From: Mark V. Bozigian, City Manager

Subject: Transfer of Housing Funds to Professional Services Account in the Communications Division

---

**Recommendation:**

Transfer \$20,000.00 of Housing Funds from Account No. 920-1702-817 to Professional Services Account No. 101-4305-301 in the Communications Division.

**Fiscal Impact:**

Sufficient funding exists in the adopted FY 2009/2010 Budget to accommodate this transfer.

**Background:**

For several months City staff has been working with the Lancaster Neighborhood Vitalization Commission, the Federal Department of Housing and Urban Development, the County of Los Angeles and other stakeholders to address neighborhood housing issues. Over the next few months it may become necessary to engage specialized professional services to address specific neighborhood housing policy issues. These services would be funded through the professional services account in the Communications Division.
