COUNCIL ACTIONS

MINUTES

M1. Approve the City Council/Successor Agency/Financing/Housing/Power/California Choice

Energy Authority Regular Meeting Minutes of January 12, 2021.

EMERGENCY DECLARATION

ED1. COVID-19 Pandemic Updates and Actions

Recommendation:

- 1. Receive update from staff and/or deputy mayors regarding COVID-19 pandemic status.
- 2. Direct staff to take actions in response to updated COVID-19 information.
- 3. Authorize the City Manager to take actions, execute documents and/or expend funds in response to the COVID-19 pandemic.
- 4. Authorize and/or direct the City Attorney, with the concurrence of the City Manager, to take actions, execute documents and expend funds in response to legal issues pertaining to the COVID-19 pandemic.

Staff and/or the Deputy Mayors will provide an update regarding the COVID-19 pandemic and its current impact in the City and the Antelope Valley. The Council will be asked to take action(s) and/or give direction(s) based upon the most up-to-date data available.

ED2. Resolution Confirming the Continued Existence of a Local Emergency

Recommendation:

Adopt **Resolution No. 21-01**, a resolution of the City Council of the City of Lancaster, California, confirming the continued existence of a local emergency in the City of Lancaster, California.

The number of COVID-19 cases in Los Angeles County has spiked in recent months. The national and local public health emergency resulting from the COVID-19 pandemic remains in effect, and the virus continues to pose a threat to the health and safety of residents in the City of Lancaster. Staff recommends that City Council adopt **Resolution No. 21-01**, to again confirm the continued existence of the local emergency, as required by the California Emergency Services Act (the "Act," set forth at Cal. Gov't. Code §§8550-8668), and, in accordance with the Act, to regularly review the need for continuing the local emergency.

ED3. Field Hospital to Support Overflow Patients from COVID-19 Pandemic

Recommendation:

- a. Authorize the expenditure of up to \$822,100 to support the deployment and staffing of a field hospital to treat overflow patients at Antelope Valley Hospital as a result of the COVID-19 pandemic.
- b. Appropriate \$822,100 from General Fund Account No.101-2900-000, Fund Balance to Account No. 101-4431-304, Field Hospital.
- c. Authorize the City Manager, or his designee, to finalize and execute all related documents.

Samaritan's Purse will cover a significant portion of the costs associated with deployment of the field hospital through its own fundraising efforts. Under the proposed action, the City will cover costs such as lodging, meals, and transportation for the Samaritan's Purse medical personnel, as well as some costs associated with hospital deployment (i.e. equipment rental and installation, restrooms, fencing, etc.). The approximate cost breakdown is as follows: Lodging: \$335,000; Meals: \$135,000; Transportation: \$65,100; Deployment: \$287,000. Costs for

lodging, meals, and transportation are based on 70 personnel for 60 days. Should the surge in cases diminish sufficiently that the field hospital is no longer needed before that time, costs will be reduced accordingly. Conversely, should it be needed for a longer period, staff will return to the Council for additional appropriations should additional expenditures exceed the City Manager's signing authority.

CALIFORNIA CHOICE ENERGY AUTHORITY - CONSENT CALENDAR

CCEA CC 1.Receive California Choice Energy Authority Audited Annual Financial Report for Fiscal Year Ending June 30, 2020

Recommendation:

Receive California Choice Energy Authority (CalChoice) audited annual financial report for Fiscal Year ending June 30, 2020.

CalChoice has recently completed its annual financial audit for fiscal year ending June 30, 2020. The audit was completed by CliftonLarsonAllen LLP (CLA), the same audit firm that is completing the financial audit for City of Lancaster. The audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. These procedures include a review of internal controls, testing of transactions and review of the financial statements in order for the auditors to express an opinion on the financial statements.

CONSENT CALENDAR

- **CC 1.** Waive further reading of any proposed ordinances. (This permits reading the title only in lieu of reciting the entire text.)
- CC 2. Check Registers December 20, 2020 through January 9, 2021

Recommendation:

Approve the Check and Wire Registers for December 20, 2020 through January 9, 2021 in the amount of \$7,190,562.73 as presented.

At each regular City Council Meeting, the City Council is presented with check and ACH/wire registers listing the financial claims (invoices) against the City for purchase of materials, supplies, services, and capital projects issued the prior three to four weeks. This process provides the City Council the opportunity to review the expenditures of the City. Claims are paid via checks, Automated Clearing House (ACH) payments, or federal wires. The justifying backup information for each expenditure is available in the Finance Department.

CC 3. Monthly Report of Investments – December 2020

Recommendation:

Accept and approve the December 2020 Monthly Report of Investments as submitted.

Each month, the Finance Department prepares a report listing the investments for all separate entities under the jurisdiction of the City as identified in the City's Comprehensive Annual Financial Report.

CC 4. Award of Bid – Public Works Construction Project No. 21-003 - 2020 Summer Pavement Management Program (PMP)

Recommendation:

Award Public Works Construction Project No. 21-003, 2020 Summer Pavement Management Program (PMP), to Granite Construction Company, of Lancaster, California, in the amount of \$4,688,158.50 Base Bid, plus Additive Alternate 1 (AA1) in the amount of \$260,402.15, and Additive Alternate 2 (AA2) in the amount of \$361,262.55, for a Total Bid of \$5,309,823.20, plus a 10% contingency, to repair and resurface approximately twenty-nine (29) lane-miles of streets, as part of the City's Pavement Management Program. Authorize the City Manager, or his designee, to sign all documents. This contract is awarded to the lowest responsible bidder per California Public Code Section 22038 (b).

