CPH 2. LANCASTER COMPREHENSIVE GENERAL PLAN UPDATE

Mayor Parris stated that this matter was continued from a previous meeting. The Planning Director presented the staff report regarding the Comprehensive General Plan Update.

Vice Mayor Smith discussed the specific plan overlay with the underlining designation. There has been a lot of discussion as to how to get developers to actually accumulate enough property to put into a specific plan in order to get something similar to Santa Clarita. The Mayor was concerned that the City should not put themselves in a bind with doing an underlining designation with a specific plan. The City Attorney's memo basically shows with a specific plan there will not be any building in that particular area because the General Plan will specify certain conditions, the infrastructure and many things that are necessary in order to get the specific plan right. Once the City builds out there, the City will want the specific plans to be beautiful, urban residential areas with greenways, parks, like many other cities have. It is important that the City do an Urban Residential underlining designation with a specific plan overlay. This tells the citizens that when the City does build out in this area that it will look like the future the City wants and will give the developer some assurance. At some point he would like staff to look at the whole west side area and find ways to incorporate specific plans.

On a motion by Vice Mayor Smith and seconded by Council Member Mann, the City Council approved a change to the General Plan regarding a specific plan overlay with the underlining designation, by the following vote: 5-0-0-0; AYES: Mann, Marquez, Sileo, Smith, Parris; NOES: None; ABSTAIN: None; ABSENT: None

Vice Mayor Smith discussed the previous discussion regarding a buffer zone around the prison. The Mayor had brought up a good point, which was maybe the Planning Commission and the City didn't do their job completely when they had the discussion of the prison before, and the City shouldn't do anything additional that may put people in danger. The Sheriff came back with a memo stating that they never requested a buffer but this doesn't negate the responsibility of the City. Originally the Planning Commission came up with one-acre custom homes, but this doesn't work because typically custom homes wouldn't be built across from a prison, so for all intents and purposes, this creates a taking. The concern is what is the proper buffer around a prison? There are currently some beautiful homes south of the prison, multi-family residential northwest of it; there are some multi-family residential that must move forward because they have their applications in; their CUP's have been processed. There is also a school that has already gone through the CUP process. Vice Mayor Smith proceeded to explain areas on the map for clarification. There are areas that are light industrial which will be able to supply restaurants, office buildings and it truly is the better buffer. If the Council is going to take the Planning Commission's recommendation and step forward, then the Council will need to amend the General Plan to create light industrial in several areas.

CPH 2. LANCASTER COMPREHENSIVE GENERAL PLAN UPDATE (continued)

Further discussion took place regarding the area; notification to owners; buffers. Vice Mayor Smith stated that light industrial was the better way to go for buffers; residential R-7000 goes up against light industrial.

Mayor Parris inquired as to making a requirement that before any residential is put in, that people who are buying these homes are notified that the prison may expand at some point.

The Planning Director stated that this would not be a problem and suggested that Council make this a specific action and have it added to the General Plan.

Council Member Sileo requested clarification regarding what goes into light industrial; discussed the nature of the detention facility; adequate space with light industrial.

Addressing the City Council regarding this issue:

Dana Boyer, Real Investors – wanted to insure that when Council adopts these changes, this will not affect the maps that her company has submitted.

Abe Nejim – inquired as to his own zone change request and how the decisions will affect this.

Further discussion took place with Mr. Nejim and he was encouraged to go through the proper venues – the Planning Commission, regarding this particular issue.

At this time, Mayor Parris recused himself from the discussion with the next speaker (David Sinclair) due to a lawsuit he is involved in regarding Mr. Eliopoulos.

David Sinclair – inquired if this was the proper time to discuss a property that has a CUP that is just about ready to expire, if this doesn't get built, is there an option to change it back to residential.

Further discussion took place with Mr. Sinclair regarding zoning for mixed use, not commercial; application has been submitted; there is an approved CUP; certain rights with the CUP and it cannot be down zoned. There were no motions to change this and Mr. Sinclair was encouraged to go through the proper venues – the Planning Commission, regarding this particular issue.

At this time, Mayor Parris returned to the dais.

CITY MANAGER'S / EXECUTIVE DIRECTOR'S ANNOUNCEMENT

The City Manager discussed the success of the Softball Tournament; hotels are filled up; events that Lancaster is putting on are helping the entire valley.

The City Manager stated that the General Plan Update is truly a great accomplishment and sets the future plan for the next ten years and he commended everyone that was involved in this endeavor.

CITY CLERK / AGENCY SECRETARY ANNOUNCEMENT

The City Clerk provided the public with the procedure to address the City Council/Redevelopment Agency regarding non-agendized items.

PUBLIC BUSINESS FROM THE FLOOR - NON-AGENDIZED ITEMS

Addressing the City Council at this time:

Greg Butts – discussed the youth track and field program that he and his wife have started; many athletes competed; many qualified for the finals in North Carolina; several are ranked very high nationally; this is a tremendous accomplishment. He stated that the organization is in need of raising funds and needs about \$5,000.00 to see the program through to North Carolina.

