

Refer to this mock-up of the signal cabinet to help you with the scale of your artwork.

The actual size of the signal cabinet measures 30.25" wide x 63.75" high.

The top portion will include the SEE AND BE SEEN banner.

The student's artwork will fill the entire lower portion and at actual size will measure 30.25" wide x 39.75" high.

Students must create their artwork vertically on a 9" x 12" piece of paper, filling the entire surface with their artwork. Please keep all words or text relating to their chosen message within the dotted line area.