The proposed project will be the fourth project funded, in part, with road bond funds and will include approximately 29 lane-miles of roadway repair, and rehabilitation in the following project areas: (1) Sierra Highway – Lancaster Boulevard to Avenue J, (2) Avenue $K-20^{th}$ Street West to 40^{th} Street West, (3) AA1 Avenue J- $12-20^{th}$ Street West to Avenue K, and (4) AA2 Avenue $H-25^{th}$ Street West to 40^{th} Street West.

CC 5. Final Map Approval – Tract Map No. 62578-02 (Located on the Southeast Corner of 42nd Street West and Avenue J-11)

Recommendation:

Approve the map and accept the dedications as offered on the map for Tract Map No. 62578-02; make findings that this project will not violate any of the provisions of Sections 66473.5, 66474.1, and 66474.6 of the Subdivision Map Act; and instruct the City Clerk to endorse on the face of the map the certificate, which embodies the approval of said map and the dedications shown thereon.

On November 16, 2015, the Planning Commission approved Tentative Tract Map No. 62578. The Final Map is in substantial conformance with the approved tentative map. Tract Map No. 62578-02 has been examined by the City Surveyor, and is ready for Council approval. In addition, an Undertaking Agreement and improvement securities have been submitted to guarantee the installation of improvements.

CC 6. Takeout and Chill Extension

Recommendation:

Approve the extension of the Takeout and Chill component of the Restaurant Rescue Package through February 28, 2021.

Through the Takeout and Chill Program, the City issued 27,500 gift cards valued at \$20.00 each to organizations throughout the community. Participants included front-line workers, such as health care and first responders, grocery workers, major employers, local school districts, nonprofit/charitable organizations, and more. Of these cards, 2,500 funded by Destination Lancaster were also distributed to member hotels.

Gift cards initially carried an expiration date of February 1, 2021. The proposed extension would allow recipients to use cards through February 28, 2021. This change will ensure that organizations who were closed over the holidays have sufficient time to distribute their cards, and that their employees in turn have sufficient time to utilize them before the deadline. This extension will help assure that the purpose of the Restaurant Rescue Package – to ensure the long-term vitality of these key local businesses – is fully achieved.

NEW BUSINESS

NB1. Award of Bid – Public Works Construction Project No. 21-012 SR-138 (SR-14)/Avenue J Interchange Improvements, Avenue J, Between 15th Street West and 25th Street West (Phase 1 Local Streets)

- 1. Authorize the City Manager, or his designee, to approve and sign Funding Agreement Amendment No. 1 and all other documents pertaining to the implementation and payment of funds for all Los Angeles County Metropolitan Transportation Authority (LACMTA) Measure R funded SR-138 (SR-14) Avenue J Capacity Enhancement project
- 2. Appropriate \$1,828,500.00 in Measure R "Highway Equity" grant funds to account number 210-15BR007-924
- 3. Award Public Works Construction Project No. 21-012, SR-138 (SR-14)/Avenue J Interchange Improvements (Phase 1 Local Streets), to C.A. Rasmussen of Valencia, California, in the amount of \$2,611,866.90 Base Bid, plus Additive Alternate AA1 in the amount of \$1,970,519.40, and Additive Alternate AA2 in the amount of \$730,021.60, for a Total Bid of \$5,312,407.90, plus a 20% contingency for installation of Phase 1 Local street improvements. Authorize the City Manager, or his designee, to sign all documents. This contract is awarded to the lowest responsible bidder per California Public Code Section 22038 (b).

Phase I Local Streets will provide asphalt concrete resurfacing, striping, traffic signal upgrades, median, landscaping, and pedestrian improvements along Avenue J from 25th Street West to 20th Street West. For Additive Alternate 1 (AA1), similar work will be performed on Avenue J from 20th Street West to 15th Street West, and for Additive Alternate 2 (AA2), on 20th Street West from Avenue J to Avenue J-8.

ADJOURNMENT

Mayor Parris adjourned the City Council meeting in memory of Michael Mercy & Justin Lane.

Michael I.D. Mercy, passed away on December 22nd, 2020. He is the father of Commissioner Drew Mercy. Michael recently retired after nearly fifty years as an attorney. He lived nearly his entire life in Southern California, having graduated from Alemany High School in the San Fernando Valley and the California State University at Northridge before earning his law degree from Loyola Marymount University. He enjoyed outdoor recreation, and in particular fishing, camping and target shooting. He also had a keen interest in military and United States history as well as repairing and restoring antique rifles. He passed peacefully at home after a recent decline in health.

<u>Justin Lane</u> passed away on January 1, 2021 from a tragic water truck accident. Justin was a business leader and community advocate who was devoted to his family. He was a kind and gentle horseman and trainer and considered his horses to be a partner to his sport.

Mayor Parris adjourned the meeting at 8:49 p.m. and announced the next meeting is scheduled for Tuesday, January 26, 2021 at 5:00 p.m.

STAFF REPORT

City of Lancaster

ED 2 2 01/26/21 JC

Date: January 26, 2021

To: Mayor Parris and City Council Members

From: Jason Caudle, City Manager

Subject: Resolution Confirming the Continued Existence of a Local Emergency

Recommendation:

Adopt **Resolution No. 21-01**, a resolution of the City Council of the City of Lancaster, California, confirming the continued existence of a local emergency in the City of Lancaster, California.

Fiscal Impact:

Staff will return to Council with future revenue, expense, or cost reimbursement appropriations recommendations.

