not exceeding the actual cost of preparing each new Bond issued under this Section 2.10 and of the expenses which may be incurred by the Successor Agency and the Trustee in the premises. Any Bond issued under the provisions of this Section in lieu of any Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the Successor Agency whether or not the Bond so alleged to be lost, destroyed or stolen shall be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Indenture with all other Bonds issued pursuant to this Indenture.

Section 2.11 Book-Entry Only System. It is intended that the Bonds, be registered so as to participate in a securities depository system with DTC (the "DTC System"), as set forth herein. The Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities of the Bonds in the name of Hilltop Securities, Inc. and shall thereafter be assigned to and registered in the name of Cede & Co., as nominee of DTC. The Successor Agency and the Trustee are authorized to execute and deliver such letters to or agreements with DTC as shall be necessary to effectuate the DTC System, including a representation letter in the form required by DTC (the "Representation Letter"). In the event of any conflict between the terms of any such letter or agreement, including the Representation Letter, and the terms of this Indenture, the terms of this Indenture shall control. DTC may exercise the rights of a Bondowner only in accordance with the terms hereof applicable to the exercise of such rights.

With respect to the Bonds registered in the books of the Trustee in the name of Cede & Co., as nominee of DTC, the Successor Agency and the Trustee, shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which DTC holds Bonds from time to

time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein as a “DTC Participant”) or to any person on behalf of whom such a DTC Participant directly or indirectly holds an interest in the Bonds (each such person being herein referred to as an “Indirect Participant”). Without limiting the immediately preceding sentence, Successor Agency and the Trustee shall have no responsibility or obligation with respect to (a) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (b) the delivery to any DTC Participant or any Indirect Participant or any other person, other than a Bondowner, as shown in the Register, of any notice with respect to the Bonds, including any notice of redemption, (c) the payment to any DTC Participant or Indirect Participant or any other Person, other than a Bondowner, as shown in the Register, of any amount with respect to principal of, premium, if any, or interest on, the Bonds or (d) any consent given by DTC as registered owner. So long as certificates for the Bonds are not issued pursuant to Section 2.12 and the Bonds are registered to DTC, the Successor Agency, and the Trustee shall treat DTC or any successor securities depository as, and deem DTC or any successor securities depository to be, the absolute owner of the Bonds for all purposes whatsoever, including without limitation (i) the payment of principal and interest on the Bonds, (ii) giving notice of redemption and other matters with respect to the Bonds, (iii) registering transfers with respect to the Bonds and (iv) the selection of Bonds for redemption. While in the DTC System, no person other than Cede & Co., or any successor thereto, as nominee for DTC, shall receive a Bond certificate with respect to any Bond. Notwithstanding any other provision of this Indenture to the contrary, so long as any of the Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bonds and all notices with respect to such Bonds shall be made and given, respectively, in the manner provided in the Representation Letter.

Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Indenture with respect to interest checks being mailed to the registered owner at the close of business on the Record Date applicable to any Interest Payment Date, the name “Cede & Co.” in this Indenture shall refer to such new nominee of DTC.

Section 2.12 Successor Securities Depository; Transfers Outside Book-Entry Only System. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving written notice to the Successor Agency and the Trustee and discharging its responsibilities with respect thereto under applicable law. The Successor Agency, without the consent of any other person, but following written notice to the Successor Agency and the Trustee, may terminate the services of DTC with respect to the Bonds. Upon the discontinuance or termination of the services of DTC with respect to the Bonds pursuant to the foregoing provisions, unless a substitute securities depository is appointed to undertake the functions of DTC hereunder, the Successor Agency, at the expense of the Successor Agency, is obligated to deliver Bond certificates to the beneficial owners of the Bonds, as described in this Indenture, and the Bonds shall no longer be restricted to being registered in the books of the Trustee in the name of Cede & Co. as nominee of DTC, but may be registered in whatever name or name Bondowner transferring or exchanging Bonds shall designate to the Trustee in writing, in accordance with the provisions of this Indenture. The Successor Agency may determine that the Bonds shall be registered in the name of and deposited with a successor depository operating a securities depository system, qualified to act as such under Section 17(a) of the Securities Exchange Act of 1934, as amended, as may be acceptable to the Successor Agency, or such depository’s agent or designee.

SECURITY OF BONDS; FLOW OF FUNDS

Section 4.1 Security of Bonds; Equal Security. Except as provided in Sections 4.2 and 6.6, the Bonds and any Parity Bonds shall be equally secured by a pledge and lien on all of the Pledged Tax Revenues and on all of the moneys in the Redevelopment Obligation Retirement Fund and by a first and exclusive pledge and lien upon all of the moneys in the Debt Service Fund (including the Interest Account, the Principal Account, the Reserve Account and the Redemption Account therein) without preference or priority for series, issue, number, dated date, sale date, date of execution or date of delivery. Except for the Pledged Tax Revenues and such moneys, no funds or properties of the Successor Agency shall be pledged to, or otherwise liable for, the payment of principal of or interest or redemption premium (if any) on the Bonds.

It is the intent of the Successor Agency that, in accordance with paragraph (a)(1) of Section 34177.5 of the Dissolution Act, the foregoing pledge and lien of the Bonds on the Pledged Tax Revenues shall have the same lien priority thereon as the pledge thereon of the Refunded Obligations. The Bonds shall be payable from and secured by a pledge of the same portion of monies (20% of gross tax revenues) that would have comprised the Housing Set-Aside Amount for the bonds being refunded, which payment and pledge shall be senior and prior to the payment of any other bonds or obligations of the Successor Agency secured by or payable from Tax Revenues.

In consideration of the acceptance of the Bonds by those who shall own the same from time to time, this Indenture shall be deemed to be and shall constitute a contract between the Successor Agency and the Trustee for the benefit of the Owners from time to time of the Bonds, and the covenants and agreements herein set forth to be performed on behalf of the Successor Agency shall be for the equal and proportionate benefit, security and protection of all Owners of the Bonds without preference, priority or distinction as to security or otherwise of any of the Bonds over any of the others by reason of the number or date thereof or the time of sale, execution and delivery thereof, or otherwise for any cause whatsoever, except as expressly provided therein or herein.

Section 4.2 Redevelopment Obligation Retirement Fund, Debt Service Fund, Deposit of Pledged Tax Revenues. There has been established a special trust fund known as the "Redevelopment Obligation Retirement Fund," which shall be held by the Successor Agency pursuant to Section 34170.5 of the Dissolution Act. There is hereby established a special trust fund known as the "Debt Service Fund" and the accounts therein referred to below which shall be held by the Trustee. The Successor Agency shall deposit all of the Pledged Tax Revenues received in any Bond Year in the Redevelopment Obligation Retirement Fund promptly upon receipt thereof by the Successor Agency, and promptly thereafter shall transfer amounts received therein first, to the Debt Service Fund established and held under the under this Indenture until such time during such Bond Year as the amounts so transferred to the Debt Service Fund hereunder equal the aggregate amounts required to be deposited by the Trustee into the Interest Account, the Principal Account, the Reserve Account and the Redemption Account of the Debt Service Fund in such Bond Year pursuant to Section 4.3 of this Indenture and for deposit in such Bond Year in the funds and accounts established with respect to Parity Bonds, as provided in any Supplemental Indenture. The Successor Agency shall segregate all amounts distributed from the Redevelopment Property Tax Trust Fund by the County Auditor-Controller to the Successor Agency's Redevelopment Obligation Retirement Fund in a separate Successor Agency account in the name of the Successor Agency to be used solely to pay debt service on the Bonds and all other parity obligations. In the event the rating on general fund

obligations of the City falls below A- from Standard & Poor's, the Successor Agency will maintain, or cause the City to maintain, the Redevelopment Obligation Retirement Fund as a separate account with a bank or with the Trustee.

Section 4.3 Transfer of Amounts by the Trustee. There are hereby created accounts within the Debt Service Fund as set forth below, to be known respectively as the Interest Account, the Principal Account, the Reserve Account and the Redemption Account. Moneys in the Debt Service Fund will be transferred by the Trustee in the following amounts at the following times, for deposit in the following respective accounts within the Debt Service Fund, which are hereby established with the Trustee, in the following order of priority:

(a) Interest Account. On or before the 5th Business Day preceding each Interest Payment Date, to the extent there are moneys available, the Trustee shall transfer funds from the Debt Service Fund for deposit in the Interest Account an amount which, when added to the amount contained in the Interest Account on that date, will be equal to the aggregate amount of the interest becoming due and payable on the Outstanding Bonds on such Interest Payment Date. No such transfer and deposit need be made to the Interest Account if the amount contained therein is at least equal to the interest to become due on the next succeeding Interest Payment Date upon all of the Outstanding Bonds and Parity Bonds. Subject to this Indenture, all moneys in the Interest Account will be used and withdrawn by the Trustee solely for the purpose of paying the interest on the Bonds as it becomes due and payable (including accrued interest on any Bonds redeemed prior to maturity pursuant to this Indenture).

