Date: November 13, 2007

To: Mayor Hearn and City Council Members

From: James R. Williams, Public Works Director

Subject: **Joint Use Agreement with Southern California Edison Company for Tract No. 061680 – Southwest Corner of Avenue K and 60th Street West**

---

**Recommendation:**

Approve the Joint Use Agreement with the Southern California Edison Company (SCE) to provide for the relocation of existing SCE facilities necessitated by the proposed widening of Avenue K and 60<sup>th</sup> Street West.

**Background:**

As a condition of approval for the development of Tract No. 061680, the Developer was conditioned to construct and/or improve Avenue K and 60<sup>th</sup> Street West in the City of Lancaster, County of Los Angeles, State of California. The existing SCE facilities currently located within the existing right-of-way will need to be relocated to their ultimate location within the expanded right-of-way. In order to preserve SCE's prior easement rights and to accommodate the street improvements, SCE has requested that the City enter into a Joint Use Agreement. The project cannot be completed as designed without entering into the subject agreement.
