Date: September 8, 2009

To: Mayor Parris and City Council Members

From: Robert C. Neal, Director of Public Works

Subject: **Award Contract for Purchase of Sewer Cleaning Truck**

Recommendation:

Award the contract for the purchase of one Sewer Cleaning Truck, Sewer Equipment Co. of America 800-HPR, in the amount of \$190,375.64 to Plumbers Depot, Inc. Authorize the City Manager, or his designee, to sign all documents.

Fiscal Impact:

\$190,375.64; sufficient funds are available in the Capital Outlay Budget Account Number 480-4755-752.

Background:

In June 2008, Los Angeles County competitively bid and awarded a contract for this equipment per Request for Bid No. RFB-IS-231860 to Plumbers Depot, Inc. The contract includes a clause allowing other government agencies to utilize this contract for pricing. The lead agency's original documents meet all state and City requirements for competitive procurement and are on file in the Purchasing office.

This equipment was identified and funds allocated during the annual budget process as part of the City's Capital Outlay Program. This sewer cleaning truck will be assigned to the Public Works Utility Services Division, Sewer Maintenance Operations Section.
