

**DUST CONTROL AGREEMENT**  
**CITY OF LANCASTER**  
**DEVELOPMENT ENGINEERING**

I (We) the owner(s) of the \_\_\_\_\_  
(Subject Project)

Agree to provide dust control during grading and construction of the project by our contractor named here:

\_\_\_\_\_  
Company Name (Contact Person) Phone Number

In the event the contractor does not control the dust, I (we) hereby authorize the City of Lancaster or any of its authorized personnel to enter onto the property and perform any dust control measures should I (we) be unable to effectively control the dust. I (we) also agree to reimburse the City of Lancaster for any costs incurred for dust control on the project. Dust control will be effected by (check one):

\_\_\_\_\_ We hereby state that the project comprises less than 5 acres in area. We will provide and maintain a water truck, or \_\_\_\_\_, onsite to water the project area as required by the City and, as necessary, to control dust caused by the project.

\_\_\_\_\_ We hereby state that the project comprises 5 acres or more in area and will control the dust caused by the project according to the plan approved by the City.

We shall alleviate dust generation on the site by watering the total site area using:

\_\_\_\_\_  
(Describe dust control method to be used, i.e.: truck watering, sprinklers, hose watering, etc.)

Said method(s) shall comply with the requirements of the City of Lancaster's grading inspector and City of Lancaster's grading regulations.

The following telephone numbers may be used at any time to report the lack of any dust control measures on the project.

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