(b) Principal Account. On or before the 5th Business Day preceding each Principal Payment in each calendar year beginning [February 1, 2017], to the extent there are moneys available, the Trustee shall transfer funds from the Debt Service Fund for deposit in the Principal Account an amount equal to the principal or sinking account payments becoming due and payable on Outstanding Bonds and Parity Bonds on such February 1, to the extent monies on deposit in the Debt Service Fund are available therefor. No such transfer and deposit need be made to the Principal Account if the amount contained therein is at least equal to the principal and sinking account payments to become due on such February 1 on all Outstanding Bonds and Parity Bonds. Subject to this Indenture, all moneys in the Principal Account will be used and withdrawn by the Trustee solely for the purpose of paying the principal and sinking account payments of the Bonds as it becomes due and payable.

(c) Reserve Account. In the event moneys on deposit in the Debt Service Fund five (5) Business Days before any Interest Payment Date are less than the full amount of the interest and principal and sinking account payments required to be deposited by the Trustee pursuant to this Section, the Trustee will, five (5) Business Days before such Interest Payment Date, withdraw from the Reserve Account pro rata between the Reserve Account subaccounts an amount equal to any such deficiency and will notify the Successor Agency of any such withdrawal. Promptly upon receipt of any such notice, the Successor Agency will withdraw from the Redevelopment Obligation Retirement Fund and transfer to the Trustee for deposit in the Reserve Account an amount sufficient to maintain the Reserve Requirement on deposit in the Reserve Account and the subaccounts therein. If there is not sufficient moneys in the Redevelopment Obligation Retirement Fund to transfer an amount sufficient to maintain the Reserve Requirement on deposit in the Reserve Account and the subaccounts therein, the Successor Agency will have an obligation to continue making transfers of Pledged Tax Revenues into the Debt Service Fund, as such revenues become available, and thereafter, as moneys become available in the Debt Service Fund, the Trustee will make transfers to

the Reserve Account and the subaccounts therein until there is an amount sufficient to maintain the Reserve Requirement on deposit in the Reserve Account. No such transfer and deposit need be made to the Reserve Account (or any subaccount therein) so long as there is on deposit therein a sum at least equal to the Reserve Requirement. Subject to this Indenture all money in the Reserve Account will be used and withdrawn by the Trustee solely for the purpose of making transfers to the Interest Account and the Principal Account (and subaccounts therein, as the case may be), in such order of priority, in the event of any deficiency at any time in any of such accounts or for the retirement of all the Bonds then Outstanding, except that so long as the Successor Agency is not in default hereunder, any amount in the Reserve Account in excess of the Reserve Requirement will be withdrawn from the Reserve Account semiannually on or before the 5th Business Day preceding February 1 and August 1 by the Trustee and deposited in the Interest Account. All amounts in the Reserve Account on the 5th Business Day preceding the final Interest Payment Date will be withdrawn from the Reserve Account and will be transferred either (i) to the Interest Account and the Principal Account, in such order, to the extent required to make the deposits then required to be made or, (ii) if the Successor Agency shall have caused to be deposited with the Trustee an amount sufficient to make the deposits required by this Indenture, then at the Written Request of the Successor Agency such amount shall be transferred as directed by the Successor Agency. The prior written consent of the Insurer shall be a condition precedent to the deposit of any credit instrument provided in lieu of a cash deposit into the Reserve Account, if any. Notwithstanding anything to the contrary set forth in the Indenture, amounts on deposit in the Reserve Account shall be applied solely to the payment of debt service due on the Bonds.

Any recomputation of the Reserve Requirement required at any time pursuant to this Indenture will be made by the Agency and transmitted promptly to the Trustee. All amounts on deposit in the Reserve Account will be available, as needed, to pay principal of, and interest on, the Bonds from and after the final Interest Payment Date for the Bonds, and will not be transferred to the Agency until after the final Interest Payment Date for the Bonds. Notwithstanding the foregoing, the Agency may withdraw all amounts on deposit in the Reserve Account on any date from and after the final Interest Payment Date for the Bonds so long as, prior to such withdrawal, the Agency delivers to the Trustee, a certificate of an Independent Financial Consultant to the effect that for the then current Fiscal Year, the Pledged Revenues to be received by the Agency based upon the most recently certified assessed valuation of taxable property in the Project area provided by the appropriate officer of the County, are at least equal to the sum of 125% of the Maximum Annual Debt Service on the Outstanding Bonds and any Outstanding Parity Bonds (excluding debt service with respect to any portion of the Parity Bonds deposited in an escrowed proceeds account to the extent such debt service is paid from earnings on the investment of such funds).

The Reserve Requirement may be satisfied by crediting to the Reserve Account moneys or a Qualified Reserve Account Credit Instrument, or any combination thereof, which in the aggregate make funds available in the Reserve Account in an amount equal to the Reserve Requirement.

(d) Redemption Account. On or before the 5th Business Day preceding any date on which Bonds are to be redeemed, the Trustee shall transfer from the Debt Service Fund for deposit in the Redemption Account an amount required to pay the principal of, interest and premium, if any, on the Bonds (other than Bonds redeemed from sinking account payments) to be redeemed on such date. Subject to this Indenture, all moneys in the Redemption Account will be used and withdrawn by the Trustee solely for the purpose of paying the principal of, interest and premium, if any, on the Bonds to be redeemed on the date set for such redemption.

Section 4.4 Rebate Fund. The Trustee shall establish a separate fund for the Bonds designated the “Rebate Fund.” Absent an opinion of Bond Counsel that the exclusion from gross income for federal income tax purposes of interest on the Bonds will not be adversely affected, the Agency shall cause to be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to this Section and the Tax Certificate. All money at any time deposited in the Rebate Fund shall be held by the Trustee in trust, for payment to the United States Treasury. All amounts on deposit in the Rebate Fund for the Bonds shall be governed by this Section and the Tax Certificate, unless the Successor Agency obtains and delivers to the Trustee an opinion of Bond Counsel that the exclusion from gross income of interest on the Bonds will not be adversely affected for federal income tax purposes if such requirements are not satisfied. Notwithstanding anything to the contrary contained herein or in the Tax Certificate, the Trustee shall be deemed conclusively to have complied with the provisions of this Section and the Tax Certificate if the Trustee follows the directions of the Agency, and the Trustee shall have no independent responsibility to or liability resulting from failure of the Trustee to enforce compliance by the Agency with the Tax Certificate or the provisions of this Section.

(a) Excess Investment Earnings.

(i) Computation. Within 55 days of the end of each fifth Computation Year with respect to the Bonds, the Successor Agency shall calculate or cause to be calculated the amount of rebatable arbitrage, in accordance with Section 148(f)(2) of the Code and Section 1.148-3 of the Rebate Regulations (taking into account any applicable exceptions with respect to the computation of the rebatable arbitrage, described, if applicable, in the Tax Certificate (e.g. the temporary investments exception of Section 148(f)(4)(B) and the construction expenditure exception of Section 148(f)(4)(C) of the Code), for this purpose treating the last day of the applicable Computation Year as a computation date, within the meaning of Section 1.148-1(b) of the Rebate Regulations (the “Rebatable Arbitrage”). The Successor Agency shall obtain expert advice as to the amount of the Rebatable Arbitrage to comply with this Section.

(ii) Transfer. Within 55 days of the end of each fifth Computation Year with respect to the Bonds, upon the Finance Director’s written direction, an amount shall be deposited to the Rebate Fund by the Trustee from any legally available funds, including the other funds and accounts established herein, so that the balance in the Rebate Fund shall equal the amount of Rebatable Arbitrage so calculated in accordance with clause (i) of this Section 4.4(a). In the event that immediately following the transfer required by the previous sentence, the amount then on deposit to the credit of the Rebate Fund exceeds the amount required to be on deposit therein, upon written instructions from the Finance Director, the Trustee shall withdraw the excess from the Rebate Fund and then credit the excess to the Debt Service Fund.

(iii) Payment to the Treasury. The Successor Agency shall direct the Trustee in writing to pay to the United States Treasury, out of amounts in the Rebate Fund.

(X) Not later than 60 days after the end of (A) the fifth Computation Year with respect to the Bonds, and (B) each applicable fifth Computation Year thereafter, an amount equal to at least 90% of the Rebatable Arbitrage calculated as of the end of such Computation Year; and

(Y) Not later than 60 days after the payment of all the Bonds, an amount equal to 100% of the Rebatable Arbitrage calculated as of the end of such applicable

Computation Year, and any income attributable to the Rebateable Arbitrage, computed in accordance with Section 148(f) of the Code.

In the event that, prior to the time of any payment required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the Successor Agency shall calculate or cause to be calculated the amount of such deficiency and deposit an amount received from any legally available source, including the other funds and accounts established herein, equal to such deficiency in the Rebate Fund prior to the time such payment is due. Each payment required to be made pursuant to this Subsection 4.4(a)(iii) shall be made to the Internal Revenue Service Center, Ogden, Utah 84201 on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T prepared by the Successor Agency, or shall be made in such other manner as provided under the Code.

