To: Mayor Parris and City Council Members

From: Robert C. Neal, Director of Public Works

Subject: **Closure of Avenue H from 60th Street West to 80th Street West**

Recommendation:

Approve the closure of Avenue H, between 60th Street West and 80th Street West, for a period not to exceed four weeks to facilitate the construction of a 48" waterline.

Background:

S.J. Louis Construction, Inc. has requested approval for the temporary road closure of Avenue H between 60th Street West and 80th Street West to construct a waterline. The Contractor is required to acquire approval from all jurisdictions.

The proposed waterline will be installed six feet from the centerline of the street. This location does not allow enough room to provide for the safe movement of traffic through the work zone. Construction will be phased to close one mile of the roadway at a time. Access to residences fronting Avenue H will be provided at all times to those within the closure area.