Background:

On January 30, 2020, the International Health Regulations Emergency Committee of the World Health Organization ("WHO") declared the COVID-19 outbreak a public health emergency of international concern, and subsequently characterized COVID-19 as a pandemic. The United States Health and Human Services Secretary declared a public health emergency related to the COVID-19 outbreak on January 31, 2020. On March 4, 2020, the Governor of California declared a state of emergency related to the COVID-19 outbreak. The Los Angeles County Board of Supervisors and the Los Angeles County Department of Public Health declared a local and public health emergency related to the COVID-19 outbreak on March 4, 2020. The President of the United States declared a national emergency resulting from the COVID-19 outbreak on March 13, 2020.

On March 17, 2020, the City Council affirmed and ratified a Proclamation of the existence of a local emergency resulting from the COVID-19 pandemic.

The State and Los Angeles County Health Officers issued orders intended to help prevent the spread of COVID-19, including mandating people to stay home except as needed to perform essential services, ordering businesses deemed non-essential to close, and requiring the wearing of face masks. On May 26, July 14, September 8, October 27, and December 8, 2020, the City Council adopted Resolutions 20-17, 20-37, 20-46, 20-54, and 20-62, respectively, which confirmed the continued existence of a local emergency.

The number of COVID-19 cases in Los Angeles County has spiked in recent months. The national and local public health emergency resulting from the COVID-19 pandemic remains

in effect, and the virus continues to pose a threat to the health and safety of residents in the City of Lancaster.

Staff recommends that City Council adopt **Resolution No. 21-01**, to again confirm the continued existence of the local emergency, as required by the California Emergency Services Act (the "Act," set forth at Cal. Gov't. Code §§8550-8668), and, in accordance with the Act, to regularly review the need for continuing the local emergency.

Resolution No. 21-01

RESOLUTION NO. 21-01

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LANCASTER, CALIFORNIA, CONFIRMING THE CONTINUED EXISTENCE OF A LOCAL EMERGENCY IN THE CITY OF LANCASTER, CALIFORNIA

WHEREAS, the California Emergency Services Act (Cal. Gov't. Code §§8550-8668) requires the governing body of a city to review the need for continuing a local emergency that has previously been declared; and

WHEREAS, on March 17, 2020, the Lancaster City Council ratified a proclamation declaring the existence of a local emergency resulting from the COVID-19 pandemic; and

WHEREAS, on May 26, 2020, the Lancaster City Council adopted Resolution No. 20-17, which confirmed the continued existence of a local emergency; and

WHEREAS, on July 14, 2020, the City Council adopted Resolution No. 20-37, which again confirmed the continued existence of a local emergency; and

WHEREAS, on September 8, 2020, the City Council adopted Resolution No. 20-46, which again confirmed the continued existence of a local emergency; and

WHEREAS, on October 27, 2020, the City Council adopted Resolution No. 20-54, which again confirmed the continued existence of a local emergency; and

WHEREAS, on December 8, 2020, the City Council adopted Resolution No. 20-62, which again confirmed the continued existence of a local emergency; and

WHEREAS, the national and local public health emergency resulting from the COVID-19 pandemic remains in effect; and

WHEREAS, the virus continues to pose a threat to the health and safety of residents in the City of Lancaster.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF LANCASTER AS FOLLOWS:

Section 1. The City Council of the City of Lancaster, California hereby finds and declares that the local emergency continues to exist, and shall be deemed to continue to exist until its termination is proclaimed by the City Council of the City of Lancaster, California.

STAFF REPORT City of Lancaster

ED 3 01/26/21 JC

Date: January 26, 2021

To: Mayor Parris and City Council Members

From: Jason Caudle, City Manager

Subject: Field Hospital to Support Overflow Patients from COVID-19 Pandemic

Recommendations:

- a. Authorize the expenditure of up to \$822,100 to support the deployment and staffing of a field hospital to treat overflow patients at Antelope Valley Hospital as a result of the COVID-19 pandemic.
- b. Appropriate \$822,100 from General Fund Account No.101-2900-000, Fund Balance to Account No. 101-4431-304, Field Hospital.
- c. Authorize the City Manager, or his designee, to finalize and execute all related documents.

Fiscal Impact:

Up to \$822,100. It is expected that a portion of the expenditures will be offset by community donations.

Background:

The City of Lancaster has collaborated with Antelope Valley Hospital and non-profit organization Samaritan's Purse to meet the emergency health care needs of the Lancaster community amidst the ongoing surge in cases and hospitalizations associated with the COVID-19 pandemic.

The team began constructing an Emergency Field Hospital on January 8th to accommodate the increasing number of patients at Antelope Valley Hospital (AVH). Located in the AVH parking lot, the field hospital offers more than 50 beds and is specialized as a respiratory care unit.

Samaritan's Purse, an international Christian relief organization, has previously deployed four similar field hospitals around the globe in response to the COVID-19 pandemic. Locations have included Italy, New York City, the Bahamas, and North Carolina.

In addition to the field hospital itself, Samaritan's Purse has brought approximately 70 medical personnel to staff the hospital and help alleviate the intense pressure on AVH's facility and staff capacity.

Samaritan's Purse will cover a significant portion of the costs associated with deployment of the field hospital through its own fundraising efforts. Under the proposed action, the City will cover costs such as lodging, meals, and transportation for the Samaritan's Purse medical personnel, as well as some costs associated with hospital deployment (i.e. equipment rental and installation, restrooms, fencing, etc.). The approximate cost breakdown is as follows:

Lodging: \$335,000Meals: \$135,000

Transportation: \$65,100Deployment: \$287,000

Costs for lodging, meals, and transportation are based on 70 personnel for 60 days. Should the surge in cases diminish sufficiently that the field hospital is no longer needed before that time, costs will be reduced accordingly. Conversely, should it be needed for a longer period, staff will return to the Council for additional appropriations should additional expenditures exceed the City Manager's signing authority.