(b) Disposition of Unexpended Funds. Any funds remaining in the Rebate Fund after redemption and payment of the Bonds and the payments described in Section 4.4(a)(iii), shall be transferred by the Trustee to the Successor Agency at the written direction of the Successor Agency and utilized in any manner by the Successor Agency.

(c) Survival of Defeasance. Notwithstanding anything in this Section 4.4 or this Indenture to the contrary, the obligation to comply with the requirements of this Section shall survive the defeasance of the Bonds and any Parity Bonds.

(d) Trustee Responsible. The Trustee shall have no obligations or responsibilities under this Section other than to follow the written directions of the Successor Agency. The Trustee shall have no responsibility to make any calculations of rebate or to independently review or verify such calculations.

ARTICLE V

OTHER COVENANTS OF THE SUCCESSOR AGENCY

Section 5.1 Covenants of the Successor Agency. As long as the Bonds are outstanding and unpaid, the Successor Agency shall (through its proper members, officers, agents or employees) faithfully perform and abide by all of the covenants, undertakings and provisions contained in this Indenture or in any Bond issued hereunder, including the following covenants and agreements for the benefit of the Bondowners which are necessary, convenient and desirable to secure the Bonds and any Parity Bonds and will tend to make them more marketable; provided, however, that the covenants do not require the Successor Agency to expend any funds other than the Pledged Tax Revenues:

Covenant 1. Use of Proceeds; Management and Operation of Properties. The Successor Agency covenants and agrees that the proceeds of the sale of the Bonds will be deposited and used as provided in this Indenture and that it will manage and operate all properties owned by it comprising any part of the Project Area in a sound and businesslike manner.

Covenant 2. No Priority. The Successor Agency covenants and agrees that it will not issue any obligations payable, either as to principal or interest, from the Pledged Tax Revenues which have any lien upon the Pledged Tax Revenues prior or superior to the lien of the Bonds. Except as permitted by Section 3.4 hereof, it will not issue any obligations, payable as to principal or interest,

from the Pledged Tax Revenues, which have any lien upon the Pledged Tax Revenues on a parity with the Bonds authorized herein. Notwithstanding the foregoing, nothing in this Indenture shall prevent the Successor Agency (i) from issuing and selling pursuant to law, refunding obligations payable from and having any lawful lien upon the Pledged Tax Revenues, if such refunding obligations are issued for the purpose of, and are sufficient for the purpose of, refunding all of the Outstanding Bonds and Parity Bonds, (ii) from issuing and selling obligations which have, or purport to have, any lien upon the Pledged Tax Revenues which is junior to the Bonds or (iii) from issuing and selling bonds or other obligations which are payable in whole or in part from sources other than the Pledged Tax Revenues. As used herein “obligations” includes, without limitation, bonds, notes, interim certificates, debentures or other obligations.

Covenant 3. Punctual Payment. The Successor Agency shall punctually pay or cause to be paid the principal and interest to become due in respect of all the Bonds and Existing Bonds together with the premium thereon, if any, in strict conformity with the terms of the Bonds and the Existing Bonds and of this Indenture and the Existing Bonds Indentures. The Successor Agency shall faithfully observe and perform all of the conditions, covenants and requirements of this Indenture, the Existing Bonds Indentures, all Supplemental Indentures, the Bonds and the Existing Bonds. Nothing herein contained shall prevent the Successor Agency from making advances of its own moneys howsoever derived to any of the uses or purposes referred to herein.

Covenant 4. Payment of Taxes and Other Charges. The Successor Agency covenants and agrees that it will from time to time pay and discharge, or cause to be paid and discharged, all payments in lieu of taxes, service charges, assessments or other governmental charges which may lawfully be imposed upon the Successor Agency or any of the properties then owned by it in the Project Area, or upon the revenues and income therefrom, and will pay all lawful claims for labor, materials and supplies which if unpaid might become a lien or charge upon any of the properties, revenues or income or which might impair the security of the Bonds or the use of Pledged Tax Revenues or other legally available funds to pay the principal of and interest on the Bonds, all to the end that the priority and security of the Bonds shall be preserved; provided, however, that nothing in this covenant shall require the Successor Agency to make any such payment so long as the Successor Agency in good faith shall contest the validity of the payment.

Covenant 5. Books and Accounts; Financial Statements. The Successor Agency covenants and agrees that it will at all times keep, or cause to be kept, proper and current books and accounts (separate from all other records and accounts) in which complete and accurate entries shall be made of all transactions relating to the Redevelopment Project and the Pledged Tax Revenues and other funds relating to the Project Areas or the Bonds. Such records shall at all times during normal business hours and upon reasonable notice be subject to inspection by [Insurer] or its agents or representatives who have been duly authorized in writing. The Successor Agency will prepare within one hundred eighty (180) days after the close of each of its Fiscal Years a postaudit of the financial transactions and records of the Successor Agency for the Fiscal Year to be made by an Independent Certified Public Accountant appointed by the Successor Agency, and will furnish a copy of the postaudit to the Trustee and any rating agency which maintains a rating on the Bonds, and, upon written request, to any Bondowner. The Trustee shall have no duty to review such postaudits. The Successor Agency agrees, consents and will cooperate in good faith to provide information reasonably requested by [Insurer] and will further provide appropriately designated individuals and officers to discuss the affairs, finances and accounts of the Successor Agency or any other matter as [Insurer] may reasonably request.

Covenant 6. Eminent Domain Proceeds. The Successor Agency covenants and agrees that if all or any part of the Redevelopment Project Area should be taken from it without its consent, by eminent domain proceedings or other proceedings authorized by law, for any public or other use under which the property will be tax exempt, it shall take all steps necessary to adjust accordingly the base year property tax roll of the Project Area.

Covenant 7. Disposition of Property. The Successor Agency covenants and agrees that it will not dispose of more than ten percent (10%) of the land area in the Project Area (except property shown in the Redevelopment Plan in effect on the date this Indenture is adopted as planned for public use, or property to be used for public streets, public offstreet parking, sewage facilities, parks, easements or right-of-way for public utilities, or other similar uses) to public bodies or other persons or entities whose property is tax exempt, unless such disposition will not result in Pledged Tax Revenues to be less than the amount required for the issuance of Parity Bonds as provided in Section 3.4, based upon the certificate or opinion of an Independent Financial Consultant appointed by the Successor Agency.

Covenant 8. Protection of Security and Rights of Bondowners. The Successor Agency covenants and agrees to preserve and protect the security of the Bonds and the rights of the Bondowners and to contest by court action or otherwise (a) the assertion by any officer of any government unit or any other person whatsoever against the Successor Agency that (i) the Law is unconstitutional or (ii) that the Pledged Tax Revenues pledged under this Indenture cannot be paid to the Successor Agency for the debt service on the Bonds or (b) any other action affecting the validity of the Bonds or diluting the security therefor.

Covenant 9. Tax Covenants. In connection with the Bonds, the Successor Agency covenants and agrees to contest by court action or otherwise any assertion by the United States of America or any departments or agency thereof that the interest received by the Bondowners is includable in gross income of the recipient under federal income tax laws on the date of issuance of the Bonds. Notwithstanding any other provision of this Indenture, absent an opinion of Bond Counsel that the exclusion from gross income of interest with respect to the Bonds and Parity Bonds will not be adversely affected for federal income tax purposes, the Successor Agency covenants to comply with all applicable requirements of the Code necessary to preserve such exclusion from gross income and specifically covenants, without limiting the generality of the foregoing, as follows:

(i) Private Activity. The Successor Agency will take no action or refrain from taking any action or make any use of the proceeds of the Bonds or Parity Bonds or of any other monies or property which would cause the Bonds or Parity Bonds to be “private activity bonds” within the meaning of Section 141 of the Code;

(ii) Arbitrage. The Successor Agency will make no use of the proceeds of the Bonds or Parity Bonds or of any other amounts or property, regardless of the source, or take any action or refrain from taking any action which will cause the Bonds or Parity Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code;

(iii) Federal Guaranty. The Successor Agency will make no use of the proceeds of the Bonds or Parity Bonds or take or omit to take any action that would cause the Bonds or the Parity Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code;

(iv) Information Reporting. The Successor Agency will take or cause to be taken all necessary action to comply with the informational reporting requirement of Section 149(e) of the Code;

(v) Hedge Bonds. The Successor Agency will make no use of the proceeds of the Bonds or any Parity Bonds or any other amounts or property, regardless of the source, or take any action or refrain from taking any action that would cause either any Bonds or the Parity Bonds to be considered “hedge bonds” within the meaning of Section 149(g) of the Code unless the Successor Agency takes all necessary action to assure compliance with the requirements of Section 149(g) of the Code to maintain the exclusion from gross income of interest on the Bonds and any Parity Bonds for federal income tax purposes; and

(vi) Miscellaneous. The Successor Agency will take no action or refrain from taking any action inconsistent with its expectations stated in that certain Tax Certificate executed by the Successor Agency in connection with each issuance of Bonds and Parity Bonds and will comply with the covenants and requirements stated therein and incorporated by reference herein.

