

HIGH-SPEED RAIL OPEN HOUSE

Images: High-Speed Rail Authority

- Curious about the California High Speed Rail Project?
- Want to know the possible routes of the High Speed Rail through the Antelope Valley?
- Have questions about the local effects the “bullet train” will have?

In an effort to help residents stay informed about the State’s high-speed rail project, the City of Lancaster has invited the California High-Speed Rail Authority (HSRA) to hold an open house in Lancaster on January 25. Local business owners and stakeholders are encouraged to attend this event – where they will have the opportunity to: view HSRA’s proposed routes through the Antelope Valley; ask questions; and learn more about the details of this project.

**Local Business Community
Encouraged to Participate**

January 25, 3 – 6 p.m.

44933 Fern Avenue, Lancaster, CA

Please Note: This event will be hosted in a free-flowing “open house” style – allowing residents to arrive and leave as their schedule permits. The event is open to all members of the public.