Subject: Receive California Choice Energy Authority Audited Annual Financial

Report for Fiscal Year Ending June 30, 2020

Recommendations:

Receive California Choice Energy Authority (CalChoice) audited annual financial report for Fiscal Year ending June 30, 2020.

Fiscal Impact:

There is no fiscal impact to California Choice Energy Authority.

Background:

CalChoice has recently completed its annual financial audit for fiscal year ending June 30, 2020. The audit was completed by CliftonLarsonAllen LLP (CLA), the same audit firm that is completing the financial audit for City of Lancaster. The audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. These procedures include a review of internal controls, testing of transactions and review of the financial statements in order for the auditors to express an opinion on the financial statements.

On the basis of the audit, CLA expressed that the financial statements as of June 30, 2020 present fairly, in all material respects, the financial position of CalChoice.

In addition to the financial statements, the auditors also issued an Audit Communication Letter and Government Letter. The purpose of the Audit Communication Letter (attached) is to communicate significant audit matters (if any) to the CalChoice Board. No significant audit matters were identified as a result of the audit procedures. The purpose of the Government Letter (attached) is to communicate the auditor's report on internal control over financial matters. No deficiencies in internal control were identified as a result of the audit procedures.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors California Choice Energy Authority Lancaster, California

We have audited the accompanying financial statements of the California Choice Energy Authority (Authority), a component unit of the City of Lancaster, California (the City), as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the Authority's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the California Choice Energy Authority, as of June 30, 2020, and the respective changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1, the financial statements present only the California Choice Energy Authority and do not purport to, and do not, present fairly the financial position of the City of Lancaster, California, as of June 30, 2020 and the changes in its financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison schedules identified as Required Supplementary Information (RSI) in the accompanying table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the RSI in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 30, 2020, on our consideration of the Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Authority's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

For the year ended June 30, 2020

The information presented in the Management's Discussion and Analysis is intended to provide a narrative overview of the California Choice Energy Authority's (the Authority) financial activities as of and for the fiscal year ended June 30, 2020. Please consider this information in conjunction with the accompanying basic financial statements.

Financial Highlights

- The assets of the Authority exceeded its liabilities at the close of fiscal year June 30, 2020, by \$433,541 (net position).
- ❖ The Authority's total net position decreased by \$212,699 in fiscal year 2019-20.

Overview of the Basic Financial Statements

This discussion and analysis is intended to serve as an introduction to the Authority's financial statements. The Authority's financial statements are composed of two components: (1) financial statements and (2) notes to basic financial statements.

Authority-wide Financial Statements

Statement of Net Position: The statement of net position includes all assets and liabilities. Assets and liabilities are reported at their book value, on an accrual basis, as of the statement date. It also identifies major categories of restrictions on the net position of the Authority.

Statement of Revenues, Expenses, and Changes in Net Position: The statement of revenues, expenses, and changes in net position presents the revenues earned and expenses incurred during the year on an accrual basis.

Statement of Cash Flows: The statement of cash flows presents the inflows and outflows of cash for the year and is summarized by operating and investing activities. The statement is prepared using the direct method of cash flows and therefore presents gross rather than net amounts for the year's activities.

The notes to basic financial statements provide additional information that is essential to a full understanding of the data provided in the Authority's financial statements. The notes to basic financial statements can be found on pages 6-8 of this report.

In addition to the basic financial statements, this report also presents supplementary information relating to the Authority's budget. To demonstrate compliance with the budget, a schedule comparing final budget and actual expenditures can be found on page 6 of this report.

Notes to Basic Financial Statements June 30, 2020

1. GENERAL

The financial statements are intended to reflect the financial position and changes in the financial position attributable to the California Choice Energy Authority (Authority), a component unit of the City of Lancaster, California (the City). These financial statements are exclusively for the Authority and do not purport to, and do not, present fairly the financial position and changes in the financial position for the City.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Description of the Reporting Entity

The Authority was formed on March 28, 2017 is governed by the Lancaster City Council with each City joining as an associate member of the JPA. The Authority was formed to help member cities in Southern California Edison territory to participate in community choice aggregation (CCA) without having to sacrifice control often associated with joint power authorities or taking on the significant liability for a single entity community choice aggregation. Each associate City's Council would set rates for their City, purchase their energy and contract their CCA services through existing Authority contracts which helps keep costs low and maximize revenues for each associate member. Associate members assume only those responsibilities with which their councils and staff are most comfortable and capable of handling. The Authority handles to procurement, regulatory and compliance and billing and data management for associate members.

b. Basis of Presentation

The Authority operates as an enterprise fund. An enterprise fund is a proprietary type fund used to account for operations (a) that are financed and operated in a manner similar to private business enterprises - where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

c. Measurement Focus, Basis of Accounting and Financial Statement Presentation

Measurement focus is a term used to describe which transactions are recorded within the various financial statements. Basis of accounting refers to when transactions are recorded regardless of the measurement focus applied. The accompanying financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Under the economic measurement focus, all assets, deferred outflows of resources, liabilities, and deferred inflows of resources (whether current or noncurrent) associated with these activities are included on the statement of net position. The statement of revenues, expenses, and changes in net position present increases (revenues) and decreases (expenses) in total net position. Under the accrual basis of accounting, revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

d. Cash and cash equivalents

The Authority's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition.