Covenant 10. Compliance with Dissolution Act. The Successor Agency shall comply with all of the requirements of the Law and the Dissolution Act. Without limiting the generality of the foregoing, the Successor Agency covenants and agrees to file all required statements and hold all public hearings required under the Dissolution Act to assure compliance by the Successor Agency with its covenants hereunder.

Further, it will take all actions required under the Dissolution Act to include:

(i) scheduled debt service on the Bonds and the Existing Bonds and any amount required under this Indenture or the Existing Bonds Indentures to replenish the Reserve Account established hereunder or thereunder, and

(ii) amounts due to any bond insurer under an insurance or surety bond agreement,

in Recognized Obligation Payment Schedules for each annual period beginning on July 1 of any calendar year and ending on June 30 of the next calendar year, or such other period as provided in the Dissolution Act (a “ROPS Period”), so as to enable the Auditor-Controller of the County of Los Angeles to distribute from the Redevelopment Property Tax Trust Fund to the Successor Agency’s Redevelopment Obligation Retirement Fund on each January 2 and June 1 amounts required for the Successor Agency to pay principal of, and interest on, the Bonds and Existing Bonds coming due in the respective ROPS Period and to pay amounts owed to any bond insurer, as well as the other amounts set forth above.

In order to accomplish the foregoing, on or before each February 1 (or at such earlier time as may be required by the Dissolution Act), for so long as any Bonds or Existing Bonds are outstanding, the Successor Agency shall submit an Oversight Board-approved Recognized Obligation Payment Schedule to the State Department of Finance and to the Auditor-Controller of the County of Los Angeles that shall include (i) all debt service due on the Bonds and the Existing Bonds coming due during the applicable ROPS Period as well as all amounts due and owing to any bond insurer, and (ii) any amount required to cure any deficiency in the Reserve Account pursuant to this Indenture or

the Existing Bonds Indentures (including any amounts required due to a draw on the Qualified Reserve Account Credit Instrument as well as all amounts due and owing to the [Insurer] hereunder).

In the event the provisions set forth in the Dissolution Act as of the Closing Date of the Bonds that relate to the filing of Recognized Obligation Payment Schedules are amended or modified in any manner, the Successor Agency agrees to take all such actions as are necessary to comply with such amended or modified provisions so as to ensure the timely payment of debt service on the Bonds and the Existing Bonds and, if the timing of distributions of the Redevelopment Property Tax Trust Fund is changed, the receipt of all debt service due during each calendar year on all Outstanding Bonds and Existing Bonds prior to June 1 of such calendar year.

Covenant 11. Further Assurances. The Successor Agency covenants and agrees to adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Indenture, and for the better assuring and confirming unto the Owners of the rights and benefits provided in this Indenture.

Covenant 12. Continuing Disclosure. The Successor Agency hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Agreement. Notwithstanding any other provision of this Indenture, failure of the Successor Agency to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default; however, any participating underwriter, owner or beneficial owner of the Bonds may take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

ARTICLE VI

THE TRUSTEE

Section 6.1 Duties, Immunities and Liabilities of Trustee.

(a) The Trustee shall, prior to the occurrence of an Event of Default, and after the curing or waiver of all Events of Default which may have occurred, perform such duties and only such duties as are specifically set forth in this Indenture and no implied duties or covenants shall be read into this Indenture against the Trustee. The Trustee shall, during the existence of any Event of Default (which has not been cured or waived), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(b) The Successor Agency may remove the Trustee at any time, unless an Event of Default shall have occurred and then be continuing, and shall remove the Trustee (i) if at any time requested to do so by an instrument or concurrent instruments in writing signed by the Owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding (or their attorneys duly authorized in writing) or (ii) if at any time the Successor Agency has knowledge that the Trustee has ceased to be eligible in accordance with subsection (e) of this Section, or has become incapable of acting, or has been adjudged as bankrupt or insolvent, or a receiver of the Trustee or its property has been appointed, or any public officer shall have taken control or charge of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation. In each case such removal shall be accomplished by the giving of written notice of such removal by the Successor

Agency to the Trustee, whereupon the Successor Agency shall appoint a successor Trustee by an instrument in writing.

(c) The Trustee may at any time resign by giving prior written notice of such resignation to the Successor Agency, and by giving the Owners notice of such resignation by first class mail, postage prepaid, at their respective addresses shown on the Registration Books. Upon receiving such notice of resignation, the Successor Agency shall promptly appoint a successor Trustee by an instrument in writing.

(d) Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective upon acceptance of appointment by the successor Trustee. If no successor Trustee shall have been appointed and have accepted appointment within 45 days of giving notice of removal or notice of resignation as aforesaid, the resigning Trustee or any Owner (on behalf of such Owner and all other Owners) may petition any court of competent jurisdiction for the appointment of a successor Trustee, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under this Indenture shall signify its acceptance of such appointment by executing and delivering to the Successor Agency and to its predecessor Trustee a written acceptance thereof, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee herein; but, nevertheless at the Written Request of the Successor Agency or the request of the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance or further assurance and do such other things as may reasonably be required for more fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to any property held by it under this Indenture and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Upon request of the successor Trustee, the Successor Agency shall execute and deliver any and all instruments as may be reasonably required for more fully and certainly vesting in and confirming to such successor Trustee all such moneys, estates, properties, rights, powers, trusts, duties and obligations. Upon acceptance of appointment by a successor Trustee as provided in this subsection, the Successor Agency shall mail, with a copy to the Successor Trustee, a notice of the succession of such Trustee to the trusts hereunder to each rating agency which then has a current rating on the Bonds and to the Owners at their respective addresses shown on the Registration Books. If the Successor Agency fails to mail such notice within 15 days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be mailed at the expense of the Successor Agency. Notwithstanding any other provisions of this Indenture, no removal, resignation or termination of the Trustee shall take effect until a successor shall be appointed.

(e) Every successor Trustee appointed under the provisions of this Indenture shall be a trust company or bank in good standing authorized to exercise trust powers or having the powers of a trust company and duly authorized to exercise trust powers within the State having a combined capital and surplus of at least \$75,000,000, and subject to supervision or examination by federal or state authority. If such bank or trust company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purpose of this subsection the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in

accordance with the provisions of this subsection (e), the Trustee shall resign immediately in the manner and with the effect specified in this Section.

(f) The Trustee shall have no responsibility or liability with respect to any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the issuance of these Bonds.

(g) Before taking any action under Article VIII or this Section 6.1 at the request or direction of the Owners, the Trustee may require that an indemnity bond satisfactory to the Trustee be furnished by the Owners for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its negligence or its willful misconduct in connection with any action so taken.

Section 6.2 Merger or Consolidation. Any bank or trust company into which the Trustee may be merged or converted or with which either of them may be consolidated or any bank or trust company resulting from any merger, conversion or consolidation to which it shall be a party or any bank or trust company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such bank or trust company shall be eligible under subsection (e) of Section 6.1, shall be the successor to such Trustee without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

Section 6.3 Liability of Trustee.

(a) The recitals of facts herein and in the Bonds contained shall be taken as statements of the Successor Agency, and the Trustee shall not assume responsibility for the correctness of the same, nor make any representations as to the validity or sufficiency of this Indenture or of the Bonds nor shall incur any responsibility in respect thereof, other than as expressly stated herein. The Trustee shall, however, be responsible for its representations contained in its certificate of authentication on the Bonds. The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful misconduct. The Trustee may become the Owner of any Bonds with the same rights it would have if they were not Trustee and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of the Owners, whether or not such committee shall represent the Owners of a majority in principal amount of the Bonds then Outstanding.

(b) The Trustee shall not be liable for any error of judgment made in good faith by a responsible officer, unless the Trustee shall have been negligent in ascertaining the pertinent facts.

(c) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Owners of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture.

(d) The Trustee shall not be liable for any action taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture, except for actions arising from the negligence or willful misconduct of the Trustee. The

permissive right of the Trustee to do things enumerated hereunder shall not be construed as a mandatory duty.

(e) The Trustee shall not be deemed to have knowledge of any Event of Default hereunder unless and until it shall have actual knowledge thereof, or shall have received written notice thereof at its Trust Office. Except as otherwise expressly provided herein, the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions, covenants or agreements herein or of any of the documents executed in connection with the Bonds, or as to the existence of an Event of Default thereunder. The Trustee shall not be responsible for the validity or effectiveness of any collateral given to or held by it. Without limiting the generality of the foregoing, the Trustee shall not be responsible for reviewing the contents of any financial statements furnished to the Trustee pursuant to Section 5.1 and may rely conclusively on the certificates accompanying such financial statements to establish the Successor Agency's compliance with its financial covenants hereunder, including, without limitation, its covenants regarding the deposit of Pledged Tax Revenues into the Redevelopment Obligation Retirement Fund and the investment and application of moneys on deposit in the Redevelopment Obligation Retirement Fund (other than its covenants to transfer such moneys to the Trustee when due hereunder).

