

# Business Watch

Business Watch is a Crime Prevention Program that provides business owners and employees with crime prevention tips they can apply to help reduce crime in or around their businesses.

## Why join?

- Receive advisories on crime trends in your area
- Learn the principles of deterring, detecting, and preventing crime
- Develop strong communication with Lancaster Sheriff's Station
- Learn how to be observant and aware of suspicious activity or individuals
- Build a strong network with other local businesses
- Foster a safer environment for people work, shop, and live in

## Connect with the Public Safety Team