Notes to Basic Financial Statements June 30, 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

e. Prepaid Items

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items and deposit. The consumption method of accounting is used for prepaid items. The deposit is a cash collateral balance.

f. Deposits

The Authority receives deposits from energy providers for projects under construction to secure energy and resource adequacy in advance. Once the project is operational, the Authority will return the deposit.

g. Unearned Revenue

The Authority has unearned revenues for payments that were received in advance from customers for the subsequent period. The Authority will recognize the revenue the service period for the advance customer payment in the service period for which the revenue is earned.

h. Net Position Assumptions

Sometimes the Authority will fund outlays for a particular purpose from both restricted (e.g., restricted bond or grant proceeds) and unrestricted resources. In order to calculate the amounts to report as restricted – net position and unrestricted – net position in the financial statements, a flow assumption must be made about the order in which the resources are considered to be applied.

It is the Authority's practice to consider restricted – net position to have been depleted before unrestricted – net position is applied.

i. Estimates

The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets, deferred outflows of resources, liabilities and deferred inflows of resources at the reporting date. Accordingly, actual results could differ from those estimates.

Notes to Basic Financial Statements June 30, 2020

3. CASH AND INVESTMENTS

At June 30, 2020, cash and cash equivalents of \$1,900,520 consist of an interest-earning checking account.

Investments Authorized by the California Government Code

The California Government Code authorizes the Authority to invest in certain types of investments. The table below identifies these investment types and the related maximum percentages by the California Government Code. The table also identifies certain provisions of the California Government Code that address interest rate risk, credit risk, and concentration of credit risk.

		Maximum	Maximum
	Maximum	Percentage	Investment in
Authorized Investment Type	<u>Maturity</u>	of Portfolio	One Issuer
US Treasury Securities	None	None	None
US Government-Sponsored Agency			
Securities	None	None	None
Certificates of Deposit	None	None	None
Money Market Mutual Funds	N/A	None	10%
Local Agency Investment Fund	None	None	\$ 75,000,000

Custodial Credit Risk

Custodial credit risk for *deposits* is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. The California Government Code and the Authority's investment policy do not contain legal or policy requirements that would limit the exposure to custodial credit risk other than the following provision for deposits: The California Government Code requires that a financial institution secure deposits made by state or local governmental units by pledging securities in an undivided collateral pool held by a depository regulated under state law (unless so waived by the governmental unit). The market value of the pledged securities in the collateral pool must equal at least 110% of the total amount deposited by the public agencies. California law also allows financial institutions to secure the Authority's deposits by pledging first trust deed mortgage notes having a value of 150% of the secured public deposits. At June 30, 2020, the Authority's deposits of \$1,900,520 are covered by the Federal Deposit Insurance Corporation or collateralized.

Notes to Basic Financial Statements June 30, 2020

4. CONTRACT REQUIREMENTS AND COMMITMENTS

The Authority has master "Take or Pay" agreements with different energy providers that associate members use to purchase energy to provide for future electric capacity for associate member agencies customers. Associate members enter into separate contracts with the providers and these contracts constitute an obligation of the associate member agencies to purchase a set volume of electricity at a set price throughout the terms of the contracts.

During the fiscal year ended June 30, 2020, the total payments made by associate member agencies under the take or pay contracts was \$82,596,966. At June 30, 2020, the remaining take or pay contracts for each associate member are as follows:

		Total	
		Remaining	Termination

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of the California Choice Energy Authority Lancaster, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the California Choice Energy Authority (the Authority) a component unit of the City of Lancaster, California (the City), as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements and have issued our report thereon dated December 30, 2020.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

To the Board of Directors of the California Choice Energy Authority Lancaster, California

We have audited the financial statements of the California Choice Energy Authority (the Authority) a component unit of the City of Lancaster, California (the City), as of and for the year ended June 30, 2020, and the related notes to the financial statements. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards as well as certain information related to the planned scope and timing of our audit. We have communicated such information to you in our engagement letter dated April 29, 2020, and in our letter on planning matters dated June 9, 2020. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Authority are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during fiscal year 2020. We noted no transactions entered into by the Authority during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events.

Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The most sensitive estimates affecting the Authority's financial statements are as follows:

a. Management's estimate of the allowance for doubtful accounts is based on an analysis of the collectability of individual accounts.

We evaluated the key factors and assumptions used to develop these estimates in determining that they were reasonable in relation to the financial statements taken as a whole.

Significant Audit Matters (Continued)

Qualitative Aspects of Accounting Practices (Continued)

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. As a result of our audit-related test work, we proposed no corrections to the financial statements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated December 30, 2020.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Authority's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Authority's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

We applied certain limited procedures to the management's discussion and analysis, which is required supplementary information (RSI) that supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI.

Restriction on Use

This information is intended solely for the use of the Board of Directors of the California Choice Energy Authority and is not intended to be and should not be used by anyone other than these specified parties.

01/26/21

JC

Date: January 26, 2021

To: Mayor Parris and City Council Members

From: George N. Harris II, Finance Director

Subject: Check Registers – December 20, 2020 through January 9, 2021

Recommendation:

Approve the Check and Wire Registers for December 20, 2020 through January 9, 2021 in the amount of \$7,190,562.73 as presented.

Fiscal Impact:

\$7,190,562.73 as detailed in the Check Registers.

Background:

At each regular City Council Meeting, the City Council is presented with check and ACH/wire registers listing the financial claims (invoices) against the City for purchase of materials, supplies, services, and capital projects issued the prior three to four weeks. This process provides the City Council the opportunity to review the expenditures of the City. Claims are paid via checks, Automated Clearing House (ACH) payments, or federal wires. The justifying backup information for each expenditure is available in the Finance Department.

STAFF REPORT City of Lancaster

CC 3

01/26/21

JC

Date: January 26, 2021

To: Mayor Parris and City Council Members

From: George N. Harris II, Finance Director

Subject: Monthly Report of Investments – December 2020

Recommendation:

Accept and approve the December 2020 Monthly Report of Investments as submitted.