(f) No provision in this Indenture shall require the Trustee to risk or expend its own funds or otherwise incur any financial liability hereunder.

(g) The Trustee may execute any of the trust or powers hereof and perform any of its duties through attorneys, agents and receivers and shall not be answerable for the conduct of the same if appointed by it with reasonable care.

(h) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty.

(i) The immunities extended to the Trustee also extend to its directors, officers, employees and agents.

(j) The Trustee will not be considered in breach of or in default in its obligations hereunder or progress in respect thereto in the event of delay in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not limited to, Acts of God or of the public enemy or terrorists, acts of a government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, earthquakes, explosion, mob violence, riot, inability to procure or general sabotage or rationing of labor, equipment, facilities, sources of energy, material or supplies in the open market, litigation or arbitration involving a party or others relating to zoning or other governmental action or inaction pertaining to any project refinanced with the proceeds of the Bonds, malicious mischief, condemnation, and unusually severe weather or delays of suppliers or subcontractors due to such causes or any similar event and/or occurrences beyond the control of the Trustee.

Section 6.4 Right to Rely on Documents. The Trustee shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties, in the absence of negligence or willful misconduct by the Trustee. The Trustee may consult with counsel, including, without limitation, counsel of or to the Successor Agency, with regard to legal

questions, and, in the absence of negligence or willful misconduct by the Trustee, the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Trustee hereunder in accordance therewith.

The Trustee shall not be bound to recognize any person as the Owner of a Bond unless and until such Bond is submitted for inspection, if required, and his title thereto is established to the satisfaction of the Trustee.

Whenever in the administration of the trusts imposed upon it by this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Written Certificate of the Successor Agency, which shall be full warrant to the Trustee for any action taken or suffered in good faith under the provisions of this Indenture in reliance upon such Written Certificate, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may deem reasonable. The Trustee may conclusively rely on any certificate of report of any Independent Accountant or Independent Redevelopment Consultant appointed by the Successor Agency.

Section 6.5 Preservation and Inspection of Documents. All documents received by the Trustee under the provisions of this Indenture shall be retained in its possession and shall be subject at all reasonable times during regular business hours upon reasonable notice to the inspection of the Successor Agency and any Owner, and their agents and representatives duly authorized in writing, at reasonable hours and under reasonable conditions.

Section 6.6 Compensation and Indemnification. The Successor Agency shall pay to the Trustee from time to time reasonable compensation for all services rendered under this Indenture and also all reasonable expenses, charges, legal and consulting fees and other disbursements and those of its attorneys, agents and employees, incurred in and about the performance of its powers and duties under this Indenture. Upon the occurrence of an Event of Default, the Trustee shall have a first lien on the Pledged Tax Revenues and all funds and accounts held by the Trustee hereunder to secure the payment to the Trustee of all fees, costs and expenses, including reasonable compensation to its experts, attorneys and counsel incurred in declaring such Event of Default and in exercising the rights and remedies set forth in Article VIII hereof.

The Successor Agency further covenants and agrees to indemnify and save the Trustee and its officers, directors, agents and employees, harmless from and against any loss, expense, and liabilities which it may incur arising out of or in the exercise and performance of its powers and duties hereunder, including the costs and expenses and those of its attorneys and advisors of defending against any claim of liability, but excluding any and all losses, expenses and liabilities which are due to the negligence or willful misconduct of the Trustee, its officers, directors, agents or employees. The obligations of the Successor Agency under this section shall survive resignation or removal of the Trustee under this Indenture and payment of the Bonds and discharge of this Indenture.

Section 6.7 Investment of Moneys in Funds and Accounts. Subject to the provisions of Article V hereof, all moneys held by the Trustee in the Debt Service Fund, Costs of Issuance Fund, the Redemption Account or the Rebate Fund, shall, at the written direction of the Successor Agency, be invested only in Permitted Investments. If the Trustee receives no written directions from the

Successor Agency as to the investment of moneys held in any Fund or Account, the Trustee shall request such written direction from the Successor Agency and, pending receipt of instructions, shall invest such moneys solely in Permitted Investments described in subsection (b)(5) of the definition thereof.

(a) Moneys in the Redevelopment Obligation Retirement Fund shall be invested by the Successor Agency only in obligations permitted by the Law which will by their terms mature not later than the date the Successor Agency estimates the moneys represented by the particular investment will be needed for withdrawal from the Redevelopment Obligation Retirement Fund.

(b) Moneys in the Interest Account, the Principal Account and the Redemption Account of the Debt Service Fund shall be invested only in obligations which will by their terms mature on such dates as to ensure that before each interest and principal payment date, there will be in such account, from matured obligations and other moneys already in such account, cash equal to the interest and principal payable on such payment date.

(c) Moneys in the Reserve Account shall be invested in (i) obligations which will by their terms mature on or before the date of the final maturity of the Bonds or five (5) years from the date of investment, whichever is earlier or (ii) an investment agreement which permits withdrawals or deposits without penalty at such time as such moneys will be needed or in order to replenish the Reserve Account.

(d) Moneys in the Rebate Fund shall be invested in Defeasance Securities which mature on or before the date such amounts are required to be paid to the United States.

Obligations purchased as an investment of moneys in any of the Funds or Accounts shall be deemed at all times to be a part of such respective Fund or Account and the interest accruing thereon and any gain realized from an investment shall be credited to such Fund or Account and any loss resulting from any authorized investment shall be charged to such Fund or Account without liability to the Trustee. The Successor Agency or the Trustee, as the case may be, shall sell or present for redemption any obligation purchased whenever it shall be necessary to do so in order to provide moneys to meet any payment or transfer from such Fund or Account as required by this Indenture and shall incur no liability for any loss realized upon such a sale. All interest earnings received on any monies invested in the Interest Account, Principal Account, Redemption Account or Reserve Account, to the extent they exceed the amount required to be in such Account, shall be transferred on each Interest Payment Date to the Debt Service Fund. All interest earnings on monies invested in the Rebate Fund shall be retained in such Fund and applied as set forth in Section 4.4. The Trustee may purchase or sell to itself or any affiliate, as principal or agent, investments authorized by this Section 6.7. The Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with Section 6.7 hereof. The Successor Agency acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Successor Agency the right to receive brokerage confirmations of security transactions as they occur, the Successor Agency specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the Successor Agency periodic cash transaction statements which shall include detail for all investment transactions made by the Trustee hereunder.

The Trustee or any of its affiliates may act as sponsor, advisor or manager in connection with any investments made by the Trustee hereunder.

The value of Permitted Investments shall be determined as follows: (i) as to investments the bid and asked prices of which are published on a regular basis in The Wall Street Journal (or, if not there, then in The New York Times): the average of the bid and asked prices for such investments so published on or most recently prior to such time of determination; (ii) as to investments the bid and asked prices of which are not published on a regular basis in The Wall Street Journal or The New York Times: the average bid price at such time of determination for such investments by any two nationally recognized government securities dealers (selected by the Trustee in its absolute discretion) at the time making a market in such investments or the bid price published by a nationally recognized pricing service; (iii) as to certificates of deposit and bankers acceptances: the face amount thereof, plus accrued interest; and (iv) as to any investment not specified above: the value thereof established by prior agreement between the Successor Agency and the Trustee. If more than one provision of this definition of “value” shall apply at any time to any particular investment, the value thereof at such time shall be determined in accordance with the provision establishing the lowest value for such investment; provided, notwithstanding the foregoing, in making any valuations hereunder, the Trustee may utilize and conclusively rely upon such pricing services as may be regularly available to it, including, without limitation, those within its regular accounting system.

Section 6.8 Accounting Records and Financial Statements. The Trustee shall at all times keep, or cause to be kept, proper books of record and account, prepared in accordance with industry standards, in which complete and accurate entries shall be made of all transactions made by it relating to the proceeds of the Bonds and all funds and accounts held by it established pursuant to this Indenture. Such books of record and account shall be available for inspection by the Successor Agency and [Insurer] or its agents or representation during normal business hours with reasonable prior notice. The Trustee shall furnish to the Successor Agency, at least quarterly, an accounting of all transactions in the form of its regular account statements relating to the proceeds of the Bonds and all funds and accounts held by the Trustee pursuant to this Indenture.

Section 6.9 Appointment of Co-Trustee or Agent. It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the law of the State) denying or restricting the right of banking corporations or associations to transact business as Trustee in such jurisdiction. It is recognized that in the case of litigation under this Indenture, and in particular in case of the enforcement of the rights of the Trustee on default, or in the case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee or hold title to the properties, in trust, as herein granted, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee or Successor Agency appoint an additional individual or institution as a separate co-trustee. The following provisions of this Section 6.9 are adopted to these ends.

