

# EGG DROP CHALLENGE

**Objective:** Design a system to protect an egg from cracking or breaking from a high fall.

**Materials:** Use anything you would like! Some ideas include: paper towels, straws, tape, cardboard tubes, paper, popsicle sticks, baggies or old boxes.

Illustrate your design in this box:

Explain why you think your design will protect an egg from breaking from a fall:

---

---

---

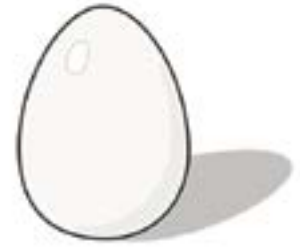

---

---

---

Eggs aren't the only things that can crack! Always wear a helmet when riding a bike, skateboarding, or scootering and remember to **SEE AND BE SEEN.**
