Project Title: Systematic commercial driveway access modifications (Reference: PWCP 24-002)

Project Location - General: City of Lancaster, County of Los Angeles, State of California

Project Location - Specific: Valley Central Way (3 driveways between Ave J & Lancaster Blvd), Avenue K (350' west of Challenger Way), Challenger Way (400' south of Ave J), 10th St W (350' north of Ave K), Avenue K (400' east of 10th St W).

Project Description: The proposed project involves the modification of 7 existing commercial driveways by installing yellow flexible traffic separators, new striping, and traffic signing as needed in order to create directional median openings which will restrict left-turns and u-turns. All work will be completed within existing developed and disturbed areas in existing right-of-way and proposed temporary construction easements. Depth of excavations are expected to be less than 1 feet below existing grade, and there will be no modifications to existing utilities.

Name of Public Agency Approving Project: City of Lancaster

Name of Person or Agency Carrying Out Project: City of Lancaster, Development Services Department

Exempt Status: (check one)

Ministerial (Sec. 21080(b)(1); 15268);

Declared Emergency (Sec. 21080(b)(3); 15269(a));

Emergency Project (Sec. 21080(b)(4); 15269(b)(c));

Categorical Exemption. State type and section number: Class 1 Section 15301 (Existing facilities)

Statutory Exemptions. State code number: _____

Reasons why project is exempt:

The project includes improvements as stated above in the project. All work to occur within the existing developed and disturbed areas in existing right-of-way and proposed temporary construction easements. The project would not expand the capacity of any of the roadways and no sensitive environmental resources are located adjacent to the project.