In the event that the Trustee or Successor Agency appoint an additional individual or institution as a separate or co-trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Indenture to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in such separate or co-trustee to exercise such powers, rights and remedies, and every covenant an obligation necessary to the exercise thereof by such separate or co-trustee shall run to and be enforceable by either of them.

Should any instrument in writing from the Successor Agency be required by the separate trustee or co-trustee so appointed by the Trustee or Successor Agency for more fully and certainly

vesting in and confirming to it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Successor Agency. In case any separate trustee or co-trustee, or a successor to either, shall become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate trustee or co-trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new trustee or successor to such separate trustee or co-trustee.

In addition to the appointment of a co-trustee hereunder, the Trustee may, at the expense and with the prior written consent of the Successor Agency, appoint any agent of the Trustee in St. Paul, Minnesota, for the purpose of administering the transfers or exchanges of Bonds or for the performance of any other responsibilities of the Trustee hereunder.

ARTICLE VII

MODIFICATION OR AMENDMENT OF THIS INDENTURE

Section 7.1 Amendment Without Consent of Owners. This Indenture and the rights and obligations of the Successor Agency and of the Owners may be modified or amended at any time by a Supplemental Indenture which shall become binding upon adoption, without consent of any Owners, to the extent permitted by law and any for any one or more of the following purposes:

(a) to add to the covenants and agreements of the Successor Agency in this Indenture contained, other covenants and agreements thereafter to be observed or to limit or surrender any rights or power herein reserved to or conferred upon the Successor Agency; or

(b) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in this Indenture, or in any other respect whatsoever as the Successor Agency may deem necessary or desirable, provided under any circumstances that such modifications or amendments shall not materially adversely affect the interests of the Owners; or

(c) to provide the issuance of Parity Bonds pursuant to Section 3.4, and to provide the terms and conditions under which such Parity Bonds may be issued, including but not limited to the establishment of Redevelopment Obligation Retirement Funds and accounts relating thereto and any other provisions relating solely thereto, subject to and in accordance with the provisions of Section 3.4; or

(d) to amend any provision hereof relating to the requirements of or compliance with the Code, to any extent whatsoever but only if and to the extent such amendment will not adversely affect the exclusion from gross income for purposes of federal income taxation of interest on any of the Bonds, in the opinion of nationally-recognized bond counsel.

Section 7.2 Amendment With Consent of Owners. Except as set forth in Section 7.1, this Indenture and the rights and obligations of the Successor Agency and of the Owners may be modified or amended at any time by a Supplemental Indenture which shall become binding when the written consent of the Owners of a majority in aggregate principal amount of the Bonds then

Outstanding are filed with the Trustee. No such modification or amendment shall (a) extend the maturity of or reduce the interest rate on any Bond or otherwise alter or impair the obligation of the Successor Agency to pay the principal, interest or redemption premiums (if any) at the time and place and at the rate and in the currency provided therein of any Bond without the express written consent of the Owner of such Bond, (b) reduce the percentage of Bonds required for the written consent to any such amendment or modification, or (c) without its written consent thereto, modify any of the rights or obligations of the Trustee. Any amendment, supplement, modification to, or waiver of, the Indenture or any other transaction document, including any underlying security agreement (each a "Related Document"), that requires the consent of Bondowners or adversely affects the rights and interests of the Insurer shall be subject to the prior written consent of the Insurer.

Section 7.3 Effect of Supplemental Indenture. From and after the time any Supplemental Indenture becomes effective pursuant to this Article VII, this Indenture shall be deemed to be modified and amended in accordance therewith, the respective rights, duties and obligations of the parties hereto or thereto and all Owners, as the case may be, shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 7.4 Endorsement or Replacement of Bonds After Amendment. After the effective date of any amendment or modification hereof pursuant to this Article VII, the Successor Agency may determine that any or all of the Bonds shall bear a notation, by endorsement in form approved by the Successor Agency, as to such amendment or modification and in that case upon demand of the Successor Agency, the Owners of such Bonds shall present such Bonds for that purpose at the Trust Office of the Trustee, and thereupon a suitable notation as to such action shall be made on such Bonds. In lieu of such notation, the Successor Agency may determine that new Bonds shall be prepared and executed in exchange for any or all of the Bonds and, in that case upon demand of the Successor Agency, the Owners of the Bonds shall present such Bonds for exchange at the Trust Office of the Trustee, without cost to such Owners.

Section 7.5 Amendment by Mutual Consent. The provisions of this Article VII shall not prevent any Owner from accepting any amendment as to the particular Bond held by such Owner, provided that due notation thereof is made on such Bond.

Section 7.6 Opinion of Counsel. The Trustee shall be provided an opinion of counsel that any such Amendment or Supplemental Indenture entered into by the Successor Agency and the Trustee complies with the provisions of this Article VII and the Trustee may conclusively rely upon such opinion.

Section 7.7 Consent of Insurer. Anything in the [Security Documents] to the contrary notwithstanding: [TO COME]

ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES OF OWNERS

Section 8.1 Events of Default and Acceleration of Maturities. The following events shall constitute Events of Default hereunder:

(a) if default shall be made in the due and punctual payment of the principal of or interest or redemption premium (if any) on any Bond when and as the same shall become due and payable, whether at maturity as therein expressed, by declaration or otherwise;

(b) if default shall be made by the Successor Agency in the observance of any of the covenants, agreements or conditions on its part in this Indenture or in the Bonds contained, other than a default described in the preceding clause (a), and such default shall have continued for a period of 30 days following receipt by the Successor Agency of written notice from the Trustee or any Owner of the occurrence of such default; or

(c) if the Successor Agency shall commence a voluntary action under Title 11 of the United States Code or any substitute or successor statute.

If an Event of Default has occurred and is continuing, the Trustee may, or if requested in writing by the Owners of the majority in aggregate principal amount of the Bonds then Outstanding, the Trustee shall, by written notice to the Successor Agency, (a) declare the principal of the Bonds, together with the accrued interest thereon, to be due and payable immediately, and upon any such declaration the same shall become immediately due and payable, and (b) upon receipt of indemnity to its satisfaction exercise any other remedies available to the Trustee and the Owners in law or at equity.

Upon becoming aware of the occurrence of an Event of Default, the Trustee shall give notice of such Event of Default to the Successor Agency by telephone confirmed in writing. Such notice shall also state whether the principal of the Bonds shall have been declared to be or have immediately become due and payable. With respect to any Event of Default described in clauses (a) or (c) above the Trustee shall, and with respect to any Event of Default described in clause (b) above the Trustee in its sole discretion may, also give such notice to the Successor Agency, and the Owners in the same manner as provided herein for notices of redemption of the Bonds, which shall include the statement that interest on the Bonds shall cease to accrue from and after the date, if any, on which the Trustee shall have declared the Bonds to become due and payable pursuant to the preceding paragraph (but only to the extent that principal and any accrued, but unpaid interest on the Bonds is actually paid on such date.)

This provision, however, is subject to the condition that if, at any time after the principal of the Bonds shall have been so declared due and payable, and before any judgment or decree for the payment of the moneys due shall have been obtained or entered, the Successor Agency shall deposit with the Trustee a sum sufficient to pay all principal on the Bonds matured prior to such declaration and all matured installments of interest (if any) upon all the Bonds, with interest on such overdue installments of principal and interest (to the extent permitted by law) at the net effective rate then borne by the Outstanding Bonds, and the reasonable fees and expenses of the Trustee, including but not limited to attorneys fees, and any and all other defaults known to the Trustee (other than in the payment of principal of and interest on the Bonds due and payable solely by reason of such

declaration) shall have been made good or cured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall have been made therefor, then, and in every such case, the Owners of at least a majority in aggregate principal amount of the Bonds then Outstanding, by written notice to the Successor Agency and to the Trustee, may, on behalf of the Owners of all of the Bonds, rescind and annul such declaration and its consequences. However, no such rescission and annulment shall extend to or shall affect any subsequent default, or shall impair or exhaust any right or power consequent thereon.

Upon the occurrence of an event of default, the Trustee may, with the consent of a majority of the Owners, by written notice to the Successor Agency, declare the principal of the Bonds to be immediately due and payable, whereupon that portion of the principal of the Bonds thereby coming due and the interest thereon accrued to the date of payment shall, without further action, become and be immediately due and payable, anything in this Indenture in the Bonds to the contrary notwithstanding. Notwithstanding the foregoing, the maturity of Bonds insured by the Insurer shall not be accelerated without the consent of the Insurer and in the event the maturity of the Bonds is accelerated, the Insurer may elect, in its sole discretion, to pay accelerated principal and interest accrued, on such principal to the date of acceleration (to the extent unpaid by the Successor Agency) and the Trustee shall be required to accept such amounts. Upon payment of such accelerated principal and interest accrued to the acceleration date as provided above, the Insurer's obligations under the Insurance Policy with respect to such Bonds shall be fully discharged.