Fiscal Impact:

None

Background:

Each month, the Finance Department prepares a report listing the investments for all separate entities under the jurisdiction of the City as identified in the City's Comprehensive Annual Financial Report.

Portfolio Recap

Yield:

	December 2020	November 2020
Total Portfolio	1.41%	1.52%
Local Agency Investment Fund	0.54%	0.58%
Total Portfolio Balance:	\$69,672,869	\$66,260,838

The portfolio balance increased from November to December by \$3,412,031 or 4.3%. Significant revenues for December included \$9,598,965 Property Taxes and \$1,884,028 Sales and Use Tax. The largest City expenditures were \$5,277,454 for Capital Projects and \$2,239,570 Payroll & Benefits.

The City's temporary idle cash, those funds that are not immediately needed to pay current bills and not governed by bond indentures or bond resolutions, is invested in accordance with the City's adopted Investment Policy. This policy is reviewed regularly by the City Council, with the latest policy adopted February 13, 2018, by Resolution No. 18-06.

The City's cash management system is designed to accurately monitor and forecast expenditures and revenues, thus enabling the City to invest funds to the fullest extent possible within the guidelines of this Investment Policy. The City attempts to achieve the highest yield obtainable through a diversified portfolio only after meeting the criteria established for safety and liquidity in that order. The principal investment objectives of the City are:

- 1. Preservation of capital and protection of investment principal;
- 2. Maintenance of sufficient liquidity to meet anticipated cash flows;
- 3. Attainment of a market rate of return;
- 4. Diversification to avoid incurring unreasonable market risks, and;
- 5. Compliance with the City's Municipal Code and with all applicable City resolutions, California statutes and Federal regulations.

The City's portfolio is a short-term and intermediate-term fixed income portfolio. The maximum maturity of any investment is 5 years, with consideration of anticipated cash flow requirements and known future liabilities. The City contracts with an investment advisory service (Insight Investment) to assist in the effort to maximize the returns of the City portfolio. The City's investments include publicly traded Treasury notes, Treasury Bills, Federal Agency Investments, Time Deposits, and Local Agency Investment Fund (LAIF) under the auspices of the State Treasurer for investment. Funds invested in LAIF are available within 24 hours, and other investments are available upon maturity at full face value. These investments enable the City to meet its expenditure requirements for the next six months, as required by state law.

The City's investment procedures are governed by Sections 53600 et. seq. of the California Government Code. Additional requirements have been placed on the City's authorized investments by the Investment Policy (a copy is available in the Finance Department or from the City Clerk), and all investments listed on the attached report adhere to these requirements.

Subject: Award of Bid – Public Works Construction Project No. 21-003 - 2020 Summer

Pavement Management Program (PMP)

Recommendation:

Award Public Works Construction Project No. 21-003, 2020 Summer Pavement Management Program (PMP), to Granite Construction Company of Lancaster, California, in the amount of \$4,688,158.50 Base Bid, plus Additive Alternate 1 (AA1) in the amount of \$260,402.15, and Additive Alternate 2 (AA2) in the amount of \$361,262.55, for a Total Bid of \$5,309,823.20, plus a 10% contingency, to repair and resurface approximately 29 lane-miles of streets, as part of the City's Pavement Management Program. Authorize the City Manager, or his designee, to sign all documents. This contract is awarded to the lowest responsible bidder per California Public Code Section 22038 (b).

Fiscal Impact:

\$5,840,805.52 (including 10% contingency) to be awarded; sufficient funds are available in Capital Improvements Budget Account Number 701-12ST042-924.

Background:

The proposed project will be the fourth project funded, in part, with road bond funds and will include approximately 29 lane-miles of roadway repair, and rehabilitation in the following project areas: (1) Sierra Highway – Lancaster Boulevard to Avenue J, (2) Avenue $K-20^{th}$ Street West to 40^{th} Street West, (3) AA1 Avenue J- $12-20^{th}$ Street West to Avenue K, and (4) AA2 Avenue H – 25^{th} Street West to 40^{th} Street West.

Per Section 2.2, this project is subject to the Community Workforce Agreement by and between the City of Lancaster and Los Angeles/Orange Counties Building and Construction Trades Council, and the Signatory Craft Councils and Unions ("CWA"). The PWCP 21-003 contract documents were prepared, and the project was advertised accordingly. Per Section 2.6(b) of the CWA, Letters of Assent shall be submitted by the Contractor and each of its subcontractors, of whatever tier, forty-eight (48) hours prior to commencement of work, or within forty-eight (48)

hours after the award of Project Work to that Contractor (or subcontractor), whichever occurs later.

On December 15, 2020, at 11:00 a.m., the City conducted an electronic bid opening for Public Works Construction Project No. 21-003 via PlanetBids. The bids were as follows:

Recommendation:

Approve the map and accept the dedications as offered on the map for Tract Map No. 62578-02; make findings that this project will not violate any of the provisions of Sections 66473.5, 66474.1, and 66474.6 of the Subdivision Map Act; and instruct the City Clerk to endorse on the face of the map the certificate, which embodies the approval of said map and the dedications shown thereon.

Fiscal Impact:

None.

Background:

On November 16, 2015, the Planning Commission approved Tentative Tract Map No. 62578. The Final Map is in substantial conformance with the approved tentative map. Tract Map No. 62578-02 has been examined by the City Surveyor, and is ready for Council approval. In addition, an Undertaking Agreement and improvement securities have been submitted to guarantee the installation of improvements.

Subject: Takeout and Chill Extension

Recommendation:

Approve the extension of the Takeout and Chill component of the Restaurant Rescue Package through February 28, 2021.

Fiscal Impact:

None.