Mayor Parris encouraged Mr. Butts to talk with the Parks, Recreation and Arts Director to see what can be done.

Mike Scott – stated that he missed the Planning Commission meetings on July 7 and July 8, 2009; feels this was done to deliberately catch people off guard; meeting went too late; citizens who oppose the projects need to have their voices heard.

Erick Byarushengo – stated his concerns regarding pollution from vehicles if the proposed supercenters are built.

PUBLIC BUSINESS FROM THE FLOOR - NON-AGENDIZED ITEMS (continued)

Mayor Parris and Cleo Goss discussed possible ways to make the process more meaningful next week when the City Council will hear the public hearings for the proposed supercenters at 60th St. West and Avenue L. They could not come to a consensus on how the meeting should be run; Mayor Parris stated that he will be thinking of ways to handle this. He stated that strangers have come up to his wife and screamed at her because of these projects; there have also been anonymous phone calls to his home regarding this. He understands it is an emotional issue, no one has made up their mind, the opponents need to design a way to persuade and not let emotions get involved.

Cleo Goss – discussed her concerns regarding the proposed project for 60th St. West and Avenue L, such as noise; pollution; traffic dangers; ruining the peace and quiet for all.

David Paul – stated that he looks forward to the meeting next week regarding 60th St. West and Avenue L; discussed the potato race event that took place at the fairgrounds on the 4th of July.

COUNCIL REPORTS

CR 1. Council Member Marquez presented a report on the activities of the Board of Directors for the Antelope Valley Transit Authority.

The following significant items took place during the June Board meeting:

- The Board approved the fiscal year 2009-2010 budget. The overall FY10 budget amounts to \$47,341,786. This is an increase of \$17,173,686 over the FY09 budget. This large increase is primarily due to a massive influx of transit capital formula allocation grant funds coming to AVTA in the next fiscal year through the American Recovery and Reinvestment Act and other grant funds. The City of Lancaster's jurisdictional contribution towards this budget after anticipated fare box recovery, capital grant program funding, and other federal, state, regional and local funding is \$1,488,262. This is the same amount as the FY 08-09 contribution. The \$1,488,262 will be funded utilizing the City's Proposition A transit funds.
- The Board voted to set a public hearing for proposed local transit route changes. Route 11 will be extended to 30th Street East on Avenue I to serve Lancaster's new Veterans Center. Four routes now serving downtown Lancaster will be slightly re-routed to accommodate American Heroes Park. A school tripper will be added to serve Eastside High School.
- After a lengthy discussion, with varied opinions amongst the three member jurisdictions, Board Member Marquez moved to extend Veolia Transportation's contract with AVTA for bus operations and maintenance for two months. During those two months, staff will negotiate a longer extension with possible contract amendments.

All other items approved were routine.

ANNOUNCEMENT

Mayor Parris stated that it has come to the Council's attention that the Mongol Motorcycle Gang intends to come to Lancaster this weekend and stay at the Desert Inn. City staff has attempted to work with the Desert Inn to dissuade them from allowing this to happen and they have resisted the efforts. He stated that he wants every business in this community to watch what will happen to the Desert Inn – they will be out of business by the end of the week. This City will not tolerate anybody in this community aiding and abetting any type of gang activity in this City. As to the Mongols, he wanted to be very clear – do not come to the City of Lancaster. If the Mongols do come to the City of Lancaster, he has directed all law enforcement agencies to do whatever is necessary to see to their incarceration. He stated that he couldn't make this any clearer – do not come to the City of Lancaster; the City does not want the Mongols and the City will not tolerate their presence. As to the citizens of Lancaster, he encouraged them to attend all the festivities in force, meaning do not let one motorcycle gang scare the citizens away from the Lancaster Blvd. activities this weekend or the events at the Soccer Field. The City cannot be intimidated by these people; law enforcement will be out in force. There is no reason to be frightened; there is a reason for any gang members to be extremely frightened.

ANNOUNCEMENT (continued)

The City Attorney announced that the City Council met in Closed Session, adding an emergency item under Government Code Section 54956.9 (c) to determine whether to initiate litigation. Direction was given that staff should take all legal steps including litigation if necessary to close the Desert Inn and stop the Mongol Motorcycle club from coming to Lancaster.

The second item under Government Code Section 54956.9 (b) was to give direction concerning a potential lawsuit. At this point the City is working towards a settlement on that matter and it deals with the Sheriff's contract, in which a settlement has been recommended by Contract Cities and legal counsel and staff are reviewing that.

The final item was to determine if any litigation should be filed and at this time, nothing further will be stated in order to protect the interests of the City and the public.

ADJOURNMENT

Mayor Parris adjourned the meeting at 8:20 p.m. and announced that a Special Meeting of the City Council would take place on July 21, 2009 at 6:00 p.m. in the Council Chambers. Additionally, he announced that the next regular meeting of the City Council/Redevelopment Agency would take place on Tuesday, July 28, 2009 at 6:00 p.m.