Section 8.2 Application of Funds Upon Acceleration. All of the Pledged Tax Revenues and all sums in the funds and accounts established and held by the Trustee hereunder upon the date of the declaration of acceleration as provided in Section 8.1, and all sums thereafter received by the Trustee hereunder, shall be applied by the Trustee in the order following, upon presentation of the several Bonds, and the stamping thereon of the payment if only partially paid, or upon the surrender thereof if fully paid:

First, to the payment of the fees, costs and expenses of the Trustee in declaring such Event of Default and in exercising the rights and remedies set forth in this Article VIII, including reasonable compensation to its agents, attorneys and counsel including all sums owed the Trustee pursuant to Section 6.6 herein; and

Second, to the payment of the whole amount then owing and unpaid upon the Bonds for principal and interest, with interest on the overdue principal and installments of interest at the net effective rate then borne by the Outstanding Bonds (to the extent that such interest on overdue installments of principal and interest shall have been collected), and in case such moneys shall be insufficient to pay in full the whole amount so owing and unpaid upon the Bonds, then to the payment of such principal and interest without preference or priority of principal over interest, or interest over principal, or of any installment of interest over any other installment of interest, ratably to the aggregate of such principal and interest or any Bond over any other Bond.

Section 8.3 Power of Trustee to Control Proceedings. In the event that the Trustee, upon the happening of an Event of Default, shall have taken any action, by judicial proceedings or otherwise, pursuant to its duties hereunder, whether upon its own discretion or upon the request of the Owners of a majority in principal amount of the Bonds then Outstanding, it shall have full power, in the exercise of its discretion for the best interests of the Owners of the Bonds, with respect to the continuance, discontinuance, withdrawal, compromise, settlement or other disposal of such action; provided, however, that the Trustee shall not, unless there no longer continues an Event of Default,

discontinue, withdraw, compromise or settle, or otherwise dispose of any litigation pending at law or in equity, if at the time there has been filed with it a written request signed by the Owners of a majority in principal amount of the Outstanding Obligations hereunder opposing such discontinuance, withdrawal, compromise, settlement or other disposal of such litigation. The Insurer shall be deemed to be the sole owner of the Insured Obligations for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action that the owners of the Bonds insured by it are entitled to take pursuant to the Indenture pertaining to (i) defaults and remedies and (ii) the duties and obligations of the Trustee. The rights granted to the Insurer under the Indenture or any other Related Document to request, consent to or direct any action are rights granted to the Insurer in consideration of its issuance of the Insurance Policy. Any exercise by the Insurer of such rights is merely an exercise of the Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit, or on behalf, of the Bondowners and such action does not evidence any position of the Insurer, affirmative or negative, as to whether the consent of the Bondowners or any other person is required in addition to the consent of the Insurer.

Section 8.4 Limitation on Owner's Right to Sue. No Owner of any Bond issued hereunder shall have the right to institute any suit, action or proceeding at law or in equity, for any remedy under or upon this Indenture, unless (a) such Owner shall have previously given to the Trustee written notice of the occurrence of an Event of Default; (b) the Owners of a majority in aggregate principal amount of all the Bonds then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such action, suit or proceeding, including a writ of mandamus in its own name; (c) said Owners shall have tendered to the Trustee indemnity reasonably acceptable to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request; and (d) the Trustee shall have refused or omitted to comply with such request for a period of 60 days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of any remedy hereunder; it being understood and intended that no one or more Owners shall have any right in any manner whatever by his or their action to enforce any right under this Indenture, except in the manner herein provided, and that all proceedings at law or in equity to enforce any provisions of this Indenture shall be instituted, had and maintained in the manner herein provided and for the equal benefit of all Owners of the Outstanding Bonds.

The right of any Owner of any Bond to receive payment of the principal of (and premium, if any) and interest on such Bond as herein provided, shall not be impaired or affected without the written consent of such Owner, notwithstanding the foregoing provisions of this Section or any other provision of this Indenture.

Section 8.5 Non-waiver. Nothing in this Article VIII or in any other provision of this Indenture or in the Bonds, shall affect or impair the obligation of the Successor Agency, which is absolute and unconditional, to pay from the Pledged Tax Revenues and other amounts pledged hereunder, the principal of and interest and redemption premium (if any) on the Bonds to the respective Owners on the respective Interest Payment Dates, as herein provided, or affect or impair the right of action, which is also absolute and unconditional, of the Owners to institute suit to enforce such payment by virtue of the contract embodied in the Bonds.

A waiver of any default by any Owner shall not affect any subsequent default or impair any rights or remedies on the subsequent default. No delay or omission of any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy conferred upon the Owners by the Dissolution Act or by this Article VIII may be enforced and exercised from time to time and as often as shall be deemed expedient by the Owners.

If a suit, action or proceeding to enforce any right or exercise any remedy shall be abandoned or determined adversely to the Owners, the Successor Agency and the Owners shall be restored to their former positions, rights and remedies as if such suit, action or proceeding had not been brought or taken.

Section 8.6 Actions by Trustee as Attorney-in-Fact. Any suit, action or proceeding which any Owner shall have the right to bring to enforce any right or remedy hereunder may be brought by the Trustee for the equal benefit and protection of all Owners similarly situated and the Trustee is hereby appointed (and the successive respective Owners by taking and holding the Bonds or Parity Bonds, as applicable, shall be conclusively deemed so to have appointed it) the true and lawful attorney-in-fact of the respective Owners for the purpose of bringing any such suit, action or proceeding and to do and perform any and all acts and things for and on behalf of the respective Owners as a class or classes, as may be necessary or advisable in the opinion of the Trustee as such attorney-in-fact, provided the Trustee shall have no duty or obligation to enforce any such right or remedy if it has not been indemnified to its satisfaction from loss, liability or any expense including, but not limited to reasonable fees and expenses of its attorneys.

Section 8.7 Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Owners is intended to be exclusive of any other remedy. Every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing, at law or in equity by statute or otherwise, and may be exercised without exhausting and without regard to any other remedy conferred by the Law or any other law.

ARTICLE IX

MISCELLANEOUS

Section 9.1 Benefits Limited to Parties. Nothing in this Indenture expressed or implied is intended or shall be construed to confer upon, or to give or grant to, any person or entity, other than the Successor Agency, the Trustee, and the registered Owners of the Bonds, any right, remedy or claim under or by reason of this Indenture or any covenant, condition or stipulation hereof, and all covenants, stipulations, promises and agreements in this Indenture contained by and on behalf of the Successor Agency shall be for the sole and exclusive benefit of the Successor Agency, the Trustee, and the registered Owners of the Bonds. Notwithstanding the foregoing, the Insurer shall be included as a third party beneficiary to the Indenture.

Section 9.2 Successor is Deemed Included in All References to Predecessor. Whenever in this Indenture or any Supplemental Indenture either the Successor Agency or the Trustee is named or referred to, such reference shall be deemed to include the successors or assigns thereof, and all the covenants and agreements in this Indenture contained by or on behalf of the Successor Agency or the Trustee shall bind and inure to the benefit of the respective successors and assigns thereof whether so expressed or not.

Section 9.3 Discharge of Indenture.

(a) If the Successor Agency shall pay and discharge the entire indebtedness on all Bonds or any portion thereof in any one or more of the following ways:

(i) by well and truly paying or causing to be paid the principal of and interest and premium (if any) on all Outstanding Bonds, including all principal, interest and redemption premiums, (if any), or;

(ii) by irrevocably depositing with the Trustee, in trust, at or before maturity, money which, together with the available amounts then on deposit in the funds and accounts established pursuant to this Indenture, is fully sufficient to pay all Outstanding Bonds, including all principal, interest and redemption premiums (if any), or,

