

**STAFF REPORT**  
**City of Lancaster**

CC 17
07/24/07
RSL

Date: July 24, 2007

To: Mayor Hearn and City Council Members

From: James R. Williams, Public Works Director

Subject: **Approval of Sewer System Management Plan Development Plan and Schedule**

---

**Recommendation:**

Approve Sewer System Management Plan Development Plan and authorize the City Manager to certify the City has completed and approved the Development Plan and Schedule.

**Fiscal Impact:**

None.

**Background:**

In May 2006, the State adopted Waste Discharge Requirements (WDR's) regulating sanitary sewers. Lancaster submitted its Notice of Intent to comply with the WDR's and the annual fee in October 2006 as required. To comply with the WDR's there are several tasks that need to be completed. One of these tasks is the preparation and submittal of a Sewer System Management Plan (SSMP) Development Plan and Schedule. The City has contracted with a consultant to assist in preparing the necessary documents. The SSMP Development Plan and Schedule are attached. The Plan must be submitted to the State by August 2, 2007.