Background:

In December, the City Council authorized the Restaurant Rescue Package to aid local restaurants, wineries, and breweries amidst the ongoing closures and limitations implemented by the Los Angeles County Department of Public Health and the State of California in response to COVID-19.

Recognizing the vital role this industry plays in our local economy and in the quality of life for our community, the Council provided assistance designed to help sustain these businesses in the face of unprecedented challenges. These forms of assistance include:

- The Takeout and Chill Program, encompassing one-time grants; Lancaster Choice Energy bill credits; and the ability to accept gift cards issued by the City as part of the program
- Partnership with Destination Lancaster
- California Restaurant Association membership
- Marketing and support for AV Restaurant Week
- Legal assistance

Through the Takeout and Chill Program, the City issued 27,500 gift cards valued at \$20.00 each to organizations throughout the community. Participants included front-line workers, such as

health care and first responders, grocery workers, major employers, local school districts, nonprofit/charitable organizations, and more. Of these cards, 2,500 funded by Destination Lancaster were also distributed to member hotels.

Gift cards initially carried an expiration date of February 1, 2021. The proposed extension would allow recipients to use cards through February 28, 2021. This change will ensure that organizations who were closed over the holidays have sufficient time to distribute their cards, and that their employees in turn have sufficient time to utilize them before the deadline.

This extension will help assure that the purpose of the Restaurant Rescue Package – to ensure the long-term vitality of these key local businesses – is fully achieved.

14)/Avenue J Interchange Improvements, Avenue J, Between 15th Street West and

25th Street West (Phase 1 Local Streets)

Recommendations:

- 1. Authorize the City Manager, or his designee, to approve and sign Funding Agreement Amendment No. 1 and all other documents pertaining to the implementation and payment of funds for all Los Angeles County Metropolitan Transportation Authority (LACMTA) Measure R funded SR-138 (SR-14) Avenue J Capacity Enhancement project.
- 2. Appropriate \$1,828,500.00 in Measure R "Highway Equity" grant funds to Account No. 210-15BR007-924.
- 3. Award Public Works Construction Project No. 21-012, SR-138 (SR-14)/Avenue J Interchange Improvements (Phase 1 Local Streets), to C.A. Rasmussen of Valencia, California, in the amount of \$2,611,866.90 Base Bid, plus Additive Alternate AA1 in the amount of \$1,970,519.40, and Additive Alternate AA2 in the amount of \$730,021.60, for a Total Bid of \$5,312,407.90, plus a 20% contingency for installation of Phase 1 Local street improvements. Authorize the City Manager, or his designee, to sign all documents. This contract is awarded to the lowest responsible bidder per California Public Code Section 22038 (b).

Fiscal Impact:

\$11,274,943.00, is to be allocated to Budget Account No. 210-15BR007-924, this is an increase of the Measure R Project Budget from \$10,000,000.00 to \$21,274,943.00. Through this action, sufficient funds are available in Capital Improvements Budget Account No. 210-15BR007-924 for Fiscal Year 2020-2021 to move forward with construction. Sufficient funds shall become available for subsequent years as programmed in the Funding Agreement.

The current adopted budget includes \$21,274,943.00 in grant funds programmed in the Capital Improvement Program for FY 2022; this appropriation would reduce that programmed amount to \$14,431,294.31.

\$6,374,889.48 (including 20% contingency); with these actions, sufficient funds are available in Capital Improvement Budget Account Number 210-15BR007-924. The annual cost for maintenance is estimated at \$1,250.00.

Background:

On November 13, 2014, Los Angeles Metropolitan Transportation Authority (LACMTA) executed Funding Agreement No. MR330.04, for the SR-138 (SR-14) Avenue J Interchange, granting \$10 million to fund all phases of the project, from project initiation documents through construction of interchange improvements, as well as local street improvements on Avenue J from 15th Street West to 25th Street West, on 20th Street West from Avenue J to Avenue J-8, and on 22nd Street West from Avenue J to Avenue J-4.

Subsequent to the execution of the Funding Agreement, on June 17, 2020, the LACMTA Board approved the programming of an additional \$11,274,943.00 for MR330.04; revising the budget to \$21,274,943.00. In addition, the City has received confirmation that the LACMTA Board will consider programming an additional \$8,769,125.00 for MR330.04 at their January 2021 meeting. Upon approval, this will revise the total budget to \$30,044,060.00. Funding Agreement Amendments are expected in April 2021.

Phase I Local Streets will provide asphalt concrete resurfacing, striping, traffic signal upgrades, median, landscaping, and pedestrian improvements along Avenue J from 25th Street West to 20th Street West. For Additive Alternate 1 (AA1), similar work will be performed on Avenue J from 20th Street West to 15th Street West, and for Additive Alternate 2 (AA2), on 20th Street West from Avenue J to Avenue J-8.

Per Section 2.2, this project is subject to the Community Workforce Agreement by and between the City of Lancaster and Los Angeles/Orange Counties Building and Construction Trades Council and the Signatory Craft Councils and Unions ("CWA"). The PWCP 21-012 contract documents were prepared, and the project was advertised accordingly. Per Section 2.6(b) of the CWA, Letters of Assent shall be submitted by the Contractor and each of its subcontractors, of whatever tier, forty-eight (48) hours prior to commencement of work, or within forty-eight (48) hours after the award of Project Work to that Contractor (or subcontractor), whichever occurs later.

ATTACHMENT C-1 SCOPE OF WORK

PROJECT TITLE:

SR-138(SR-14) Avenue I Interchange

PROJECT LOCATION:

The project is located in the City of Lancaster, at the Avenue J/SR138 (SR-14) interchange and surrounding area.