(iii) by irrevocably depositing with the Trustee, in trust, Defeasance Securities in such amount as an Independent Certified Public Accountant shall determine will, together with the interest to accrue thereon and available moneys then on deposit in the funds and accounts established pursuant to this Indenture, be fully sufficient to pay and discharge the indebtedness on all Bonds (including all principal, interest and redemption premiums, if any) at maturity, and notwithstanding that any Bonds shall not have been surrendered for payment, the pledge of the Pledged Tax Revenues and other funds provided for in this Indenture and all other obligations of the Trustee and the Successor Agency under this Indenture with respect to all Outstanding Bonds shall cease and terminate, except only (a) the obligation of the Trustee to transfer and exchange Bonds hereunder and (b) the obligation of the Successor Agency to pay or cause to be paid to the Owners, from the amounts so deposited with the Trustee, all sums due thereon and to pay the Trustee all fees, expenses and costs of the Trustee. The SUCCESSOR AGENCY TO THE LANCASTER REDEVELOPMENT AGENCY, a public body, corporate and politic, duly organized and existing under and by virtue of the laws of the State of California (the "Successor Agency"), for value received hereby promises to pay to the Registered Owner stated above, or registered assigns, on the Maturity Date stated above (subject to any right of prior redemption hereinafter provided for), the Principal Sum stated above, in lawful money of the United States of America, and to pay interest thereon in like lawful money from the interest payment date next preceding the date of authentication of this Bond, unless (i) this Bond is authenticated on an interest payment date, in which event it shall bear interest from such date of authentication, or (ii) this Bond is authenticated prior to an interest payment date and after the close of business on the fifteenth calendar day of the month preceding such interest payment date (a "Record Date"), in which event it shall bear interest from such interest payment date, or (iii) this Bond is authenticated on or before [July 15, 2016], in which event it shall bear interest from the Delivery Date stated above; provided, however, that if at the time of authentication of this Bond, interest is in default on this Bond, this Bond shall bear interest from the interest payment date to which interest has previously been paid or made available for payment on this Bond, until payment of such Principal Sum in full, at the rate per annum stated above, payable semiannually on February 1 and August 1 in each year (each an "interest payment date"), commencing [August 1, 2016], calculated on the basis of a 360-day year composed of twelve 30-day months. Principal hereof and premium, if any, upon early redemption hereof are payable upon presentation and surrender of this Bond at the corporate trust office of U.S. Bank National Association, as trustee (the "Trustee"). Interest hereon (including the final interest payment upon maturity or earlier redemption) is payable by check of the Trustee mailed on the interest payment date by first class mail to the

Registered Owner hereof at the Registered Owner's address as it appears on the registration books maintained by the Trustee at the close of business on the Record Date next preceding such interest payment date; provided, however, that upon the written request of any Registered Owner of at least \$1,000,000 in principal amount of Bonds received by the Trustee at least fifteen (15) days prior to such Record Date, payment shall be made by wire transfer in immediately available funds to an account in the United States designated by such Owner.

This Bond is one of a duly authorized issue of Bonds of the Successor Agency designated as "Successor Agency to the Lancaster Redevelopment Agency, Combined Redevelopment Project Areas (School District Projects), Tax Allocation Refunding Bonds, Issue of 2016B" (the "Bonds"), in an aggregate principal amount of _____ Thousand Dollars (\$_____), all of like tenor and date (except for such variation, if any, as may be required to designate varying series, numbers, maturities, interest rates or redemption and other provisions) and all issued pursuant to the provisions of the Refunding Bond Act, being Article II (commencing with Section 53580) of Chapter 3 of Part 1 of Division 2 of Title 5 of the Government Code of the State of California (the "Act"), and pursuant to a resolution of the Successor Agency adopted _____, 2015, and a resolution adopted by the Oversight Board on _____, 2015, and an Indenture of Trust, dated as of _____ 1, 2016, entered into by and between the Successor Agency and the Trustee (the "Indenture"), authorizing the issuance of the Bonds. Additional bonds, notes or other obligations may be issued on a parity with the Bonds, but only subject to the terms of the Indenture. Reference is hereby made to the Indenture (copies of which are on file at the office of the Successor Agency) and all indentures supplemental thereto and to the Act for a description of the terms on which the Bonds are issued, the provisions with regard to the nature and extent of the Pledged Tax Revenues, as that term is defined in the Indenture, and the rights thereunder of the registered owners of the Bonds and the rights, duties and immunities of the Trustee and the rights and obligations of the Successor Agency thereunder, to all of the provisions of which Indenture the Registered Owner of this Bond, by acceptance hereof, assents and agrees.

The Bonds are special obligations of the Successor Agency and are payable from, and are secured by a pledge of and lien on the Pledged Tax Revenues derived by the Successor Agency from the Project Area (as that term is defined in the Indenture), on a parity with certain other obligations of the Successor Agency, as more fully set forth in the Indenture.

There has been created and will be maintained by the Successor Agency the Redevelopment Obligation Retirement Fund (as defined in the Indenture) into which Pledged Tax Revenues shall be deposited and transferred to the Trustee for deposit into the Debt Service Fund (as defined in the Indenture) from which the Trustee shall pay the principal of and the interest and redemption premium, if any, on the Bonds when due. As and to the extent set forth in the Indenture, all such Pledged Tax Revenues are exclusively and irrevocably pledged to and constitute a trust fund for, in accordance with the terms hereof and the provisions of the Indenture and the Act, the security and payment of, and for the security and payment of interest on, the Bonds, any additional bonds, notes or other obligations, authorized by the Indenture to be issued on a parity therewith. In addition, the Bonds (and, if the indenture authorizing any loans, advances or indebtedness issued on a parity with the Bonds shall so provide, any such loan, advance or indebtedness) shall be additionally secured at all times by a first and exclusive pledge of and lien upon all of the moneys in the Debt Service Fund, the Interest Account, the Principal Account and the Reserve Account (as such terms are defined in the Indenture). Except for the Pledged Tax Revenues, no funds or properties of the Successor Agency shall be pledged to, or otherwise liable for, the payment of principal of or interest or redemption premium, if any, on the Bonds.

The Bonds are subject to redemption prior to maturity. The Bonds are subject to redemption prior to maturity in whole, or in part in the manner determined by the Successor Agency, on any date on or after February 1, [2025], from any available source of funds, at a redemption price (expressed as a percentage of the principal amount of the Bonds to be redeemed) as follows, together with accrued interest thereon to the redemption date, without premium.

The Bonds maturing on February 1, 20__ and February 1, 20__ are subject to redemption in part by lot on February 1, 20__ and February 1, 20__, respectively, and on February 1 in each year shown below until maturity, from sinking account payments made by the Successor Agency, at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest thereon to the redemption date, without premium, in the aggregate respective principal amounts and on the respective dates as set forth in the following tables; provided, however, that if some but not all of the Bonds have been redeemed the total amount of all future sinking account payments will be reduced by an amount corresponding to the aggregate principal amount of Bonds so redeemed, to be allocated among such sinking account payments on a pro rata basis in integral multiples of \$5,000 as determined by the Successor Agency (notice of which determination will be given by the Successor Agency to the Trustee):

If an Event of Default, as defined in the Indenture, shall occur, the principal of all Bonds may be declared due and payable upon the conditions, in the manner and with the effect provided in the Indenture, but such declaration and its consequences may be rescinded and annulled as further provided in the Indenture.

The Bonds are issuable as fully registered Bonds without coupons in denominations of \$5,000 each and any integral multiple thereof. Subject to the limitations and conditions and upon payment of the charges, if any, as provided in the Indenture, Bonds may be exchanged for a like aggregate principal amount of Bonds of other authorized denominations and of the same maturity.

This Bond is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at the corporate trust office of the Trustee, but only in the manner and subject

to the limitations provided in the Indenture, and upon surrender and cancellation of this Bond. Upon registration of such transfer a new fully registered Bond or Bonds, of authorized denomination or denominations, for the same aggregate principal amount and of the same maturity will be issued to the transferee in exchange herefor.

The Trustee shall not be required to register the transfer or exchange of any Bond (i) during the period established by the Trustee for selection of Bonds for redemption or (ii) selected for redemption.

The Successor Agency and the Trustee may treat the Registered Owner hereof as the absolute owner hereof for all purposes, and the Successor Agency and the Trustee shall not be affected by any notice to the contrary.

The rights and obligations of the Successor Agency and the registered owners of the Bonds may be modified or amended at any time in the manner, to the extent and upon the terms provided in the Indenture, but no such modification or amendment shall extend the maturity of or reduce the interest rate on any Bond or otherwise alter or impair the obligation of the Successor Agency to pay the principal, interest or redemption premiums (if any) at the time and place and at the rate and in the currency provided herein of any Bond without the express written consent of the registered owner of such Bond, reduce the percentage of Bonds required for the written consent to any such amendment or modification or, without its written consent thereto, modify any of the rights or obligations of the Trustee.

This Bond is not a debt of the City of Lancaster, the State of California, or any of its political subdivisions (except the Successor Agency), and none of said City, said State, nor any of its political subdivisions (except the Successor Agency) is liable hereon, nor in any event shall this Bond be payable out of any funds or properties other than those of the Successor Agency as set forth in the Indenture. The Bonds do not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

It is hereby certified that all of the things, conditions and acts required to exist, to have happened or to have been performed precedent to and in the issuance of this Bond do exist, have happened or have been performed in due and regular time and manner as required by the Act and the laws of the State of California, and that the amount of this Bond, together with all other indebtedness of the Successor Agency, does not exceed any limit prescribed by the Act or any laws of the State of California, and is not in excess of the amount of Bonds permitted to be issued under the Indenture.

This Bond shall not be entitled to any benefit under the Indenture or become valid or obligatory for any purpose until the Trustee's Certificate of Authentication hereon shall have been manually signed by the Trustee.

IN WITNESS WHEREOF, the Successor Agency to the Lancaster Redevelopment Agency has caused this Bond to be executed in its name and on its behalf with the facsimile signatures of its Chair and its Secretary, all as of the Delivery Date.