PROJECT LIMITS:

This project limits are on the SR138 (SR-14) between Lancaster Boulevard and Avenue J-8, on Avenue J between 15th Street West and 25th Street West, on 20th street West from Avenue I to Avenue I-8, and on 22nd Street West from Avenue I to Avenue I-4.

NEXUS TO HIGHWAY OPERATION, DEFINITION/PROJECT PURPOSE:

The purpose of this project is to improve operational capacity at the interchange and surrounding local streets eliminating congestion, while improving wayfinding and other context sensitive solutions.

PROIECT BACKGROUND:

Rev: 05.03.19

The City of Lancaster has realized the need to improve the operational capacity of this interchange. It is a priority for the City of Lancaster, due to the Avenue I commercial/retail corridor, historic downtown Lancaster ("The Blvd"), and medical corridor (future Medical District) that it serves, however funding has never been available. Funding made available through the Measure R SR-138 Capacity Enhancements will improve the interchange, improve mobility between the freeway and local streets and enhance safety.

Metro executed a Funding Agreement for the project on November 13, 2014. The City of Lancaster completed the PSR(PDS) in November 2016, completed the PA&ED in September 19, 2019 and is currently completing the PS&E for the project and construction is scheduled to begin in early 2021. Current estimates for the proposed improvements are higher than the original budget. The Board approved the reallocation of funds in June 2020. The City of Lancaster is proposing to supplement the current funding with a portion of the SR-14/I-5 surplus funds originally allocated to the Avenue M interchange. With the SR-14/I-15 surplus funds the project will be fully funded through construction.

To expedite the construction start, the City split the project into two phases. Phase 1 is the local roadway component that can be completed ahead of the Phase 2 Caltrans portion of the project. The design for the local portion is complete and the City advertised phase 1 in September 2020. The phase 2 project is scheduled to advertised in the summer of 2021.

SCOPE PHASE I:

Rev: 05.03.19

The Phase I improvements were accelerated to initiate construction on the Local Roadway portion of the project without waiting for final approvals from Caltrans on the Caltrans freeway portion of the project. This has allowed the construction of the project to begin sooner and help the completion of the entire project.

The Local roadway project includes mobility enhancements along Avenue I on both sides of the freeway, between 15th Street West and 25th Street West by adding buffered bike lanes in both directions along with pedestrian facility upgrades. The improvements include revisions to medians and channelization at the intersections and restriping the roadway. which requires upgrades to the median hardscape improvements with minimal landscaping. These improvements can be completed prior to the Caltrans portion of the project and will reduce the overall time of the construction duration of the Caltrans portion.

Project Management and Preparation of Periodic Updated Schedule, Deliverables and

Tasks to be performed include, but are not limited to, the following:

A. Meet as needed to accomplish Project tasks as outlined. Meetings expected between the Consultant and City to coordinate construction of the improvements.

Project#: MR330.04 FA# 9200000FAMR33004

B. Provide periodic schedule updates on deliverables and meetings as changes to original schedule occur or as needed based on the needs of the project.

CONSTRUCTION:

Grantee expects to provide construction oversight, procure a consultant for construction management support, award a contract for construction and to perform the following tasks:

- **A.** Conduct a "Groundbreaking" ceremony for the project.
- **B.** Contract with a separate engineering firm to provide Construction Management for the Project. This will be accomplished through an RFP.
- **C.** Contract with a Contractor for construction.
- **D.** Conduct a "Ribbon Cutting" ceremony at the completion of the Project.

The Design Consultant shall meet as needed with the Grantee to accomplish Project tasks as outlined. Meetings expected between the Consultant and Grantee shall include, but not be limited to, Pre-Construction Meeting, progress meetings and preparation of responses to RFIs.

SCOPE PHASE II:

The Project will improve the SR-138 (SR-14) Freeway/Avenue J interchange by adding new southbound onramp and northbound offramp, reconfiguring and signalizing the ramp intersections, SR-138 (SR-14) mainline improvements to accommodate ramp additions, as well as other enhancements to alleviate congestion at the intersections adjacent to the interchange. With the addition of the new SB onramp and NB offramp at Avenue J, the SB onramp at J-8 will be removed and the NB offramp at 20th Street West will be improved, including the intersection with 20th Street West. Minor drainage improvements are also included with the ramp and intersection improvements. The project includes water quality BMP's and aesthetic treatment to provide context sensitive solutions within the interchange area to meet Caltrans corridor aesthetic requirements. The proposed improvements require the following:

RIGHT-OF-WAY:

Right-of-Way Support and Right-of-Way Capital

Right-of-Way Support:

Tasks to be performed include, but are not limited, to the following:

- **A.** Prepare and provide exhibits, plats and legal descriptions for the properties requiring right of way acquisition, slope easements, temporary construction easements and/or rights-of-entry.
- **B.** Meet as needed with the City to accomplish Project tasks as outlined. Meetings expected between the Consultant and City.
- **C.** Provide periodic schedule updates on deliverables and meetings as changes to original schedule occur or as needed based on the needs of the project.

Right-of-Way Capital:

Tasks to be performed include, but are not limited to, the following:

- **A.** Order title reports/litigation guarantees.
- **B.** Present conceptual plans to property owners adjacent to project.
- **C.** Shall choose an Appraiser to prepare and provide appraisal of properties requiring right of way acquisition.
- **D.** Authorize appraisals and improvements pertaining to properties.
- E. Notify and meet with property owners of appraisals and detailed improvements to their properties.
- **F.** Set just compensation.
- **G.** Present written offer letters and appraisal summaries to property owners.
- H. Conduct negotiations to settlement.

CONSTRUCTION:

Grantee expects to provide construction oversight, procure a consultant for construction management support, award a contract for construction and to perform the following tasks:
